Mr. Richard Stillson
Assistant Principal
Mr. Brett Sanders

Welcome Back from Superintendent

We welcome you to Tipton Community Schools. Whether you are a returning family to Tipton schools, or new to our school system, we welcome you.

With the start of a new school year, we do have some new faces – not only with students, but with staff members as well. We did have some staff members retire at the end of last year: Mrs. Thompson and Mrs. Koss from Tipton High School, and Mrs. Fettig, TCSC’s Librarian. They will be missed and we wish them the very best in this next stage of their lives. Some staff members have taken new positions in other school corporations. With this loss also comes new opportunities. New staff members have been hired to fill this void. While the new faces will be getting use to their new surroundings very soon, we will wait and introduce all of them in the next newsletter.

We are excited about welcoming two new administrators to TCSC. Mrs. Kikta has been named as the Principal of Tipton Middle School. Mr. Clark has assumed the duties of Director of Student Services. Mrs. Dicken has been named as Assistant Principal of Tipton Elementary School. Miss Heaston retired at the end of school last year.

We are excited about other changes that are taking place this year. We congratulated and said our goodbyes to the 131 seniors last spring as they began their next stage of life. We now welcome our incoming preschool and kindergarten students as they begin their education with us.

Our custodial staff has done another outstanding job of cleaning the schools for our students’ arrival this year. We are excited about the renovation of Tipton High School’s Weight Room - not only helping our student athletes, but also promoting wellness and fitness for all students.

Tipton schools offers a wide range of extra-curricular activities for students, with eSports being the latest addition. We hope students will take advantage of these activities and become involved in their school. We also hope that everyone comes out to watch and support our students in athletic competitions, band and musical performances, and the many other clubs and activities where students display their talents.

We invite everyone - parents, students, staff members, and the community - to always work together to help make sure every student at Tipton is successful.

Follow TCSC on Facebook and Twitter as well as the individual schools.
**INFORMATION**

**August 5th-7th** - TMS Rocks is the orientation session for incoming sixth grade students will be held at the middle school. (Students only attend one day)

**August 6th** - Walk-In Registration will take place in all buildings from 2:00 PM to 7:00 PM. Parents can, and are encouraged to register their children online. Online registration will be available on July 30th.

**August 7th** - Parent meeting for incoming sixth grade students

**August 7th** - The Blue Devil Kickoff is the orientation session for incoming freshmen. Sessions will start in the high school cafeteria and will last from 9:00 – 12:00.

**August 8th** - First day for staff

**August 9th** - First day of school for students!

**TRANSFER STUDENTS**

Tipton Community School Corporation has many outstanding programs and opportunities for students that are enrolled in our schools. TCSC does accept students not residing within the boundaries of the school corporation to take advantage of these opportunities. Anyone who currently does not reside within the TCSC boundaries and would like for their children to attend Tipton schools may apply for admission - tuition free. Application materials are available on the school corporation’s web site at www.tcsc.k12.in.us.

School corporations are now required to establish the number of transfer students the school corporation has the capacity to accept and to establish a date by which transfer requests must be received. All transfer requests that exceed the available openings in a particular grade level will be subject to a lottery drawing to determine the accepted applications. If requests received between July 1 and July 27 exceed the available openings, a lottery drawing will be held from those requests to determine which requests will be accepted. If a drawing is necessary, it will be held during the Board’s regular meeting scheduled for August 13. Additional transfer requests will continue to be accepted only if openings are available for the given grade level.

**TRANSPORTATION**

The *Ride Guide* is an informational booklet for students and parents outlining some simple rules and guidelines students are expected to follow when using the school bus. These rules were developed with the students’ safety being first and foremost. When the students and bus driver work together, they should expect a safe and orderly way of traveling to school ready to learn. The *Ride Guide* will be distributed by bus drivers during the first days of school and is available on the corporation’s web site.
SCHOOL SAFETY

School safety continues to make the headlines throughout the country. It always remains as a top priority for TCSC.

We congratulate Mr. Sanders, Mr. Leach, and Officer Maddox for successfully completing their certification as School Safety Specialist through the Indiana Department of Education. They, along with the other TCSC Administrators, will maintain this certification by attending additional training this year. This training involves learning about best practices from state and national leaders in school safety. Many of these best practices are in place at Tipton.

