### Student Classification

Hiawatha High School student	is defined as being enrolled and attending Hiawatha High School
Alternative Setting student	defined as students who are either not succeeding in the regular school setting or need an environment better suited to meet their educational needs. Alternative setting students are considered full time Hiawatha High School students and are expected to follow all of the same policies as their peers in the main high school. Alternative setting students may participate in all school activities and the main campus graduation ceremonies (if eligible). Students will still be expected to take responsibility for their education in this program. Final determination will be made by administration.
Credit Recovery Student	is expected to make up lost credits through summer school, extended day or as their school schedule may allow. Credit Recovery students may participate in all school activities and the main campus graduation ceremonies (if eligible). Final determination will be made by administration.
Virtual Student	this is an opportunity for high school students and non-traditional students (19+) living within the District 415 boundaries an opportunity to earn a high school diploma. This placement is for students over the age of nineteen who did not succeed when initially enrolled in high school or current high school age students needing an environment better suited to meet their educational needs. Virtual students do not participate in main campus graduation ceremonies.

The following criteria are used for student classification:

- |             |                                  |
|-------------|----------------------------------|
| ◆ Freshman  | Completion of Middle School      |
| ◆ Sophomore | Earning of six (6) credits       |
| ◆ Junior    | Earning of thirteen (13) credits |
| ◆ Senior    | Earning of nineteen (19) credits |

A student will not be promoted to the next grade level until they complete the required number of units of credit for advancement to the next grade. Advancement will occur at the end of either semester.

### Grading Scale

Hiawatha High School uses a building wide grading scale for all classes:

A+	97 – 100		C+	77 – 79
A	94 – 96		C	74 – 76
A-	90 – 93		C-	70 – 73
B+	87 – 89		D+	67 – 69
B	84 – 86		D	64 – 66
B-	80 – 83		D-	60 – 63
			F	0 – 59

P1 (60-69%) and P2 (70% and above) will be utilized in classes such as college courses (non concurrent), life skills and study skills.

Some classes may use a PASS or FAIL grade with administrative approval.

## Graduation Requirements

27 credits are required for graduation from Hiawatha High School. The following are the required courses.

English	4 credits	
Social Studies	3 credits	American History (1), World History (1), American Government (.5), Economics (.5)
Math	3 credits	
Science	3 credits	
Physical Education/Health	1 credit	
Practical Arts	1.5 credits	Financial Literacy (.5) & 1 additional elective  Practical Arts credit can be earned by taking courses from any of the following Departments: Business/Computer, Consumer Science, Health Science, Industrial Technology and Agricultural Science  Beginning with the class of 2023 Personal Finance is the only class that will meet the Financial Literacy requirement
Fine Arts	1	Can be earned by taking courses from the Music and/or Art departments

### Elective subjects to bring total to 27 credits

Students will be required to enroll in a minimum of eight credits for each of their four years. Any exception to this rule will be considered on an individual basis by administration.

Classes outside of HHS must be approved by administration prior to attending to receive HHS credit, for example: Pathway Certification courses, College Electives, Bahamas Trip, etc.

Any summer courses taken through entities outside of USD 415 do not go on the USD 415 transcript or count as credits toward graduation. If taken as a prerequisite for a class offered at Hiawatha High School, an official transcript from the institution will serve as evidence that that prerequisite has been met and will become part of the student's permanent district file.

Students will not receive high school dual credit for college courses taken from an entity other than USD 415 during the school year that are offered by USD 415. Nor do these classes fulfill the requirements for graduation from Hiawatha High School. For example, a student can not take College English online instead of taking it in the classroom. He or she is welcome to take College English online, but the student would still need to fulfill the requirement for a fourth English class in order to graduate.

All HHS class projects, i.e. Woods, Ag, etc, must be paid in advance.

### **Graduation**

Seniors should realize walking with their class at graduation is a privilege and not a right. Any student who is not in good standing or who doesn't meet graduation requirements at the time of graduation may not be allowed to participate in the graduation ceremony. Students must have all fees paid prior to graduation in order to participate.

### **Early Graduation**

A student entering into their fourth year of high school may apply for early graduation. The request must be in writing and include the application form, a letter from the student, and a letter from the parent, stating the reasons for wanting early graduation. All applications will be considered by the Board of Education on a case by case basis. Students granted early graduation may not attend prom, unless invited as a guest of a current HHS junior or senior. Students granted early graduation forfeit their ability to participate in school activities and/or athletic activities, and are ineligible for any athletic or academic awards.

