Consideration to Hire Part-Time Math Teachers

Superintendent Klasna informed the board the late resignation from the math teacher put the district in a tough spot. We have two individuals willing to help until the position is filled. They will be emergency authorized with OPI and both positions will be .322. Joanne Casey is recommended cover Algebra II. She is a retired math teacher from Vermont with thirty-seven years of experience. Trustee Fanelli made a motion to hire Joanne Casey as presented. Trustee Jenkins seconded the motion. The board asked how we were managing the other courses. Superintendent Klasna said we have another person to be recommended for Geometry, Wendy McKitrick will take Pre-Calculus and Calculus which just leave edgenuity for consumer math. Chairman Stone called for the vote. All members present were in favor.

Carly Teska is recommended to cover the geometry classes. She is a project manager with a degree in bio/mechanical engineering. She has a strong math background. She has no teaching experience but has tutored students in high school and college. Trustee Bills made a motion to hire Carly Teska as presented. Trustee Fanelli seconded the motion. All members present were in approval.

### Discussion on Bond Schedule Strategies and Outreach

The board discussed messaging and a schedule for getting bond materials to the public. Discussion included how to present it to the community, less material on the brochure, be consistent on all materials, focus on safety, condense the pillars, focus on assessed value not what a house sells for, add a quote from the board, show the board listened to the taxpayers, show entire board supports the bond, focus on education, mail brochure early September and postcards in October, make the message clear, attend community meetings, boards in fewer locations, no FAQ sheets, use QR code for conceptual designs, hold contractor meeting-so they know they can be part of bid packages, take out ads in the Madisonian, meeting in Big Sky, info on website and Facebook page, get brochures out before attending meetings and events, etc.

As there was no other business for the attention of the board, the special meeting was adjourned at 7:59 p.m.
