NOTIFICATION OF RIGHTS UNDER FERPA for Elementary and Secondary Schools

The Family Educational Rights and Privacy Act (FERPA) affords parents and students who are 18 years of age or older ("eligible students") certain rights with respect to the student's education records. These rights are:

1. The right to inspect and review the student's education records within 45 days after the day the Purcell Public School District receives a request for access. Parents or eligible students should submit to the school principal (or appropriate school official) a written request that identifies the records they wish to inspect. The school official will make arrangements for access and notify the parent or eligible student of the time and place where the records may be inspected.
2. The right to request the amendment of the student's education records that the parent or eligible student believes are inaccurate, misleading, or otherwise in violation of the student's privacy rights under FERPA.

Parents or eligible students who wish to ask the school to amend a record should write to the school principal [or appropriate school official], clearly identify the part of the record they want changed, and specify why it should be changed. If the school decides not to amend the record as requested by the parent or eligible student, the school will notify the parent or eligible student of the decision and of their right to a hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided to the parent or eligible student when notified of the right to a hearing.

3. The right to provide written consent before the school discloses personally identifiable information (P11) from the student's education records, except to the extent that FERPA authorizes disclosure without consent.

One exception, which permits disclosure without consent, is disclosure to school officials with legitimate educational interests. A school official is a person employed by the school as an administrator, supervisor, instructor, or support staff member (including health or medical staff and law enforcement unit personnel) or a person serving on the school board. A school official also may include a volunteer or contractor outside of the school who performs an institutional service of function for which the school would otherwise use its own employees and who is under the direct control of the school with respect to the use and maintenance of P11 from educational records, such as an attorney, auditor, medical consultant, or therapist; a parent or student volunteering to serve on an official committee, such as a disciplinary or grievance committee; or a parent, student, or other volunteer assisting another school official in performing his or her tasks. A school official has a legitimate educational interest if the official needs to review an educational record in order to fulfill his or her professional responsibility.

Upon request, the school discloses education records without consent to officials of another school district in which a student seeks or intends to enroll or is already enrolled if the disclosure is for purposes of the student's enrollment or transfer.

4. The right to file a complaint with the U.S. Department of Education concerning alleged failures by Purcell Public Schools to comply with the requirements of FERPA. The name and address of the Office that administers FERPA are:

Family Policy Compliance Office
U.S. Department of Education
400 Maryland Avenue, SW
Washington, DC 20202

See the list below of the disclosures that elementary and secondary schools may make without consent.

FERPA permits the disclosure of P11 from students' education records, without consent of the parent or eligible student, if the disclosure meets certain conditions found in §99.31 of the FERPA regulations. Except for disclosures to school officials, disclosures related to some judicial orders or lawfully issued subpoenas, disclosures of directory information, and disclosures to the parent or eligible student, §99.32 of the FERPA regulations requires the school to record the disclosure. Parents and eligible students have a right to inspect and review the record of disclosures.

The Uninterrupted Scholars Act Public Law 112-278, allows schools to disclose P11 from the education records of a student without obtaining prior written consent of the parents or the eligible student. This includes P11 from records of students in foster care placement, an agency caseworker, or other representative of a local child welfare agency or tribal organization when such agency is legally responsible for the care and protection of the student.

To other school officials, including teachers, within the educational agency or institution that the school has determined to have legitimate educational interests. This includes contractors, consultants, volunteers, or other parties to whom the school has outsourced institutional services or functions, provided that the conditions listed in §99.31(a)(1)(i)(B)(1)(a)(i)(B)(2) are met. [(§99.31(a)(1))]

- To officials of another school, school system, or institution of postsecondary education where the student seeks or intends to enroll, or where the student is already enrolled if the disclosure is for purposes related to the student's enrollment or transfer, subject to the requirements of §99.34. [§99.31(a)(2)]
- To authorized representatives of the U.S. Comptroller General, the U.S. Attorney General, the U.S. Secretary of Education, or State and local educational authorities, such as the State educational agency in the parent or eligible student's State (SEA). Disclosures under this provision may be made, subject to the requirements of §99.35, in connection with an audit or evaluation of Federal or State supported education programs, or for the enforcement of or compliance with Federal legal requirements that relate to those programs. These entities may make further disclosures of P11 to

outside entities that are designated by them as their authorized representatives to conduct any audit, evaluation, or enforcement or compliance activity on their behalf. (§99.31(a)(3) and 99.35)

- In connection with financial aid for which the student has applied or which the student has received, if the information is necessary to determine eligibility for the aid, determine the amount of the aid, determine the conditions of the aid, or enforce the terms and conditions of the aid. [(§99.31(a)(4)]
- To State and local officials or authorities to whom information is specifically allowed to be reported or disclosed by a State statute that concerns the juvenile justice system and the system's ability to effectively serve , prior to adjudication, the student whose records were released, subject to §99.38. [(§99.31(a)(5)]
- To organizations conducting studies for, or on behalf of the school in order to: (a) develop, validate, or administer predictive tests; (b) administer student aid programs; or (c) improve instruction. [(§99.31(a)(6)]

 8. Income, other than as required by law to determine program eligibility.
- Receive notice and an opportunity to opt a student out of –
 1. Any other protected information survey, regardless of funding;
 2. Any non-emergency, invasive physical exam or screening required as a condition of attendance, administered by the school or its agent, and not necessary to protect the immediate health and safety of a student, except for hearing, vision, or scoliosis screenings, or any physical exam or screening permitted or required under State law; and
 3. Activities involving collection, disclosure, or use of personal information obtained from students for marketing or to sell or otherwise distribute the information to others.
- Inspect, upon request and before administration or use –
 1. Protected information surveys of students;
 2. Instruments used to collect personal information from students for any of the above marketing, sales, or other distribution purposes; and
 3. Instructional material used as part of the education curriculum.

These rights transfer from the parents to a student who is 18 years old or an emancipated minor under State Law.