### State Scholar's Curriculum

This program recognizes outstanding Kansas high school seniors. Designation by the Kansas Board of Regents as 'State Scholar' is based upon ACT assessment scores, the cumulative seventh semester grade point average, and completion of the Regents Recommended Curriculum.

The State Scholars Curriculum is the following:

English	4 credits (one per year)
Mathematics	3 credits <u>plus</u> one of the following: Trigonometry, Advanced Algebra, Calculus or College Algebra (Algebra I taken in the 8 <sup>th</sup> grade is accepted)
Social Studies	3 credits

Any student who completes the above curriculum will be designated as a 'Kansas State Scholar Curriculum Completer'. The following scores from the ACT assessment will be considered in the scholarship competition: scores from high school juniors who took the ACT test in February, April, or June and scores from high school seniors who take the ACT in October or December. ACT will automatically report the scores to the State Scholarship Program unless instructed not to do so in writing.

### Class Changes/Drops & Transfers

Students will have the opportunity to request class changes during the first four full days of each semester, which gives students two full class periods in each class before their schedule is final. Changes will only be considered for the following reasons and will be made at the discretion of the administration. Some changes may require parental approval.

- 1) There is currently a block in your schedule in which you have not been assigned to a class.
- 2) There is a class in your schedule which you have already taken and passed. Remember, there are numerous classes that you are allowed to retake such as band, creative writing, current events, etc.
- 3) You are a senior and you are missing a class required for graduation.
- 4) You are enrolled in a class in which you know you have not met the prerequisites. For example, you are enrolled in advanced art but you have not taken Art I and Art II, or you are in College Algebra but you have not met the qualifying placement test score.
- 5) You failed a required class that you must retake, and it is not on your schedule.

NO CHANGES WILL BE MADE TO ACCOMMODATE A PREFERRED LUNCH, CLASS WITH A FRIEND, OR TEACHER PREFERENCES.

After this Add/Drop Period, the administrator may approve a change due to extenuating circumstances.

### FINAL EXAMS

- **\*\*NO EARLY FINALS MAY BE GIVEN\*\***
- All students take final exams in all core classes (all required Math, English, Science & Social Studies classes)
- If a student is electing to take an overload final, they must notify that teacher by the day of review

If a student has to take a final 4A, they have to attend all 4A classes leading up to the final)
- Students can elect to take a final exam even if they are considered exempt. It can only help them.
- If a student takes a final 4th hour, they must stay for advisory.

- NO underclassman should be taking the final during the same time as the seniors!

**\*\*Administration reserves the right to make all final decisions regarding the final exams\*\***

## Student Regulations

### Attendance Policy

Parents need to notify the office when their child will not be in attendance. Please call between 7:30 and 9:00 am. If no notification of the absence is received, a call home will be made. When a student is gone from school, they will have to complete the work missed in class as determined by the teacher. Failure to do so within a timely manner will lead to no credit for the missed day.

If a student is absent more than three (3) days a semester with illness as an excuse, the administration may ask for a letter of doctor's verification.

Students must be in attendance at least ½ day to attend or participate in school activities that day/evening or the next day. An unexcused absence eliminates that student from any activities scheduled for that day.

**Any student who knows that they will be absent in advance for reasons such as vacation, college visits etc. must notify administration 3 days prior to being absent or the days will be unexcused.**

The principal has the final authority to determine if an absence is excused or unexcused.

### College visits

Each sophomore, junior, and senior will be allowed an excused absence(s) to visit a post-secondary college or university provided the student is a "student in good standing" and the following steps are completed:

- 1) Provide to the main office or counselor a confirmation of your scheduled visit that includes the exact date, time, and location of visit along with the completed Visit Permission Form. The visiting school usually sends an email confirmation once the appointment is set up. This must be turned in at least seven school days prior to the visit.
- 2) The student will then be given the Post-Secondary Visit packet to complete. This will include a sign-out form to have teachers complete at least two class periods prior to missing school, a form to be completed on the day of the visit, and a follow-up activity the student will submit to his/her advisory teacher upon return.

By following these steps, each year sophomores are allowed one post-secondary visit, juniors are allowed two post-secondary visits, and seniors are allowed three post-secondary visits. Any group visit organized by the school will count as one of these excused days as well.

