Summer Feeding Program:

- Tracee Herbstritt spoke to the SHAC committee regarding the Summer Feeding Program:
 - There will be 2 locations this year - Childress Elementary and Manor Apartments. -This year the program will be done Monday through Thursday and only be done during the month of June due to very little participation in the month of July in 2016.
 - Hours of the program will be: Manor Apartments 11-11:30 AM and CES - 12-1PM
 - There will be prize drawings in order to give the kids incentive to come with the big prize being a fitness watch. All prizes will be fitness related.

School Calendar 2017-2018

- School calendar was presented but there are 2 bills pending in the Legislature that would push the start date to the 4th Monday of August or possibly the Tuesday after Labor Day for all schools, even Districts of Innovation.

Fitnessgram

- Melanie Latimer stated she sent home reports to parents this year for 3rd-5th grades with their 5th Six Weeks report cards. She also made similar reports for the younger students. If students were not in the fitness zone recommended, she provided suggestion to get healthier.

Next Meeting

- The SHAC committee will meet again the week of May 22-26.