Purcell School District has developed and adopted policies regarding these rights, as well as arrangements to protect student privacy in the administration of protected information surveys and the collection, disclosure, or use of personal information for marketing, sales, or other distribution purposes. Purcell School District will directly notify parents of these policies at least annually at the start of each school year and after any substantive changes. Surveys and activities scheduled after the school year starts, parents will be provided reasonable notification of the planned activities and surveys listed below and be provided an opportunity to opt their child out of such activities and surveys. Parents will also be provided an opportunity to review any pertinent surveys. Following is a list of the specific activities and surveys covered under this requirement:

- Collection, disclosure, or use of personal information for marketing, sales, or other distribution.
- Administration of any protected information survey not funded in whole or in part by the Department of Education.
- Any non-emergency, invasive physical examination or screening as described above.

Parents who believe their rights have been violated may file a complaint:

AHERA NOTIFICATION

The Asbestos Hazard Emergency Response Act of 1986 (AHERA) requires the inspection of all school buildings for asbestos. PPS has complied with this act. A management plan documenting these inspections is on file for public review. Upon request, you may view the plan which is located at the PPS Administration Building. We will annually notify all parents, teachers, and other employees by posting this notice. Additionally, information regarding any asbestos related activities; planned or in progress, will be disseminated by posting a notice or using hand out bulletins, flyers, and/or using newspaper public notice statements.

SCHOOL CLOSING

If school is to be closed due to weather or other unexpected reasons, it will be announced on television, social media, by telephone via ThrillShare, and posted on the District website www.purcellps.com. Please check these communications and do not call school officials. Many times a decision cannot be made until the early morning of the school day in question.

LOCKDOWN PROCEDURES

Traditionally, PPS students and staff have been instructed and drilled on fire, tornado and intruder emergencies. In the last five years, schools have added new procedures on lockdowns and hazardous materials. Working in close collaboration with the Purcell Police Department, Purcell Fire Department, state crisis management personnel and public health officials; all Purcell Public School facilities have been evaluated for safety and hazards. All have developed plans for coping with a variety of emergency response situations. These plans involve efforts to protect all students while they are at school.

Furthermore, each site has staff members trained in basic first aid and CPR. The actions taken during any type of emergency situation depend a great deal on the specifics of the incident. For example, one or more schools may evacuate, lockdown, or initiate a shelter-in-place response; according to the nature of the threat. The main objective is the protection of the students and staff members. School administrators have a variety of “tools” to use and have received training on how to work with each of these. The ability to remain flexible is a key component of each school’s plan and of district preparations. Additionally, Purcell Public Schools would follow the direction of public safety officials.

Parents should know that access to schools during any incident might be restricted for a variety of reasons beyond our control. In such instances, parents should remain aware of public notices on the radio, telephone via ThrillShare, television, and the internet about emergency procedures and updates. In any case, student and staff safety is our first priority. All procedures are designed for their protection.

In the event of a hazmat or world crisis, the Purcell Emergency Manager would break into our cable television, radios, or local television stations to notify the community that “Purcell Schools are in a Lockdown Mode”. If school sites are unable to take phone calls from parents during one of these lockdowns, communications would be with the Purcell Administration Office (405)442-0099 or emergency authorities. However, please be mindful when calling to check on the status of a lockdown; phone lines need to remain open during any emergencies.

Parents should be advised that during the first hours of the lockdown, their children may be safer remaining at the school rather than leaving the building with the possibility of exposure to the dangerous elements in the air. Your children would be placed in a sealed relocation area inside the building. Neither

the school nor parents would want the children, teacher, or staff exposed to harmful agents caused by the opening of this sealed relocation area. Parents are asked to cooperate for the health and safety of all. If you have questions about PPS safety and support responses, please contact your principal. Everyone in the school district will continue to work to make all of our schools safe and secure. Jerry Swayze, Assistant Superintendent, is the safety coordinator for the district. You may reach him at 405-442-0099.

PROFESSIONAL QUALIFICATIONS PARENTAL RIGHT TO KNOW

Parents have the right to request and receive information on the professional qualifications of their children's classroom teachers, including whether the teacher has met State qualifications and licensing criteria for the grade levels and subject areas in which the teacher provides instruction; whether the teacher is teaching under an emergency license or waiver through which the State qualifications or licensing criteria have been waived; the baccalaureate degree major of the teacher and any other graduate certification or degree held by the teacher, and the field or discipline of the certification or degree; and whether the child is provided services by paraprofessionals and, if so, their qualifications. Additionally, the District shall provide each parent timely notice that the parent's child has been assigned or has been taught for four or more consecutive weeks by a teacher who is not highly qualified.

VERIFICATION OF RESIDENCE

Students within the Purcell School District may be required at any time to show verification of residence. Examples would be a lease agreement, a current utility bill, and/or real estate contract showing your name and address. Along with the above listed items, you may be required to provide a letter from the property manager and/or landlord. The Superintendent or his/her designee shall make final decisions on any questionable residency issues. Those disagreeing with the determination by the administration will be allowed to appeal a residency dispute in accordance with district policy.

SOLICITATION/FUNDRAISING/ADVERTISING

Students, school personnel, and school facilities may not be used for advertising, distributing printed materials, taking contributions, selling, soliciting funds, fundraising, or promoting the interests of any non-school agency, organization, or individual without prior approval of the Superintendent or his designee.

DISTRIBUTION OF MATERIALS ON CAMPUS

Distribution of materials of any kind (other than those being distributed by the school) are not to disrupt the educational process in any way and must meet guidelines as established by the state and federal court systems. All posted items must be approved in advance by the building administration. Most material will be placed on a distribution table where parents and students can elect to pick up. Any material distributed or provided for distribution does not necessarily reflect the opinions of Purcell Public Schools.

Individuals will not be permitted to sell or distribute items for personal gain on school property.

SEXUAL HARASSMENT

The Purcell School District will not tolerate sexual harassment by any of its employees or students. This policy applies to non-employee volunteers whose work is subject to the control of school personnel.