**Attendance Definitions:**

<b>Tardy</b>	All students should be in class and seated (or in a designated area) with all necessary materials when the bell rings
<b>Excused Tardies</b>	are those excused by school personnel (with a note or phone call). Excused tardies will be given to students who are detained by school personnel for school-related business or are late to class due to unforeseen circumstances
<b>Unexcused Tardies</b>	are given when a student is not in class (or designated area) with all necessary learning materials when the tardy bell rings. Unexcused tardies will be documented by the classroom teacher as well as the office. If a student accumulates excessive tardies for the semester, the following penalties will result: <ul style="list-style-type: none"> <li>● A total of 3 unexcused tardies to a class in a semester will be equivalent to 1 unexcused absence.</li> <li>● 1-2 Student notified by teacher or office</li> <li>● 3, 4, 5 Parent contact, assigned 1 hour detention for each</li> <li>● 6 or more Parent contact, additional consequences assigned</li> </ul> *Students are expected to also keep abreast of tardies via Powerschool

**Late to School**

Any student who habitually reports to school late without a valid excuse will have their parents notified and will be subject to disciplinary action from the administration. Students late (marked "L") to first period more than once per nine weeks are not eligible for Red Hawk Rewards. Third time tardy to school will be considered an unexcused absence.

**Absence –**

Period- A student missing in excess of 1/3 of a class period (28 min.) will be considered absent for that period.

A student who has not attended at least ½ a day will not be eligible to attend or participate in activities without administrative approval.

**Skippping School –**

An absence when neither the school nor the parents know the whereabouts of a student shall be considered skipping school. No one will leave without making prior arrangements with the administration or the office. Any student who does so will be considered skipping. A student who has skipped school will receive zero credit for daily work for time missed with no opportunity for makeup. Students will be allowed to make up major work: i.e. unit tests, projects, and semester tests, which will be evaluated as "late" work with a 20% penalty.

\*\*Once a student arrives on school grounds they are to stay on school grounds unless they are given permission to leave, check out of the office, or the final bell rings to dismiss them. (This applies even before the first bell rings)

**Truant Student –**

A student who has skipped school or is unexcused for three consecutive days, or a significant part thereof; or five, or more school days in one semester or seven days in a school year, or a significant amount thereof, will be considered truant. The procedures of K.S.A. 72-1113 will be followed in reporting of a truant student.

**Significant Part of the School Day** – Fifty percent (50%) or more of the total class periods a student is required to be in school each day.

**Suspended Student –**

A suspended student is one who has been suspended in accordance to K.S.A. 72-8901, et seq. Students will be allowed to make up work which will be evaluated as “late” work. Suspended students are not allowed on USD 415 property or at any student/school events.

If the student is not satisfied with the ruling of the attendance committee, further appeals may be made with the principal, the superintendent, and finally, the Board of Education.

---

**General Guidelines****Teacher / Staff Authority –**

Students are under the authority of any teacher or staff member at Hiawatha High School at any time they are on the school grounds for classes, activities, or other school events. This applies to all school activities away from school grounds. Students are expected to follow the requests and directions of all staff in the building.

**Rules and Regulations –**

The administration and staff of each school may make rules and regulations necessary for implementing this policy and maintaining good discipline. Any rules or regulations made within a specific school building or property must not be in conflict with the policy set forth in the school handbook or adopted by the Board of Education of Unified School District 415.

**Use of Telephone –**

Anyone desiring to contact pupils may request them to call during their free time. Except in cases of emergency, pupils will not be called out of class to take phone calls. There is a student phone located in the office for all local calls. Student use of the office phones will be restricted. Teachers should not permit students out of class to use the telephone during class time unless it is an emergency. Students should not answer classroom telephones.

**Library Rules and Regulations-**

The library is an area set aside for the use of all students. Maintaining an academic study setting is of utmost importance. The library will be used for research, individual study, class activities, or reading. Students will be expected to have a pass from a teacher or the librarian before using the library. The librarian has the authority to deny privileges to students who cannot conduct themselves in the proper manner. Networked computers are available for student use in the library during regular school hours and academic nights. Payment for lost library books must be received before the student will be allowed to check out additional books.

## **Cell Phones**

Cell phones have proven to be both a major disruption to the learning process at our school and a beneficial learning tool. Because of this, students may have “silenced” cell phones and mobile communication devices on their person. By agreeing to this handbook policy, this would be your first and final warning.

The use of these devices during instructional time, including advisory, without the permission of the teacher, or in a disruptive manner in the school setting is prohibited.