Tipton’s School Safety Specialists work closely with our local city and county police force and Tipton County Emergency Management. Communication is open and ongoing as we work together to provide a safe environment for our students and staff. Local law enforcement often stop by to walk through the buildings.

TCSC, in partnership with the City of Tipton, has a School Resource Officer (SRO) on the school sites every day when school is in session. He is present, working to develop a positive relationship with students. He will help with major issues, but will mainly be on site to give reassurance to students and staff.

Tipton schools have tighten security of their doors in recent years. Each school has one main entrance for visitors to enter. These doors have electronic locks that requires visitors to identify themselves before gaining entry. All other doors remain locked at all times. Beginning with the 2019-2020 school year, TCSC will be using the Raptor Visitor Management System. This system will screen and track everyone coming into our schools and keep unwanted entrants out. The Raptor Visitor Management school security system screens for sex offenders, alerts staff of custody violations, and provides districtwide reporting for all visitors.

Last year, Tipton schools received six handheld metal detectors that were provided by an initiative from Governor Holcomb. We will schedule safety drills using these tools to help staff and students know what to do when they are used. Plans have been developed by the School Safety Specialist and SRO on how these devices are used.

Our most important and reliable resource we have for school safety is our people. It takes students, staff, parents, and community members to help keep everyone safe. The phrase is “See something, say something.” There are many incidents that do not make the news because tragedy is prevented when someone who knows something, says something to authorities.

TIPTON ACADEMY

TCSC is pleased to announce the inaugural year of the Tipton Academy. The Tipton Academy’s purpose is to improve community engagement by creating a team of ambassadors who will learn from, provide input to, share TCSC’s message, engage others and grow in numbers over time. The academy will expose participants to all facets of running a school corporation including business management, academic programs, student services, operations, etc. They will gain first-hand, “behind the scenes” knowledge of how school corporation functions, experience the learning style used by students, participate in an extended dialogue with leadership, develop an understanding of how Tipton schools has created a unique culture of educational excellence, and share TCSC’s message with others.

The academy will meet monthly beginning in August. The 2019-2020 class of the Tipton Academy includes: Christy Conaway, Ken Ehman, Stacey Hare, Dennis Henderson, Lori Hoback, Kassey McQuinn, Terri Newcom, Michelle Owens, Toby Ripberger, Amber Rodibaugh, Kegan Schmiker.
EventLinks

A new service that TCSC will be offering parents and community members is through EventLink. EventLink is the calendar application used by the schools’ athletic departments. Now, all events for the schools and the school corporation will be on the EventLink calendar. Eventlink gives parents, students, and community members access to every event on their school’s calendars. With instant alerts through email and text message, you will always be in-the-know with what’s going on in your school community. Eventlink provides the school an all-inclusive, easy-to-use scheduler that syncs the school’s main office and athletic department calendars. This convenient tool helps with scheduling event details and notify our school community of changes quickly and accurately.

Parents will be able to subscribe to which events that want to see and kept informed about - not only athletic events but also the different school clubs their child(ren) may be involved. You can download EventLink.

Our financial services all have one common characteristic: the community minded approach. A commitment to this community, that’s a difference you can count on.

- eLearning Dates 9/16/19, 11/8/19, 2/3/20 and 4/17/20
- Spring Break starts on Friday, March 27, 2020
- THS Graduation Date set for May 30, 2020 at 11:00 AM

**YouTube Channel**

Tipton Community School Corporation has a YouTube Channel. Watch, Learn, and Enjoy! Be Sure to SUBSCRIBE & Hit the Bell Notification to stay up-to-date. Current Uploads, Playlists, and More! #TiptonPride

https://www.youtube.com/channel/UCdaa77Kp_tXjhSc6VnkdHpg
The Tipton Community School Corporation is proud to announce Melissa Kikta as the new middle school principal.

After graduating from Purdue University in 2008 with focuses in Chemistry and Education, Melissa Kikta began her teaching career as a middle school science teacher for Noblesville Middle School. In 2012 she began gaining administrative experience as the science department chairperson for Noblesville High School. Mrs. Kikta’s innovative educational philosophies, curriculum planning, instructional coaching responsibilities, and teacher support initiatives are geared toward increasing student achievement and promoting a positive school climate.

Melissa is passionate in her belief that all students can be successful when given a positive learning environment and surrounded by a team of committed and focused professionals, a supportive community, and an informed and involved family.

