

**Childress ISD**  
**School Health Advisory Council/Wellness Committee**  
**April 12, 2019 at 4:00**  
**Childress ISD District Support Center**

**Call to Order and Welcome**

Sarah Mills called the meeting to order at 4:00.

**Documentation of Attendance**

**Approval of Minutes from February 12, 2019**

**April Menus**

Menus for April were distributed.

**Summer Feeding**

Tracee Herbstritt discussed summer feeding. The only location that will be offered this summer is the elementary cafeteria. Participation at the other locations has been minimal the last two years. They will be providing a time for students to participate in games and the opportunity to wind a Fitbit Alta at the end of the summer feeding window.

**Open Discussion/Questions**

The EKG screening took place a few weeks ago and we ended up having a good turnout of about 40 students and staff.

Shelly Preston asked what the possibilities were of having our nurses give flu tests in their office instead of students having to go to the clinic to get tested and face potential exposure. Sarah Mills explained that it would have to be done in conjunction with the Telemedicine service offered by the clinic and that we currently don't have a Telemedicine up and running. We are looking into getting things set back up for next year.

**Closing Comments/Adjournment**

The meeting was adjourned at 4:18.