Cell phones and mobile communication devices that ring, vibrate excessively, do not have them displayed in the proper manner, or in any other way disrupt the educational process of a class, are grounds for confiscation of the device by school staff or personnel. The first offense is punishable with 3 hours of detention. The second offense would be loss of privilege to carry/bring a cell phone into the school.

Students are only permitted to use cell phones and mobile communication devices in the hallways between classes. Use of such devices in classrooms will be restricted to educational purposes only with teacher authorization and violations will result in confiscation of the device. Each teacher has the right to permit the use of cell phones and mobile communication devices for instructional purposes. Teachers will clearly communicate their policy & expectations to students.

No student shall use a cell phone or mobile communication device to violate any Student Code of Conduct, including computer usage agreements, and/or bullying/harassment policies. Students may not connect to the USD 415 network with any of their personal mobile devices. Texting while walking through hallways is a safety concern and therefore prohibited. Phones are not acceptable in restrooms or locker rooms.

Examples of unacceptable usage can include but are not limited to: in hallways during instructional time, in restrooms/locker rooms, bypassing the nurse or attendance to leave school, cheating, cyber bullying, sexting, taking pictures or videos, using phones in places of school business, and etc.

Parents may be contacted to claim the student’s cell phone or other electronic devices from a school administrator.

Contents of cell phones may be reviewed and searched if there exists a reasonable suspicion that it may have been used in an activity prohibited by the Code of Conduct.

The student assumes all risks in bringing such devices onto school property or to school related functions. USD 415 is not responsible for lost or stolen items.

## **Transportation to Out of Town School Sponsored Events**

All school groups will be transported by district school transportation unless emergency circumstances are present and administrator approval given. In that case, any vehicles transporting students must be driven by a licensed adult. All participants on the trip will be expected to ride the bus to and from the event. A student may be allowed to ride home with their parent(s) provided that the parent(s) contact the sponsor prior to the trip and at the event when they are taking their child. Sponsors cannot give permission for a student to ride home from an event with another student’s parents. Violation of this policy will result in disciplinary action. Any deviation of this rule must be cleared by the administration in advance of the trip.

## **Early Release**

On occasion, administration may opt to enact early release. Early release occurs after attendance has been taken in advisement. The criteria for earning early release will be set by the administration and may include: grades, attendance, tardies and/or discipline. Students will be notified prior to the early release what the requirements will be.

### **Advisory**

Advisement is scheduled every day. All students will be in an advisement period with a teacher who will serve as their advisor. Students may use the advisement period to study, conduct research, or receive academic help from other teachers. Advisory time may also be used for social-emotional learning activities, individual plans of study work, student led conference preparation or any other administrator approved activities.

The teachers will help the student with career and academic planning, course enrollment and post-secondary exploration. Individual plans of study are an opportunity for students to plan and explore possible paths to future employment. The individual plan of study offers the student the chance to keep their own record of their high school academic and activity accomplishments. Students may also explore college opportunities, majors, etc. As well as locate and work on scholarship applications and ACT/ SAT prep.

Students are asked to get permission from teachers they need help from, in advance, in order to visit their class during this time. Students will also sign in/out of each location during advisory.

### **Road Map Wednesdays**

Advisement on Wednesdays will be from 8:15 a.m. - 9:00 a.m. instead of at the end of the day. Period 1 will begin at 9:05 a.m.. These ROAD MAP Wednesdays allow for an uninterrupted advisory period in which students are engaged in school-wide activities focused on Researching, Organizing, and Developing Meaningful Avenues for Progress. Activities include, but are not limited to, social/emotional growth lessons, college and career preparation, guest speakers, grade-specific activities, and others to enhance a student's Individual Plans of Study.

### **Extended Learning Day**

Students who are in need of academic assistance (as indicated by grades or credits) may be assigned to extended learning days from 3:30 to 4:30 pm at the discretion of the administration. Students who are academically ineligible during the semester automatically are assigned extended learning day. It is mandatory attendance and required for eligibility to be reinstated.

### **Guidance Center**

The school counselor is always ready to help you plan your high school program, develop your Individual Plan of Study as well as supply you with information on post-high school education and vocational opportunities. The counselor will work with you and your advisor on your career cluster and class scheduling choices.

If you have any personal or school problems which you feel you want to talk to someone about, feel free to contact your counselor to discuss the problem. Your problems will be dealt with in a confidential and friendly atmosphere.