Specific prohibitions which are unwelcome conduct of a sexual nature

- Conduct of a sexual nature may include verbal or physical sexual advances, including subtle pressure for sexual activity; touching, pinching, patting, or brushing against; comments regarding physical or personality characteristics of a sexual nature; and sexually-oriented "kidding", "teasing", double meanings, and jokes.

- Verbal or physical conduct of a sexual nature may constitute sexual harassment when the allegedly harassed person has indicated it is unwelcomed.

For the purpose of this policy, unwelcome sexual advances, request for sexual favors, and other verbal or physical conduct of a sexual nature constitute sexual harassment if:

- Submission to or rejection of the conduct is used as a basis for a decision affecting the harassed student
- The conduct substantially interferes with a student's school performance or creates an intimidating, hostile, or offensive environment
- A person uses his/her authority to solicit sexual favors or attention from a student when the student's failure to submit will result in adverse treatment, or when the student's acquiescence will result in preferential treatment, or
- A student subjects another student to any unwelcome conduct of a sexual nature.

Report, Investigation, and Sanctions

It is the expressed policy of the Purcell School District to encourage victims of sexual harassment to come forward with such claims.

- Students are urged to immediately report any unwelcome conduct of a sexual nature if such conduct interferes with the student's work performance or creates a hostile or offensive working or educational environment.
- Confidentiality will be maintained and no reprisals or retaliation will be allowed to occur as a result of the good faith reporting of charges of sexual harassment.

In determining whether the alleged conduct constitutes sexual harassment, the totality of the circumstances, the nature of the conduct and the context in which the alleged conduct occurred will be investigated.

Any student found to have been engaged in sexual harassment shall be subject to sanctions including, but not limited to warning or suspension.

SCHOOL VISITORS

Parents/guardians are always welcome to visit the schools. Protocols will be monitored and adjustments may be necessary to the visitor policy.

Visitation by non-enrolled children is prohibited. The principal/superintendent shall have the authority and power to direct any person to leave the campus or event if they are interfering with the peaceful conduct of activities, commit an act that interferes with peaceful conduct of activities, and/or enters the institution/field for the purpose of committing an act that interferes with the safety, routine, and security of staff or students.

A person directed to leave campus for the above mentioned reasons will not be allowed back on campus within the next six months without contacting in writing within five (5) days of the incident and obtaining permission from the Superintendent. [21 O.S. § §1375, 1376]

Bringing pets on campus is prohibited; only service animals as defined by federal law will be allowed on school premises and in school buildings except in classrooms where class pets have been approved by the Superintendent or designee.

CHECK OUT PROCEDURES

For safety purposes, students will only be released to adults listed in Infinite Campus. The adult must show photo identification before the student will be released to their custody. It is the responsibility of the parent to keep contacts up-to-date at all times.

PARENT ORGANIZATIONS

The Elementary and Intermediate Schools have a parent organization. Each secondary school has parent booster clubs/organizations. These organizations help foster cooperation between parents and teachers in achieving the school's goals. You are encouraged to become an active member by attending meetings and supporting the projects of the organizations. Membership information is available at enrollment and Open House or by contacting the appropriate school office.

PARENT PORTAL

Student attendance and grades may be accessed online through Purcell Public Schools Parent Portal. For more information, please contact your child's school.

The current childhood immunization schedule may be found at <https://www.cdc.gov/vaccines/schedules/index.html>.

- Doses administered 4 days or less before the minimum intervals or ages are counted as valid doses. This does not apply to the 28-day minimum interval between doses of live vaccines not administered on the same day.
- If a parent reports their child had varicella disease (chickenpox), the child is not required to receive varicella vaccine. Record the child's history of varicella.
- The first doses of measles, mumps, and rubella (MMR), varicella, and hepatitis A vaccines must be administered on or after the child's first birthday (or within 4 days before the birthday), or they will not count toward the immunization requirement and must be repeated.
- It is not necessary to restart the series of any vaccine if a dose was given late or if a dose is past due. Additional doses of a vaccine series that are administered after the due date do not affect final immunity.
- Children may be allowed to attend child care and school if they have received at least one dose of all required vaccines due for their age or grade, and the next doses are not yet due. They must complete the remaining doses of vaccine on schedule. These children are in the process of receiving immunizations.
- Hib and PCV vaccines are not required for students in preschool, pre-kindergarten, or kindergarten programs operated by schools, unless the facility is a licensed child care facility. Hib and PCV vaccines are required for children attending licensed child care facilities.
- ☐ If the 4th dose of DTaP is administered on or after the child's 4th birthday, then the 5th dose of DTaP is not required.
- ☐ The number of doses of PCV and/or Hib may range from 1 to 4 depending on the age of the child, when the first dose was given, and type of vaccine used.
- ◀ If the 3rd dose of IPV is administered on or after the child's 4th birthday, and at least six months from the previous dose, then the 4th dose of IPV is not required.
- Students 11 through 15 years of age who have not received Hep B vaccine may receive a 2-dose series of Merck® Adult Hepatitis B vaccine to comply with this requirement. All other children (younger or older) must receive 3 doses of pediatric hepatitis B vaccine.
- The Centers for Disease Control and Prevention (CDC) recommends a dose of Tdap on or after the 10th birthday even if previously received. An inadvertent dose of DTaP on or after the 10th birthday may be accepted for the 7th grade Tdap requirement.

Revised 6/2/23 IMM 400

MCV4 stands for meningococcal conjugate vaccine and MPSV4 stands for meningococcal polysaccharide vaccine. Two doses of, MCV4 are recommended for:

- All adolescents 11-18 years of age, and
- Other people at high risk 2 through 55 years of age.

MCV4 should be given to all adolescents at age 11 or 12 years, unless they have received it before. A booster dose is due at age 16 years. For adolescents who receive the first dose at age 13 through 15 years, a one-time booster dose should be given at age 16 through 18 years.

Children 2 years of age and older and adults who are at high risk for meningococcal disease should receive 2 doses spaced 2 months apart. People at high risk include individuals who:

- Do not have a spleen,
- Have terminal complement deficiencies,
- HIV infection, or
- Will be traveling to countries with high rates of meningococcal disease.

