**2019-2020 School Year
Grade 11
IROQUOIS JR. ~ SR. HIGH SCHOOL
ADVANCED PLACEMENT AND ELECTIVE CREDITS WORKSHEET**

For college-bound students, IHS offers advanced placement classes designed for students who demonstrate a high level of interest, aptitude and prior success in the subject matter. AP classes also give students an opportunity to experience college-level academics while in high school. Please reference the attached sheet on math and science pathways and AP course offerings as a guide in helping you plan your course selections. All classes except core classes will be scheduled based upon student interest. Offerings will be subject to change upon availability.

Most juniors will be scheduled into the following: Health 11 and Personal Finance for a full year, A or B day. Advanced students are then given an opportunity to schedule their four core courses (English, math, science and social studies) and electives totaling two credits from the list below. COURSE NAME WITH *=WEIGHTED COURSE