The school counselor recognizes his/her primary obligation for confidentiality is to the student but balances that obligation with an understanding of the legal and inherent rights of parents/guardians to be the guiding voice in their children's lives. The professional school counselor informs parents/guardians or appropriate authorities when the student's condition indicates a clear and imminent danger to the student or others. The school counselor will attempt to minimize threat to a student and/or others. The school counselor will attempt to minimize threat to a student and may choose to 1) inform the student of actions to be taken, 2) involve the student in a three-way communication with parents/guardians when breaching confidentiality or 3) allow the student to have input as to how and to whom the breach will be made.

### **School Lunch Program**

Hiawatha High School offers a lunch and breakfast program each school day. This is a non-profit activity and is operated under the supervision of the state and national school lunch program. Students may bring their lunch from home or have the school lunch. There will be no fast food brought in for or by students. School lunch will offer a Type A school lunch. Students who have charged the maximum allowance will be provided an alternate meal of a sandwich and milk. A la Carte or extra items must be prepaid.

Lunch periods at Hiawatha High School are closed. Students must keep in mind that the use of the lunchroom is a privilege and not a right. Abuse and improper conduct by a student could result in that student being denied access to the lunchroom. Each student is asked to cooperate in helping make the lunchroom a pleasant place to eat.

Any students with special dietary needs are to contact the office so that the necessary arrangements can be made. A letter from a family physician will need to accompany the request.

Senior Lunch Refund--Any senior with less than \$1.00 or less in their lunch account will not be refunded. It will be pooled and distributed at administration discretion.

**Guests and Visitors**

Any outside guests and visitors to the school must first check in with the main office and receive a visitor's pass before entering any other part of the building. The administration reserves the right to prevent any unauthorized persons from entering the school building or being on school grounds without permission from school officials. All guests/visitors are asked to get prior approval before coming to the school.

**Family Night**

### **Student Activities**

Hiawatha High School offers a wide variety of extra-curricular activities for students. Several organizations and clubs are available in most student interests. Also, Hiawatha High School offers interscholastic athletic and activity programs as a member of the Kansas State High School Activities Association and the Big Seven League.

A school activity policy book with the regulations governing participation in Hiawatha High School activities is available. Questions regarding activity participation and policies should be addressed to the Activities Director.

### **School Eligibility**

“Student in good standing” – Reflects the KSHSAA guidelines – except that it will also apply to the current season and to spectators as well as participants. Students must have passed 6 classes during the

previous semester to be eligible for the current semester. In addition they must currently not have more than one failing grade to participate in practices, games, dances, and all other extracurricular activities. Students enrolled in computer-based or virtual courses must also be making adequate progress toward completion (equivalent to 50% complete at midterm for year long courses and 25% complete at quarter for semester long courses). Students with pending discipline issues, suspensions, and unresolved detention time or attendance issues are not to be considered "In good standing" and may not attend or participate in any school activity or function without direct administrative approval (in advance).

- Eligibility will be determined on a weekly basis.
- Students who are academically ineligible **must** attend extended learning day. Attendance and proper behavior at extended learning day is required before eligibility will be reinstated.
- STUDENTS WHO ARE CONSIDERED INELIGIBLE OR NOT IN GOOD STANDING MAY NOT ATTEND OR PARTICIPATE IN EXTRACURRICULAR ACTIVITIES.
- Being found in attendance will result in further disciplinary consequences.

### **Inappropriate Conduct Outside of School**

Participation in extracurricular activities and events are a privilege for students of USD 415 schools. Appropriate conduct should occur not only while in attendance at school but also while a member of society. Any student who has been formally charged with a felony crime will be deemed not in good standing and ineligible for attending and/or participating in all extra-curricular activities.

### **School Dance Regulations**

All dances at Hiawatha High School are for the enjoyment of currently enrolled HHS Students. Outside guests may be invited by a student with prior approval by the administration. For dances other than prom, outside guests must be a high school graduate from an accredited school or currently enrolled in another high school in ninth grade or above and may not be older than 20 yrs of age. School dropouts and middle school students are not allowed to attend. Students who bring a guest are responsible for the behavior of their guest. All guests to a dance are subject to administrative approval – The administration reserves the right to refuse entry to any and all guests at their discretion. Entry to the dance will end one hour after the posted start time, unless prior arrangements have been made with the administration. A student may leave the dance before the end but will not be allowed to return. A student must be a junior or senior in order to attend Prom. Outside dates to prom may not be older than 20. Freshman and sophomores may not attend prom. Any student attending any dance must be a student in good standing and considered eligible. In order for HHS students to attend a dance, they must be present the day of the dance or the day immediately preceding the dance.