Teens and young adults age 16 through 21 years who receive(d) their first dose of MCV at 16 years of age or older do not need a booster dose.

MPSV4 protects against the same types of meningococcal bacteria as MCV4 and is indicated for use in adults over 55 years of age who are at risk for meningococcal disease.

Teenagers and young adults can also reduce their risk by taking good care of themselves, by eating a balanced diet, getting enough sleep and exercise, as well as avoiding cigarettes and alcohol.

Is this vaccine required to attend school in Oklahoma?

Meningococcal vaccine is required for students who are enrolling for the first time in colleges and post-high school educational programs and who will live in dormitories or on-campus student housing. This vaccine is not required for children in elementary or high school in Oklahoma, even though it is recommended for all adolescents 11 years and older.

Is the meningococcal vaccine safe?

Yes, both types of vaccine are safe; however, there are small risks associated with any vaccine. About half of the people who receive a meningococcal vaccine will have pain and redness where the shot was given, but because the vaccine is not made from the whole bacteria, it cannot cause bloodstream infections or meningitis. A small percentage of people who get the vaccine develop

a fever. Vaccines, like all medicines, carry a risk of an allergic reaction, but this risk is very small.

A few cases of Guillain-Barré Syndrome (GBS), a serious nervous system disorder, have been reported among people who received MCV4. However, GBS is such a rare disease that it is not possible right now to tell if the vaccine is a part of the cause or simply due to chance alone because a number of cases of GBS will occur every year even without the use of MCV4 vaccine.

Does the meningococcal vaccine work?

Yes. A single dose of MCV4 meningococcal vaccine protects about 90 percent of the people who are immunized against meningococcal disease caused by types A, C, Y, and W-135. These types cause almost two-thirds of all meningococcal disease among teenagers in the United States. It does not prevent type B, which causes about one third of the cases in teenagers.

Does the meningococcal vaccine prevent all cases of meningitis?

No, it cannot provide protection against other causes of bacterial meningitis or type B meningococcal disease. Scientists have not been able to make a vaccine that will protect against type B.

Where can I get the vaccine for my son or daughter?

If your child has health insurance, you can obtain the meningococcal vaccine from your regular healthcare provider. All county health departments in Oklahoma have the vaccine available at no charge for children 11 through 18 years of age who:

- Have no health insurance,
- Are Medicaid eligible,
- Are Native American, or
- Have health insurance that does not pay for vaccines or does not pay for meningococcal vaccine;

and for children 2 through 18 years of age who are at high risk from meningococcal disease.

Where can I find more information?

Attendance, Enrollment, & Transfers

ATTENDANCE

Students are subject to compulsory school attendance and laws as required by Oklahoma State statutes and the regulations of the State Board of Education. It shall be unlawful for a parent/guardian having custody of a child who is over the age of five (5) years and under the age of eighteen (18) years, and who has not finished four (4) years of high school, to neglect or refuse or to cause or compel such child to attend and comply with the rules of some public, private, or other school, or receive an education by other means for the full term the schools of the district are in session. 70 O.S. § 10-105. **All students are required to participate in the four Virtual Instruction Days as part of their regular school attendance. Instructions will be provided for how students are counted as present on the Virtual Instruction Days that are asynchronous in nature.**

In the event of a **CHRONIC ILLNESS**, documentation by the student's doctor indicating the nature of the chronic or recurring condition will suffice for the doctor's statement required for each individual absence. Documentation of chronic or recurring illness will not extend beyond the end of the current school year. **Documentation must be submitted annually.**

The board understands that good attendance is required for students to do well in school. Board policy FDC outlines the requirements of attendance and sets the required attendance level at 90% for each semester for any student to receive credit in the courses enrolled.

Students who have a temperature greater than or equal to 100 degrees Fahrenheit should not be at school or school activities. If your child is experiencing symptoms of COVID, flu or strep throat, please keep them home. The District can provide a free COVID test for students and their family members that may have been exposed by the student. Please contact your child's school to schedule an appointment.

To be excused from school, a child must meet guidelines established by state law. It is the responsibility of the parent/guardian to notify the school. Notification should be by telephone at the beginning of each school day in which the absence is to occur. **The parent must call the day the child returns before the student can be excused.**

Excused absences will be granted in compliance with 70 O.S. § 10-105.

- Personal family illness/injury
- Medical/dental appointments
- Legal matters
- Funerals
- Observance of holy days required through religious affiliation. Please provide written notification to the principal one (1) week prior to the holy day.
- Extenuating circumstances deemed necessary by the principal.
- We know that Seniors have the opportunity to visit a college of their choice. We will allow (1) school day for this opportunity where students will be exempt from being absent. Arrangements need to be made with the school counselor at least (2) days prior to going on the visit. Parental slips must be signed and turned in before going. NOTE: Other college visits deemed necessary may be allowed by the principal but will count towards the absence limit.

A student will not be considered absent from school if:

1. They are not physically present at school but are completing work in a distance learning program or virtual online program approved by the school district and are meeting the following attendance requirements:
 - a. The student has completed instructional activities for no less than ninety (90%) of the time that services were provided in a virtual or distance learning format. Instructional activities may include online login to curriculum programs, offline activities, completed assignments, testing, face-to-face communications or meetings with school personnel via teleconference, videoconference, email, text or phone,
 - b. The student is on pace for on-time completion of the course as required by the school district,
 - c. The student has completed instructional activities within the time that services were provided in a virtual or distance learning format during the academic year; or

2. They have a medical condition that incapacitates the students and precludes them from participating in instruction in a traditional school setting and the students are able to progress in instruction via alternative education delivery methods approved by the local board of education.

PRE-K

If a child is absent for any reason, it is the responsibility of the parent/guardian, or other person having charge of that child to notify the school at the beginning of each school day in which the absence occurs. There is typically a waiting list for students to enter PK and attendance of those students enrolled is important to get the most out of early preparation for kindergarten.

