

BULLYING POLICY

The Warwick School District is committed to providing all students with a safe and civil school environment in which all members are treated with dignity and respect. Bullying of or by a student or school staff member is against federal, state, and local policy and is not tolerated by the Board. Bullying behavior can seriously disrupt the ability of the District to maintain a safe and civil environment, and the ability of students to learn and succeed. Therefore, it is the policy of the state and the District that students and school staff members shall not engage in bullying behavior while on school property.

Prohibitions

A student or school staff member may not:

1. Engage in bullying.
2. Engage in reprisal or retaliation against:
 - a. A victim of bullying;
 - b. An individual who witnesses an alleged act of bullying;
 - c. An individual who reports an alleged act of bullying; or
 - d. An individual who provides information/participates in an investigation about an alleged act of bullying.
3. Knowingly file a false bullying report with the District.

Reporting Procedures for Alleged Policy Violations

1. **Reporting requirements for school staff:** Any school staff member with knowledge or suspicion of a violation of this policy or who has received an oral or written report of a violation of this policy from a student, community member, or anonymously shall contact the building principal to inform them as soon as

possible. If the alleged violation implicates the building principal, the school staff member shall report it to the Superintendent. If the alleged violation implicates the Superintendent, the school staff member shall report it to the Board President.

Should school administration determine that a school staff member knew of or suspected a violation of this policy and failed to report it in accordance with the procedure above, the staff member may be subject to disciplinary consequences or, for sponsors of school-sanctioned activities, other corrective measures.

2. **Reporting options for students and community members:** Students and community members (including parents) may report known or suspected violations of this policy using any of the following methods:
 - a. Completing a written complaint form (ACEA-E4). The District will place the form in a variety of locations throughout the school and should inform students and staff of these locations. A complainant will have the option of including their name on this form or filing it anonymously. The form may be returned to any school staff member, filed in a school building’s main office, or placed in a designated drop box located in each school.
 - b. Complete and submit an online complaint form. A complainant will have the option of including their name on the form or submitting it anonymously.
 - c. File an oral report with any school staff member.
 - d. Additional methods of reporting may be considered.

Bullying may be a repeated or, in rare cases, one-time exposure to deliberate, negative behavior by one or more individuals. Single incidents and conflicts between two or more individuals do not automatically constitute bullying behavior. Districts should investigate each situation to determine if the alleged behavior meets this policy’s definition of bullying. If the misconduct does not meet this policy’s definition of bullying, it may be addressed under other district policies.

A complaint filed anonymously may limit the district’s ability to investigate and respond to the alleged violations.

Documentation and Retention

The District shall develop a form to report alleged violations of this policy (ACEA-E3). The form should be completed by school staff when they:

1. Initiate a report of an alleged violation of this policy; or
2. Receive an oral report of an alleged violation of this policy.

The form should be completed by an administrator when they:

1. Initiate a report of an alleged violation of this policy; or
2. Receive an oral report of an alleged violation of this policy.

All written reports of an alleged violation of this policy received by the District shall be forwarded to the appropriate school administrator for investigation and retention.

REQUIRED

Descriptor Code: ACEA

Report forms and all other documentation related to an investigation of an alleged violation of this policy involving a student shall be retained by the District for six years after the student turns 18 years old or graduates from high school, whichever is later.

Investigation Procedures

School administrators (i.e., a principal, an assistant superintendent, or the Superintendent) or the Board President, if the Superintendent is implicated, are required to investigate violations of this policy (as prescribed under “Prohibitions”), when in receipt of actual notice of an alleged violation. Actual notice of an alleged violation occurs when alleged bullying, reprisal, retaliation, or false reporting is reported using the applicable method(s) prescribed in the reporting section of this policy.

Upon receipt of a report of an alleged policy violation, the designated administrator shall first determine if the alleged policy violation is based on a protected status—whether actual or perceived. Reports involving a protected status shall be investigated in accordance with the district’s harassment/discrimination policy, including the timelines contained therein.

