

USD 330 will be providing a free dental screening on 2/23/23 to all students enrolled in compliance with Kansas State Statute 72-5201. All students will be screened unless the parent/guardian does not want the child to participate. Oral health is an important part of children's overall health, and is a critical component in the child's ability to learn and succeed in school. If you wish to opt out of the screening, please fill out and return the form at the bottom of the page by 2/10/23. If your child does participate, a copy of the results of the screening will be sent home with the child.

If you have questions feel free to email me at jmarcotte@mv330.org

Thank you for your cooperation!

Sincerely,

USD 330 School Nurse
Josey Marcotte, RN