The principal or designee shall notify a student's parent/guardian in writing upon the student's 5th and 10th absence with an understanding that the 10th absence may carry removal from the PK program. The parent/guardian may ask to convene a conference to discuss the absences. A student may be dismissed for nonattendance after the 10th absence.

Kindergarten-8th Grade

Students are subject to compulsory school attendance and truancy laws as required by Oklahoma statutes and regulations of the State Board of Education.

Excused absences will be granted in compliance with 70 O.S. § 10-105. We request documentation be turned in for review within three school days of a student's return.

An *unexcused absence* is defined as any absence in which a student is absent from class without approval of the school administrator/policy.

At the beginning of the school day, it is the responsibility of the parent/guardian to notify the school if a child is absent for any reason. If a student comes to school more than one hour after the day begins or leaves one hour or more before the end of day, it will count as ½ day absence (PK-5). If the school has not been notified, school personnel will attempt through a phone dialer to notify the parent of the absence.

A student must be present 90% of the semester unless absences occurred due to suspension; approved school sponsored activity, religious holy days, medical/dental appointments, funerals, legal matters, or confirmed illness. If a student is absent more than 10 days of the semester, the following actions will be taken:

1. Grades 6-8 students will receive no grades for the semester. Report cards will reflect **NC (No Credit)** which may be appealed in writing to the principal within one (1) week of posting report cards.
2. A letter will be sent/emailed to the parent or guardian at three (3) absences, seven (7) and a referral made at ten (10) absences for the semester.
3. A referral shall be made to the appropriate authorities.
4. Retention will also be considered by the Attendance Committee for grades K-8. Consideration will be given to written documentation which may include, but not limited to medical information, information of religious holy days, and/or extenuating circumstances that have had a negative impact on the student's attendance. The parent/guardian will be notified of the decision in writing.
5. Any students arriving to class after the bell will be counted tardy. Three (3) tardies equal one (1) absence. An early dismissal is the equivalent of one (1) tardy.

High School: 9-12

A student's responsibility to attend class is a recognized part of the secondary school academics process. The entire academic process is an integral part of each class during each instructional period regardless of whether tests or any other graded work are submitted to the instructor or performed during a particular class. The student is expected to assume the responsibility for maintaining the continuity of learning while they are absent.

EXCUSED ABSENCES

Excused absences will be granted for the following reasons:

1. Personal or family illnesses
2. Medical appointments

3. Legal matters, including service on a grand, multicounty, grand, or petit jury.
4. Extenuating circumstances deemed necessary by the principal.
5. Observance of holidays required by student's religious affiliation

ABSENCE BY ARRANGEMENT

These are absences in which the parents deem it necessary that a child miss school for reasons other than those that fall within an excused absence.

1. A student may take up to 3 days of absences by arrangement per semester
2. A student may make up for all work missed without penalty. It is up to the student, on the day of return, to make arrangements to see that the work is made up.
3. In order to take an absence by arrangement, the parent, or guardian, must submit, at least 2 days prior to the absence, a written request to the high school principal for the student to be absent. If the request is not made as required, the absence will be treated as an unexcused absence.
4. Absences by arrangement will count against a student's exemption from semester tests.

For 9-12 grades a No Credit (NC) for the semester will be given to a student who exceeds ten (10) unexcused absences per class during the semester. A student is marked absent if they miss fifteen minutes (15) or more of class.

UNEXCUSED ABSENCES

This is any absence that does not fall into one of the above categories (excused absences or absence by arrangement). Work may be made up. 10 unexcused absences will result in that student not receiving credit in that class for the semester.

The school will provide notification to the parent/guardian any time a student is to receive NC due to attendance. In the event the student's grade is failing, an "F" will be recorded. Any student who exceeds the 10 day limit for unexcused absences may appeal to the board of education for reinstatement of credit. Consideration will be given as to the reason for the absences as well as to the attempts by parents to minimize absenteeism

MAKE UP WORK

When a student is absent for any reason, all work must be made up. It is the responsibility of the student on the day of return to make arrangements to get all needed work. The student is permitted the number of days to make up work equal to the number of days absent, and that work is granted full credit earned. Work shall be due the following day. It is the **STUDENT'S** responsibility to obtain the missed work and the teacher's responsibility to assist the student. Any examination or test announced during the student's presence in class or which is previously or regularly scheduled (e.g. unit, 9-week, or semester test) which is missed by the student due to **ANY** type of absence, shall be made up the day the student returns. Any exception to this timeline can be made only by the building principal, and only for extenuating reasons that can be substantiated. If a student is absent for three (3) or more consecutive days, please call the counselor's office to make arrangements for picking up make-up work or accessing Google Classroom for assignments. Teachers are given 24 hours notice to put together/post necessary make-up work.

Lengthy absences which fall into other categories must be verified by a note or telephone call to the principal from a parent/guardian. The principal will then allow the student to ask his/her teachers for assignments in advance. When it is possible for teachers to produce lessons before the student absences occur, those assignments are due upon the student's return to school. If the student receives the assignments upon their return, they would have one (1) day for each day missed to collectively turn in missed work. Any variance will be at the principal's discretion.

ACTIVITY ABSENCES (FDC-R)

School activity is defined as extracurricular activities, whether sponsored by the school or outside agency, which removes the student from class for more than half of a class period. The total number of student activity absences allowed from any one class period, without permission from the Internal Review Committee and approved by the board shall be 10. Once a student has 8 activity absences from any one class period, the student must be reported to the principal's office for consideration for further absences.

The criterion for continuing beyond the 10 day activity absence limit shall be as follows:

- Students must have a letter grade of "C" or better in the subject he/she wants to miss.
- Before a student is given permission to be absent beyond the 10 day limit, even though having a "C: or better, the student's record must show that the grade was not adversely affected by the previous 10 days of absence and the student has turned in all required work missed on previous days out.

Activities excluded from the 10 day rule are: class meetings, assemblies, field trips involving the class period only, and others such as State and National levels of school-sponsored contests.

