June 29, 2022

Parents/Guardians:

At the June 27, 2022 USD 330 Mission Valley Special Board of Education meeting the Board voted and approved (5-2) to move forward to create an athletic cooperative agreement with Cair Paravel Latin School in Topeka for the purpose to allow Mission Valley High School students to join the Cair Paravel boys and girls soccer teams.

This opportunity is for any female or male student at Mission Valley who is eligible to compete at the high school level (9th, 10th, 11th, or 12th grades) in KSHSAA sponsored activities. At this point we are trying to gather information of how many students are interested in participating on the Cair Paravel soccer team.

Those interested need to email Mr. Packard by July 6th at bpackard@mv330.org

We are working to figure out the exact details but here are things that you might want to know:

*Boys Soccer (Fall Season 2022)

*Girls Soccer (Spring Season 2023)

*Must have a current physical and be a student in Good Standing according to KSHSAA

*Be responsible for personal transportation to and from practices and games

*Follow USD 330 Mission Valley rules and guidelines regarding student transportation like athletes who currently drive to and from baseball/softball practices

*Be required to pay a participation fee to Cair Paravel (\$180.00 estimated)

*Follow eligibility requirements of USD 330 Mission Valley

*Follow Random Drug Testing Policy of USD 330 Mission Valley

*Athletes will not be permitted to leave school early to attend practices at Cair Paravel.

*Athletes will be permitted to leave school early to attend games

*Athletes choosing to dual sport will still be required to follow the USD 330 Mission Valley dual sport guidelines

Respectfully,

Bill Clark