In all other cases, administration shall determine the level of investigation necessary based on the nature of the alleged violation of this policy after considering factors such as, but not limited to: the identity of the reporter and their relationship to the victim/alleged perpetrator; the ages of the parties involved; the detail, content, and context of the report; and whether or not this report is the first of its type filed against the alleged perpetrator. Based on the level of investigation the administrator deems necessary, investigations may include any or all of the following steps or any other investigatory steps that the administrator deems necessary:

1. Identification and collection of necessary and obtainable physical evidence (*NOTE: In some cases, physical evidence may be unobtainable, e.g., a private social networking profile*).
2. Interviews with the complainant, the victim, and/or the alleged perpetrator. At no time during an investigation under this policy shall the victim/complainant be required to meet with the alleged perpetrator.
3. Interviews with any identified witnesses.
4. A review of any mitigating or extenuating circumstances.
5. Final analysis and issuance of findings in writing to the victim and perpetrator and, if applicable, implementation of victim protection measures and disciplinary measures under this or other applicable policies.

Investigations shall be completed within 30 days unless the administrator documents good cause for extending this deadline. Such documentation should be sent to the victim and alleged perpetrator during the investigation.

Reporting to Law Enforcement and Others Forms of Redress

Law enforcement must be notified by a school administrator or the Board President if there is reasonable suspicion that a bullying incident constituted a crime on or off school

property. Nothing in this policy shall prevent a victim/their family from seeking redress under applicable state and federal law.

Disciplinary and Corrective Measures

Students who the District has found to have violated this policy shall be subject to disciplinary consequences and/or corrective measures. When determining the appropriate response to violations of this policy, administration shall take into account the totality of circumstances surrounding the violation. Measures that may be imposed include, but are not limited to:

1. Require the student to attend detention.
2. Impose in- or out-of-school suspension or recommend expulsion. Due process procedures contained in the district's suspension and expulsion policy shall be followed.
3. Recommend alternative placement. This recommendation shall be submitted to the Superintendent for approval or denial. Alternative placement of special education students will be handled in accordance with applicable policy.
4. Create a behavioral adjustment plan.
5. Refer the student to a school counselor.
6. Hold a conference with the student's parent/guardian and classroom teacher(s), and other applicable school staff.
7. Modify the perpetrator's schedule and take other appropriate measures (e.g., moving locker) to minimize contact with the victim.
8. If applicable, contact the administrator of the website or social media platform on which the bullying occurred to report it.
9. This list may not be all inclusive and other consequences may be considered if determined appropriate based on circumstances.

If the misconduct does not meet this policy's definition of bullying, it may be addressed under other district disciplinary policies.

If the perpetrator is a school staff member, the District shall take appropriate disciplinary action that may include, but is not limited to: a reprimand, modification of duties (only if allowed by applicable policy, the negotiated agreement, and/or the individual's contract), suspension, or a recommendation for termination/discharge in accordance with applicable law and/or policy.

Victim Protection Strategies

When the District confirms that a violation of this policy has occurred, it should notify the victim's parents and shall implement victim protection strategies. These strategies shall be developed on a case-by-case basis after administration has reviewed the totality of the circumstances surrounding the bullying incident(s) or other violations of this policy. Strategies may include, but not be limited to, the following:

REQUIRED

Descriptor Code: ACEA

1. Additional training for all students and applicable staff on implementation of this policy and/or bullying prevention.
2. Notice to the victim’s teachers and other staff to monitor the victim and his/her interaction with peers and/or the assignment of a staff member to escort the student between classes.
3. Assignment of district staff to monitor, more frequently, areas in the school where bullying has occurred.
4. Referral to counseling services for the victim and perpetrator.
5. Modification of the perpetrator’s schedule and other appropriate measures imposed on the perpetrator (not the victim) to minimize the perpetrator’s contact with the victim.

Dissemination and Education

The District shall review and revise this policy as it determines necessary. A copy of this district bullying policy and any amendments must be filed with the Department of Public Instruction.

The District shall place this policy, in its entirety, in student and staff handbooks and ensure that it is explained and discussed with its students each school year. The District shall also develop and implement bullying prevention programs for all students and staff professional development activities. School administration may develop guidelines to assist students and staff with identifying bullying conduct.