*Students missing school for activities must make contact with each of their teachers to obtain the work they will be missing. The teacher shall make arrangements with the student for completion of the work (before school, Advisory Check-in, lunch, etc). Students must make arrangements 24 hours prior to the activity. ****At the latest, assignments/tests must be completed the day the student returns from the activity.**

TARDIES (FDC-R1)

Tardy is defined as arriving (to class) after the class bell rings at the beginning of the school day and at the beginning of each class.

Tardies are disruptive and also have an adverse effect on your child's educational progress. Any student arriving late to school/class will need to report to the office. A student who arrives fifteen (15) minutes late or leaves fifteen (15) minutes before the end of the class period (for Junior High school and high school) is counted absent. A student who arrives at school one (1) hour late or leaves school one (1) hour or more before the end of the school day (PK-5) may be given a half (1/2) day absence. A student who misses more than one half (1/2) day is counted absent.

It is the responsibility of the student to arrive on time to class. This is an important life skill that reflects maturity and respect. Students will receive consequences, as listed below, if they exceed 3 tardies, per class, each semester. Tardies are reset at the end of the semester. Each teacher will record tardies on Infinite Campus when they take attendance.

Grades 9th-12th Tardy Procedures

- 1st Tardy: Teacher marks tardy (teacher assigned consequence)
- 2nd Tardy: Teacher marks tardy (teacher assigned consequence)
- 3rd Tardy: Teacher marks tardy (admin assigned lunch detention)
- 4th Tardy: Teacher marks tardy (admin assigned 2 days of lunch detention)
- 5th Tardy: Teacher marks tardy (admin assigned 1 day of ISS / parent notification)
- 6th Tardy: Teacher marks tardy (admin referral and student may be assigned up to 1 week of ISD.)
Student privileges may be revoked including but not limited to off-campus lunch for upper-classmen.

Penalty for missing detention

- 1st missed detention: 2 days of assigned detention or 1 day and community service (outside trash pick-up)
- 2nd missed detention: 1 day of ISD.

Junior High Tardy Procedures

- 1st Tardy- Warning
- 2nd Tardy- Warning
- 3rd Tardy- 20 minutes detention
- 4th Tardy- 40 minutes detention
- 5th Tardy- 60 minutes detention
- 6th Tardy- 2 days ISD
- 7th Tardy- 3 days ISD
- 8th Tardy- 4 days ISD

An alternative placement will be considered above 8 tardies. Students who come to school late must report to the office and sign in before going to class (even if you arrive during a class change). Tardy detentions will be kept separate from regular discipline detentions. Teachers will keep track of all tardies and fill out discipline notices when the student reaches his/her third tardy. Students will be placed on the regular detention list for third, fourth and fifth tardies.

TRUANCY/UNEXCUSED ABSENCE

Truancy/Unexcused absences are a serious matter. It is governed by Oklahoma law and Purcell Public School Board Policy. Truancy may preclude a student from achieving credit.

A student is considered truant/unexcused when absent from the classroom without the knowledge or permission of either the school or the parent for an acceptable reason. **If a student is absent from school four (4) or more days or parts of days within a four (4) week period without a valid excuse or is absent without a valid excuse for ten (10) or more days or parts of days during a semester**, the school principal will notify the parent/guardian of the child and immediately report such absences to the county district attorney for juvenile proceedings pursuant to *Title 10 of the Oklahoma Statutes*.

ABSENCE BY ARRANGEMENT (FDC-R1)

These are absences which the parents deem it necessary that a child miss school for reasons other than those that fall within an excused absence.

1. A student may take up to 3 days of absences by arrangement per semester.
2. A student may make up for all work missed without penalty. It is up to the student, on the day of return, to make arrangements to see that the work is made up.
3. In order to take an absence by arrangement, the parent, or guardian, must submit, at least two days prior to the absence, a written request for the student to be absent. If the request is not made as required, the absence will be treated as an unexcused absence.
4. Absence by arrangement will count against a student's exemption for semester tests.

CHRONIC ABSENTEEISM (FDC-R1)

Chronic absenteeism means a student who is absent 10 percent or more of the school days in the school year exclusive of a significant medical condition, when the total number of days the student is absent is divided by the total number of days the student is enrolled, and school was actually taught in the regular schools of the district, exclusive of Saturdays and Sundays. When a student is identified as a chronic absentee, the Superintendent or designee shall communicate with the student and his/her parents/guardians to determine the reason(s) for the excessive absences, ensure the student and parents/guardians are aware of the adverse consequences of poor attendance, and jointly develop a plan for improving the student's school attendance.

A significant medical condition means a severe, chronic, or life-threatening physical or mental illness, infection, injury, disease or emotional trauma.

Per FDC-P, a Medical Exemption Review Committee will meet to determine what absences meet the definition of significant medical condition. This committee will be appointed by the Superintendent or designee.

ATTENDANCE APPEALS (FDC-R1)

Any student who exceeds the 10 day limit for unexcused absences may appeal to the board of education for reinstatement of credit. Consideration will be given as the reason for the absences as well as the attempts by parents to minimize the absenteeism.

ENROLLMENT

Persons of age five (5) years on or before September 1 through twenty-one (21) years who reside with parent/guardian within the district may attend Purcell Public Schools. **Proof of residency is required.**

Children who are at least four (4) on September 1, but not yet five (5) may enroll in the early childhood program of the District, within the constraints of available classroom space. All enrollment procedures for grades K-12 will apply to enrollment in the early childhood program. Children who are at least five (5) on September 1, and have not attended a public school kindergarten may enroll in a full day kindergarten program. Children, who are at least six (6) on September 1, may enroll in first grade.

Students entering Pre-K, kindergarten, or first grade for the first time in a public school must present their birth certificate, must enroll under their legal name and provide proof of immunizations.

Senate Bill 1105 allows a student denied a diploma to re-enroll in the same district to complete requirements necessary to obtain a diploma.

