*About Us

We are a vet science program providing opportunities for students to learn while providing services to the community. We do not have a veterinarian on staff and cannot provide medical care or diagnosis.

All animals coming to Grant Career Center must be up to date on vaccinations, including the following:

- * DHLPP
- *Bordetella
- *Rabies

Appointments can be made by phone or email. Students are available to groom most school days, please be aware that if the school closes due to weather your appointment will need to be rescheduled.

*Appointments
Required*

Please bring exact change or a check made payable to Grant Career Center. Students may be tipped at your discretion. M-F 8am-10:30am and 11:45am-2pm