On a personal note, Melissa comes to us from a farm family background and graduated from North Montgomery High School. While growing up, she was a 10 year 4-H member who focused on livestock, woodworking and crafts and was crowned the 4-H queen in 2004. At North Montgomery, Melissa was involved in theater, athletics, and community service organizations. Melissa celebrates her 13th wedding anniversary this month to Josh Kikta, a U.S. Marine Veteran and now IT Manager with Liberty Mutual. Melissa and her husband have 3 young boys ages Mikko (8), Zeke (6), and Heikki (4). The older boys will be attending Tipton elementary this fall.

Mrs. Dicken is a graduate of Ball State University (BS) and Indiana Wesleyan University (MS). She has been in education for 12 years, teaching in grades 6, 3, 2, and Kindergarten. Her most recent position was a 2nd grade teacher at Noble Crossing Elementary in Noblesville. During her teaching career and principal internship, Mrs. Dicken has served in a number of leadership positions such as leading PLC guides, working with EL teachers, and grade level chairperson. As a second grade teacher, she focused on goal-setting and individualizing instruction through small group and conferencing.

Mrs. Dicken is a graduate of Tri High School (South Henry School Corporation) in Straughn, IN, where she also spent seven years teaching 2nd/3rd grade at Tri Elementary and served as a literacy coach. While at Tri, Mrs. Dicken coached tennis, started a summer reading program, and piloted the school’s move to one-to-one computing.

Tipton Elementary School is excited to bring Mrs. Dicken’s “passion for learning, leading, and helping others” to our school.
WEATHER CLOSINGS AND DELAYS

With winter weather and the possibility for school closings seemingly far away, the chance for early morning fog in late summer is very real. When a delay is called, there are always people who question why the decision was made. Though this is a decision that requires careful consideration of what is the best and safest outcome for the majority of students, there will always be exceptions.

All parents will be notified of school closings, early dismissal or delays through Thrillshare via phone calls/text messages. Below is a complete listing of radio stations and television stations that will receive notification from Tipton Community School Corporation.

RADIO:
WWKI (100.5 FM), WERK (93.5, 96.7, 100.5, 101.7, 104.9 FM & 1240 AM), WIOU/WZNZ, and WSHW

TELEVISION:
Channels 4, 6, 8, 13, & 59

ANONYMOUS TIP LINE FOR SCHOOL SAFETY ISSUES

From Susie Ragan-Walsh, RN, Tipton Community School Corporation Nurse. All students entering Kindergarten, 6th grade, and 12th grade at the start of the 2019-20 school year MUST have their vaccinations complete before the first day of school. In accordance with Indiana State law, students will NOT be able to attend school until their vaccinations are complete. Be sure to schedule your appointments soon with your primary care physician or the Tipton County Health Dept. at 675-8741.

NEW STUDENTS

Students new to Tipton Schools must be accompanied by a parent or guardian during registration. Please bring a copy of your child’s birth certificate, immunization records, and proof of residency. Immunization records must be on file with the school before attendance will be allowed. Students who are living with adults other than their parents will be required to have court documents detailing legal guardianship before enrolling.

CAFETERIA LUNCH PRICES

Those prices are:

- Elementary School Lunch: $2.50; Reduced: .40
- Middle School Lunch: $2.60; Reduced: .40
- High School Lunch: $2.90; Reduced: .40
- Breakfast: $1.50; Reduced: $0.30
- Adult Breakfast: $2.35
- Adult Lunch: $3.51

TCSC’s cafeteria lunch prices for 2019-2020 have been established

Free and Reduced Lunch Applications are available. If your family needs an application, please contact Mrs. Amy Phillips at aphillips@tcsc.k12.in.us or 765-675-2147. This application will need to be turned in as soon as possible.

As always, if you ever have questions about the cafeteria or your student’s lunch account, please contact your child’s school secretary or teacher.
Tech to School

iPads & Macs for Education

Tipton Community School 1:1 Learning Initiative

Tipton schools provides one-to-one computers for students. The one-to-one laptop program provides students with individual laptops (Macbook Air Laptop) in addition to their existing curriculum in an effort to equip students for the advancing 21st century skills and provide them with necessary computer technology skills. One-to-one laptop programs give students the opportunity to be educated in a technology advanced environment which gives the students an opportunity to grow and develop skills that will prepare them for their future.

