Childress ISD District Support Center

Approval of Minutes from February 6:

Members reviewed minutes from February 6. Jill Teran made a motion to approve and Shelly Preston seconded. All voted to approve the minutes.

May Menus:

May Menus were passed out.

Summer Feeding:

Tracee Herbstritt talked about the upcoming summer feeding. The program will look very similar to last year. There will be two locations: Manor Apartments and Childress Elementary. Summer feeding will run from June 4 - July 6. Students who attend will have their name entered into a drawing to win prizes.

Shelly Preston invited Tracee to put up a booth at the last Family Fun Night since it is a Health Fair. It will take place on May 1 from 6:00-7:00. Tracee agreed that would be a great opportunity to promote the Summer Feeding Program.

First Aid Training:

The seniors participated in CPR training the past two days led by Gerardo Garcia. Gerardo will be training the staff in August on the program Stop the Bleed. Each classroom and office will receive a first aid kit at that time.

Basketball Goals at Elementary:

TPO has purchased additional basketball goals for the Elementary gym. They have all been installed and PE classes are beginning to use them.

Open Discussion

Jill Teran mentioned that she will be teaching a new class next year: Family and Community Service. This course will help students complete the Human Services Endorsement. She asked for ideas of service projects that the students could participate in. Ideas such as cleaning up Gazebo Park, candy striping at the hospital, organizing the Food Pantry, and helping with the CWC diaper drive were shared.

Names were requested of people who might be interested in serving on the SHAC/Wellness Committee next year.

The Meeting adjourned at 4:30