OUT OF DISTRICT TRANSFERS

A student whose parent(s) reside(s) outside the District must apply for a legal transfer to attend school in the District. The appropriate application must be completed online at www.purcellps.org. Should a parent not have access to the internet, please contact your child's school for assistance. The district will maintain capacities for each grade level on the district's website.

A student granted a Transfer shall be entitled to continue to attend school in the District until notified that the Transfer is revoked. The District shall consider Transfers for the following students:

1. Students who reside in a district that does not offer the grade the child is entitled to pursue; and/or
2. Students who have exhibited no major attendance and/or discipline problems in their resident school as determined by Purcell Public Schools.
3. The district has capacity at the grade level requested. A transfer application is required for each student.

Students meeting the above criteria shall be considered on a first-come, first-served basis. Special Education Students will be considered on capacity and program needed to address disability. Transfers may also be denied if the District does not offer the program the student requires or desires.

CONCURRENT ENROLLMENT

Purcell High School encourages students to participate in concurrent enrollment at an approved college or university. Information about concurrent enrollment can be found in the counselor's office.

- Students will receive academic credit for those state approved courses. Non-approved courses may receive elective credit. Students will receive 1/2 unit for each elective credit hour.
- Approved academic credit courses taken that replace a high school academic credit shall count in the student's GPA.
- Elective credit courses will not count in GPA.
- Students who take concurrent courses for dual credit may choose to retake the equivalent course at PHS. However this would constitute repeating a class and the student would receive elective credit for retaking the course. Both grades will then calculate into the student's GPA.

WITHDRAWAL FROM SCHOOL

When a student must withdraw from Purcell Public Schools during the school term, he/she should report to the school site's main office the morning of the last day of attendance. Students/parents will need to fill out a withdrawal form and complete requirements set forth by the school. Students will not be withdrawn until contact has been made with a parent/guardian.

It is important to note, whenever a student's records are requested from another district that the student is officially withdrawn from Purcell Public Schools. If that student returns to PPS, he/she will be required to re-enroll. Please be aware of athletic eligibility when withdrawing a student.

ENROLLMENT REQUIREMENT

To enroll in Purcell Public Schools, regardless of grade, the student's parent/guardian is required to personally enroll the student. Visit Purcell Public Schools online at www.purcellps.org/page/enrollment to find out more about our enrollment process.

PPS has the following requirements:

- Each parent/guardian must provide a photo ID.
- Documentation of residency requires a utility bill in the parent/guardian's name, or a lease agreement, house deed, mortgage statement, etc. in parent/guardian's name. Along with the above listed items, you may be required to provide a letter from the property manager/landlord.
- Age verification for children who are five (5) years of age on or before September 1 must enroll in kindergarten.
- All students PK-Grade 5 entering PPS for the first time must present their official state-certified birth certificate.
- State law requires that all students PK-12 present certification of immunization from a licensed physician or authorized representative of the State Department of Public Health. If a parent objects to immunizations, the appropriate statutory documentation regarding objection must be provided to the school district prior to enrollment.

K-12 grade placement for students entering PPS from a homeschool setting will be assessed using the NWEA/MAP Assessment Exam. (Placement tests will be administered at each building site). Please contact the appropriate site Counselor for an appointment.

PROMOTION/RETENTION OF STUDENTS–Policy EIA

I. Elementary Guidelines

At the elementary level, multiple indicators are used to determine student retention. Data is collected throughout the school year. Conferences with parents/guardians are conducted to discuss student's progress. At the end of the fourth nine weeks, if the criteria for retention are met, an intervention team meeting (i.e. staffing) is held, and the teachers of the student and an administrator make a final recommendation for retention.

The following information is considered when determining retention: (a) performance in all classes, (b) assessment results, (c) age, (d) social/emotional maturity, (e) previous placements, (f) enrollment in Special Education Programs, and (g) other criteria. If recommendation for retention is made, parents will be informed in writing of the team's decision and the parent's options.

II. Third Grade Retention

A. At the end-of-year third-grade any student who has demonstrated reading proficiency on one of the state designated screeners during first through third grade is eligible for automatic promotion to fourth grade. When a student does not meet the above criteria for advancement to fourth grade, the student may receive a probationary promotion through a unanimous decision of the Student Reading Proficiency Team (SRPT). For additional information visit [RSA Family Guide](#)

B. **UNANIMOUS DECISION BY THE STUDENT READING PROFICIENCY TEAM** When a student does not meet the above criteria for advancement to fourth grade, the student may receive a probationary promotion through a unanimous decision of the Student Reading Proficiency Team (SRPT). The team is made up of a parent or guardian, the child's current reading teacher, future reading teacher and a certified reading specialist (if one is available). The principal and superintendent must approve the promotion. Any student promoted on probationary basis will receive intensive reading instruction in fourth grade as outlined through an Academic Progress Plan (APP)

C. SEVEN GOOD CAUSE EXEMPTIONS

1. English learners who have had less than two years of instruction in English and are identified as Limited English Proficient/ English learner on an approved screening tool
2. Students with disabilities whose Individualized Education Plan (IEP) indicates they are to be assessed with the Oklahoma Alternate Assessment Program (OAAP)
3. Students who demonstrate an acceptable level of performance on an alternative standardized reading test approved by the Oklahoma State Board of Education
4. Students who demonstrate through a teacher-developed portfolio that they can read on grade level
5. Students with disabilities who participate in the Oklahoma School Testing Program (OSTP) and who have an Individualized Education Program (IEP) that reflects that the student has received intensive remediation in reading and has made adequate progress toward IEP goals.
6. Students who have received intensive remediation in reading for two or more years but still demonstrate a deficiency in reading and who were previously retained for academic reasons
7. Students facing exceptional emergency circumstances that prevent them from being assessed during the testing window.

III. Junior High

At the JH school level, one criterion considered when determining retention is failing grades (F's) for any semester in two or more core classes and or attendance. Other information used to determine retention includes (a) performance in all classes, (b) assessment results, (c) age, (d) social/emotional maturity, (e) previous placements, (f) enrollment in Special Education Programs, and (g) other relevant information provided by the principal or his/her designee.

