Briefly describe any academic honors you have earned in the past. (perfect attendance, honor roll, spelling bee champion, UIL, etc)

Please use this space to list any extracurricular, personal, or volunteer activities that you participate in through school or an outside organization (basketball, boy scouts, dance, karate, church groups, etc).

Why are you interested in the STEA²M Academy? Please explain in detail.

What are your future academic goals, and interests?

What type of student do you consider yourself? (grades, studying, personality, etc.)

Challenge: Pick one of the challenges below and write out your solution and draw a picture below!!

A. Your new kitten is trapped in a 10 foot deep hole! Design a contraption to safely remove the kitty.

B. You are going on vacation for a month and can't find anyone to feed Kitty while you're gone. You need a device that will provide Kitty with just the right amount of food and water--not too much and not too little.

C. You really want to finish that awesome new book you were just given to read before you go to sleep, but you don't have a bedside lamp. Kitty doesn't seem eager to help you solve this problem, so you need to figure out a way to turn off the light switch across the room without having to get out of bed. (You can assume you are in your own bedroom for layout purposes.)

Draw your solution   **Write out solution**