For the 2019-2020 school year, this program will continue to provide laptops to students in grades 5 through 12. In addition, students in grades 2, 3 and 4 will be using iPads. **All computers and iPads will be distributed to students on their first day of classes.** Mobile labs of iPads are available for students K-1.

More information about the one-to-one program can be found on the school corporation’s web page at [http://tiptonscsin.apptegy.us/o/tscs/browse/22562](http://tiptonscsin.apptegy.us/o/tscs/browse/22562) (Menu > Departments > Technology) Documents include handbooks for use of laptops and iPads, as well as forms requiring signatures - TCSC Laptop Agreement and Internet & Network Safety Agreement.

**Securly Internet Filter**

The new Securly web filter that was implemented during the second half of the 2017-18 school year provides a secure filtered Internet connection for students both at school and away from home. Parents should expect to see a weekly email detailing the content their child has been accessing from their school provided laptop. To receive access to their full online activity history, you can enter the free Parent Portal. If you do not wish to receive the weekly email from Securly, simply click unsubscribe in the bottom left corner of the email.

To enter the Parent Portal, click on the “go to my parent portal” link, or the “sign up” link at the bottom of your weekly email. You will be asked to check two boxes and then click “Yes, please set up my account.” Once you do this, you will receive an email with login and password information. After you set up your account, you can enter the Parent Portal at any time by going to www.securly.com and clicking on “login.”

The Parent Portal contains three categories on the left from which you can choose: 1. Activity (shows a real-time audit trail of your child’s online activity) 2. Flagged (shows posts made on Facebook, Twitter, and Google+ that have been flagged by Securly as potentially related to self-harm or bullying) 3. Settings (allows you to control content on the device at home only)

If you have any issues with Securly emails or the parent portal, email Securly support at: help@securly.com

---

**Google Classroom Access**

Google Classroom is a service that teachers use to manage the content in their classrooms. It streamlines the process of sharing files between teachers and students. At Tipton, each student in grades 6 - 12 has an account on Google Classroom. It is important that parents are able to access the information that is posted on Google Classroom. The easiest way for parents to be engaged in Google Classroom is to have their child provide them with their login credentials. If a student doesn’t know their information or isn’t willing to share, parents can contact their child’s school office and arrangements can be made.

To help parents, the following is information to help them access and become involved in how their children are using technology at school.
WELCOME CLASS OF 2023
TO TIPTON HIGH SCHOOL

Mr. Rik Stillson, THS Principal, is excited to welcome the class of 2023 to Tipton High School. When the freshmen come to school this fall, THS staff will work to assist them in making the transition from middle school to high school a smooth one. All freshmen can participate in the Blue Devil Kickoff, on Wednesday, August 7 from 9am - noon. Students can register in the office any time during the summer up to the day of the event. This one-day orientation is led by teachers and students. The incoming freshmen will take a tour of the building and through their individual schedules. They will also go over the plan for their first day of school. This is intended to make the first day less stressful for them.

WORK ETHIC CERTIFICATE

Tipton High School is proud to be offering a Work Ethic Certificate (WEC) to graduating seniors for the 3rd year in a row. This was started with the Class of 2018 and was quite successful. The WEC is awarded to those students who have demonstrated those “soft skills” that employers seek in their workforce. Those skills would be closely aligned with the Tipton Community School Corporation’s positive behavior plan – PRIDE (Personal Best, Respect, Integrity, Dependability, Enthusiasm). Local employers would provide special consideration to those THS graduates who possess the WEC.

While PRIDE focuses on five character skills, the goal of the program is for graduating seniors to earn a WEC that documents a student’s proficiency in those five character skills as well as in four other measures: attendance (98%), behavior (less than 1 discipline referral), community/school service (6 hours), and grade point average (GPA of at least 2.0). The WEC shows that graduates possess the soft skills necessary to succeed in any post-secondary endeavor and, when supported and implemented by businesses and organizations, greatly enhances a community’s ability to meet workforce needs.

THS is currently working with local business and industry partners who will honor the WEC earned by graduates. Those employers are asked to support the program by offering graduates with a WEC - a guaranteed job interview, an applicant pool preference, an increase base pay, or some other incentives.

The Governor’s State Workforce Innovation Council views the development and adoption of a community and employer recognized Work Ethic Certificate (WEC) as an important tool that can help provide a pipeline of skilled high school graduates into today’s workforce. This initiative is especially important in the Tipton community where we are “working together for student success.”

