5. How does your project apply to your life outside of school? What makes this project important to the community/world around you? (At least two reasons)

1. It will help me learn how to start and finish a project.
2. I may own one in the near future and want to know how to care for it.

6. List a minimum of three different and specific (title, dates included) types of resources you will use. At least one of these must be a community expert and/or a primary source for presentation projects.

1. Books
2. Internet
3. National Geographic Website
4. Megan
5. Cousin who owns a ferret
