

Iola-Scandinavia Middle School Supplies:

One of the most important skills students will learn is how to be organized. Each student is required to have the following supplies for middle school:

- 7 folders(single color-one for each class)
- 7 **one subject spiral** notebooks – standard size, college or wide rule, one color
  - Suggested choices:
    - Science- Solid blue
    - Comm Arts- Solid red
    - Social Studies- Solid green
    - Math- Solid yellow
    - Language Arts - Solid purple
    - Remaining notebooks: any color other (or design) than those listed above
- 1 folder with prongs for inserting 3-hole punched papers (Spanish Class)
- Pens/pencils
- Pen/pencil pouch
- 12 pack of colored pencils
- 2-3 highlighters
- Protractor
- Ruler
- Erasers
- 100 Index cards (3"x5", any color, lined or unlined)
- Scientific calculator
- Gym shoes that tie, change of clothes, shampoo, soap, deodorant, and towel for PE

It has been determined that a same color folder/notebook combination for each class works the best. Students are encouraged to take one folder and the matching notebook to that particular class (IE: Red notebook and red folder to Communicative Arts; blue folder and blue notebook to Science class). This will eliminate placing important documents in the wrong folder or writing in the wrong notebook.

*You are encouraged* to purchase additional supplies for use during the second semester or as replacements when they are available and inexpensive. Folders usually last approximately one quarter and notebooks generally last approximately one semester before they are badly battered and need replacing.

An agenda book will be issued to students on the first day of class. It is expected that students will keep this book intact for the entire school year. Students will use it to keep track of daily assignments. If it gets lost/damaged during the school year, it is expected that students will purchase a new one.
