 ADVANCED PLACEMENT AND ELECTIVE CREDITS WORKSHEET

For college-bound students, IHS offers advanced placement classes designed for students who demonstrate a high level of interest, aptitude and prior success in the subject matter. AP classes also give students an opportunity to experience college-level academics while in high school. Please reference the attached sheet on math and science pathways and AP course offerings as a guide in helping you plan your course selections. All classes except core classes will be scheduled based upon student interest. Offerings will be subject to change upon availability. Most seniors will be scheduled into the following: P.E. elective of their choice for a full year, A or B day. Advanced students are then given an opportunity to schedule their four core courses (English, math, science and social studies) and electives totaling two credits from the list below. COURSE NAME WITH *=WEIGHTED COURSE
