Steve Basnight, Superintendent
Hyde County Schools

Dear Steve Basnight:

I wanted to inform you that your Child Nutrition Director, Mamie Brimmage spent 100% of the federal entitlement funds allocated to your school system in the National School Lunch Program for the **2018-2019 year**. This relates to them ordering all the USDA Food that was available for them to order. I wanted to commend them on achieving this task.

Congratulations and we wish you and your staff the very best in the coming year!

Sincerely,

Gary W. Gay