### **Alcohol Detecting Device**

Alcohol use by a student is illegal and poses a serious threat not only to the student's own safety and well-being, but also to the safety and well-being of the entire school community. Therefore, alcohol use by students will not be tolerated during school hours, on school property, or at any school-sponsored event or activity during or after school hours. When determining whether or not alcohol has been used or consumed by a student at a school-related function, or whether they are intoxicated, the safety of the student involved and the safety of other students, school staff and members of the general public, are the school district's primary concerns.

If a supervising administrator believes that a student has used alcohol based on the observation of behavior, lack of coordination, or smelling alcohol on the student's breath, he or she may take action to confirm the suspicion. An assessment of a student's possible or suspected alcohol use may be aided by utilizing breath alcohol testing devices, such as breathalyzers, which indicate the presence or absence of alcohol in a person's system. The intended purpose of having breath alcohol testing available is to prevent alcohol use by students. Any student who is determined to be under the influence of alcohol will be dealt with by the sheriff's office according to the law. That includes the possible issuance of a criminal citation, transportation to the County Jail for processing, and later court appearances, as other possible consequences.

## **Election to School Offices and Royalty**

### **King and Queen Candidates**

In order for any student to be considered for candidacy in the Fall Homecoming, Winter Homecoming or Prom courts, no significant discipline actions against the student may have occurred during the Junior and Senior academic years. Significant discipline actions are considered discipline resulting in In-School Suspension, or Out-of-School Suspension. Candidacy can be revoked at any time at the discretion of the school administration.

In order for any student to be considered for candidacy in the Fall Homecoming, Sweetheart, or Prom courts, a student must meet the requirements of a student in good standing as of the Monday of the week candidates are selected by student vote. A student in good standing is defined in the student handbook as a student with no significant discipline problems, no outstanding detentions, no attendance issues (including excessive tardies), and must be currently passing a minimum of six classes.

Selection of the Male and Female Candidates: Given appropriate circumstances, the list of possible candidates who meet the requirements will be collected and adapted for a vote taken by the student body and will occur two Thursdays before the specific event. All possible candidates will be separated by gender and listed on the ballot. Each voter will select three names of each gender as representatives of the court. Once all the votes have been made, a tally will occur as counted by the Student Council Sponsor and the top three male and female vote getters will be submitted to the principal, as the Court of the current event, for approval. Announcement of the candidates will be made at least one week prior to the event for publicity purposes.

Selection of the King and Queen: Once candidacy has been met, a final vote by the student body will occur the Thursday before the specific event. Each voter will be presented with the three male and female candidates, and may select only one per gender as representative of the school. Once all the votes have been made, the Student Council Sponsor will tally the votes and present the findings to the principal for approval. The King and Queen vote will remain with the principal and kept secret until the announcement of the winners at the appropriate event and time.

\*The school administration reserves the right to remove any candidate, after candidacy has been established, for actions un-becoming a school representative including but not limited to school discipline, rules violations, academic reasons, non-school related incidents involving law enforcement, etc....

### **Discipline Policy**

Hiawatha USD 415 and Hiawatha High School believe that discipline is a process to teach, model, and use appropriate strategies to reinforce the behaviors necessary to ensure a safe and productive learning environment by changing unacceptable behaviors to acceptable behavior.

The staff at Hiawatha High School believes that:

- Teaching and learning of the intended curriculum for all students is the highest priority. Therefore, the misbehavior of one student . . .
  - Will not be allowed to interfere with the learning opportunities of another student.
  - Will not be allowed to interfere with the teacher's responsibility to teach all students.
  - Will not excuse the misbehaving student from completing the learning objectives.
- Acknowledging and reinforcing appropriate behavior is the best way to achieve change.
- In handling of unacceptable behaviors, the focus will be on judging the behavior of a student, not on judging the student.
- Parents have a responsibility to ensure their children's behaviors do not take away from a safe and productive learning environment for others.
- Staff will handle all discipline situations in a professional manner.
- Self-discipline is the expected outcome.

The following expectations are shared by our staff:

- Students and staff will demonstrate self-respect, respect for others, and respect for their environment.