For more information on Tipton High School’s Work Ethic Certificate, contact Carrie Capshaw, ccapshaw@tcsc.k12.in.us
“TMS ROCKS!”

On August 5, 6, and 7 students who will be entering 6th grade at Tipton Middle School will attend an orientation called “TMS Rocks!” This orientation is designed to help with the transition from 5th to 6th grade. The middle school environment is different than the elementary and can be a little intimidating. Attending “TMS Rocks!” will make students feel much better about the changes they will face. Students attending “TMS Rocks!” will spend a day at Tipton Middle School learning all about middle school life.

Students attending “TMS Rocks!” will sign up for ONE of the following sessions:

SESSION I
AUGUST 5TH
(Monday)......9:00 – 2:00

SESSION II
AUGUST 6TH
(Tuesday)......9:00 – 2:00

SESSION III
AUGUST 7TH
(Wednesday)......9:00 – 2:00

We also have a Parent Session for all parents to attend:

PARENT SESSION
AUGUST 7TH
(Wednesday)......6:00 – 7:00

The cost to attend “TMS Rocks!” is $5.00. However, we want everyone to attend so please do not let the money keep you from sending your child.

If your child is not yet registered, please feel free to contact Mrs. Gena Schultz at 675-7521 ext. 235.
We are so excited to have our new Kindergarten students this fall. Our staff is anxious to work with you, and we are ready to provide a wonderful learning experience for your child. Tipton Elementary School has provided quality education for many years, and we can’t wait for your child to be part of our family.

Our mission is working together for student success. We believe that the Kindergarten year will be a very important beginning for each new child. We pledge that we will do our best to provide learning opportunities so your child will develop a positive self-concept, a good attitude, and have meaningful learning experiences.

Kindergarten is the first stepping-stone to the school journey. We hope the year will be exciting and pleasant. We have a great program to meet the needs of five and six year olds who are moving from the environment of the home and neighborhood to a world in which they will be establishing themselves as individuals in a new social group.

The purpose of Kindergarten has changed over the years and today we have new academic expectations. What are some of the skills you can expect your child to master in Kindergarten?

There will be a focus throughout this year on mastering letters, sounds, and words. You’ll see as your child takes their first steps toward reading and writing correctly. We will help kindergartners have fun with language in everyday life and watch their vocabulary explode. They will also learn key fundamentals of math this year. Educational state standards will be used and no two children learn at exactly the same rate, so don’t panic if your child doesn’t start to read at the same time as their other classmates.

Listed below are some important learning milestones that typically are learned in kindergarten.

• By the end of kindergarten, kids will be able to recognize, name, and write all 26 letters of the alphabet, both uppercase and lowercase. They will know the correct sound or sounds that each letter makes and they will be able to read about 71 high-frequency words also called “sight words” – such as and, the, and in.

• In class, kids will be taught to write simple CVC (consonant, vowel, consonant) words, such as hat, red, dog. They will also write short, simple sentences such as “The cat ran home.”

• Kids this age will learn to recognize, write, order, and count objects up to the number 100. They will be able to add and subtract small numbers (add with a sum of 10 or less and subtract from 10 or less); this focus on addition and subtraction will continue through second grade.

• Kids will learn how to name and describe common shapes (circle, square, triangle and rectangle) and to identify, sort, and classify objects by color, size, and shape.

• Kindergarteners will be able to identify the time of everyday events to the nearest hour. They will understand, for example, that they leave for school at 7:00 in the morning or that they eat dinner in the evening. But it will still be hard for them to grasp fully the concept of time because they’re concrete thinkers and time is abstract.

It is important to remember that you the parent are an important partner in your child’s education. At Tipton Elementary we look forward to working with you and your child and making the learning experience meaningful. We strive to provide our kindergarten students with a great start on their road to educational success.
Tipton Community School Corporation is looking for local businesses and organizations to serve as sponsors for different things around the schools - such as this newsletter. By helping provide some needed items to the school, your organization can benefit by having your name visible as a member and supporter of Tipton Schools. We are currently looking for 2019-2020 event sponsors for Summer Teacher Academy (Aug.), Planetarium shows (Oct., Dec, Apr.), American Education Week (Nov.), Teacher Appreciation Week (May). If you are interested in using the school to help advertise your business or organization, and at the same time provide support to your local schools, please contact us.

Let us talk about how we can work together for student success.