During the Parent/Teacher Conference, parents should come to discuss their student's progress. Additional conferences with the parents may be conducted at the request of the parents/guardians or school personnel. At the end of the fourth nine weeks, the school staff will make a recommendation about retention. Parents

will be informed in writing of the team's recommendation and parent's options.

RETENTION APPEALS PROCESS

A parent may appeal a school's decision to retain/not retain a student by taking the following steps:

- Request review to principal in writing within five (5) days of receipt of notification or decision is final. (Level I)
- Request review to superintendent or his/her designee of principal's decision within five (5) days of receipt of notification or decision is final. (Level II)
- Request review of the superintendent's decision in writing to the superintendent or clerk of the Board of Education within five (5) days of the notification or decision is final. Parents will be notified in writing of the date, time, and place of Board hearing. The decision of the board of education is final and unappealable as per state law. If parents still disagree, they may write a statement for the reasons for disagreement which will be placed in and become part of the student's permanent cumulative records.

IV. High School

Purcell High School College and Career Readiness Curriculum Plan requires 25 total units for graduation. Students must have completed the following number of units to advance to the next grade classification. For example: students must complete a minimum of 4 units their freshman year, 11 units by the end of their sophomore year and 18 units by the end of their junior year to remain on track to graduate.

- Freshman = 4 Units
- Sophomores = 11 Units
- Juniors = 18 Units

By the end of senior year, students must have earned at least 25 Units to graduate.

VIRTUAL SCHOOL

Purcell Public Schools offers a fully internet-based instructional program (Virtual School) for grades Kindergarten to Twelve (12). See site counselors for information. You may find the PAVE (Purcell Alternative Virtual Experience) on the district website at www.purcellps.org

ELEMENTARY/INTERMEDIATE

In order to be considered for the virtual education program, all prospective candidates must:

- Be enrolled in Purcell Public School System
- Apply to the virtual academy via the online application located on our district website at purcellps.org
- Obtain the approval of the site principal
- Attend a mandatory orientation
 - Both parent(s)/guardian and the prospective virtual student must attend. Parents must participate in a mandatory training to review virtual learning platforms, progress monitoring, and parent-family communication expectations. Students must participate in a mandatory orientation to meet their virtual instructor, learn to log into their virtual platforms and utilize their device. Time in the orientation will also be devoted to learning how to be self-motivated, self-disciplined, organized, and goal-oriented.
 - The parent/learning coach plays an important role in monitoring and guiding their child, playing an active role in holding their child accountable to keeping their designated pace and keeping contact with instructors.

Accepted Pace Descriptions and Falling Behind Policy

- Accepted pace will be communicated by the instructor for each individual student.
- Pace will be based on required weekly assignments.

- Students who fall behind on their required weekly percentage will be REQUIRED to meet with the instructor at least 1 day per week or as needed. Students who fall behind the previous week will be required to attend in person for 2 days under the supervision of the virtual instructor the next week. Students who continue to remain off pace will be required to attend all 4 days. A student who has 15 or more days spent in person with the virtual instructor due to being off pace during the semester will be required to return to the traditional path the following semester.

Attendance Policy

Students participating in the virtual education program will be considered as being in attendance if the students are meeting the following criteria.

- Daily attendance will be recorded by student's daily completion of a daily attendance log AND evidence of students working on course work on that day. Students who fail to complete the attendance log and/or fail to work on their coursework for 10 consecutive school days can be dropped from Purcell Public Schools.
- Students must remain on pace to finish the assigned courses by the prescribed finish date. If a student gets behind they must attend in-person learning as described in the previous student expectations.

CHEATING/ACADEMIC DISHONESTY

Cheating will be considered the act or intent of gaining or giving knowledge for an assignment or test answer by fraudulent means. More specifically, cheating involves, but is not limited to the following actions:

- To use the work of another person as your own.
- To copy any information from another student (unless allowed to do so by a teacher).
- To plagiarize- plagiarism means using another person's idea, expression of words without giving the original author credit.
- To prepare for the cheating in advance. Such action involves (1) having in your possession a copy of a test or assignment to be given or having been given by a teacher, (2) using the textbook or notes during a test or exam, (3) talking while taking quizzes, tests, etc., (4) looking over and copying work during tests, etc.

CLASS RANKING CRITERIA

Class rankings are determined by calculating both weighted and unweighted G.P.A. Top 10 percent honors are determined based on weighted G.P.A. although limited to 8 weighted courses (see below). Colleges use unweighted G.P.A. for scholarships and award recognitions.

ACADEMIC HONORS

TOP 10 PERCENT

Purcell High School will honor the top 10% of the graduating seniors. Each will be honored and given the opportunity to speak at graduation ceremonies. Speeches must be approved by senior sponsors and the high school principal.

Guidelines and Requirements for Top 10 Percent eligibility:

- The top 10% will be determined at mid-term of the 2nd semester (3 ¾ years of their high school careers).
- Class rankings will be determined on an equal # of credit hours. The school will calculate class rankings during the student's senior year.
- Top 10% final calculations will be reviewed by a committee consisting of Principal, High School Counselor, Assistant Principal, High School Registrar, and Chairperson of the High School Curriculum Team.
- The maximum number of weighted courses to be used in determining rankings is 8.
- Beginning with students entering 9th grade during the 2021-2022 school year (class of 2025), eligibility for Top 10% will require enrollment in and successful completion of the Honors Curriculum Plan. Please refer to Graduation Requirements for more information regarding the Honors Curriculum Plan.

ACADEMIC LETTER "P" AWARD

The first three quarter grades are averaged each year. Those students earning a 3.75 or better-weighted GPA for that period are awarded the Letter "P" Award. (1st semester grades will count as 2/3 and 3rd Nine-Weeks grade will count as 1/3).

NATIONAL HONOR SOCIETY

Membership in the Purcell High School Chapter of the National Honor Society is based upon four qualities: Scholarship, Leadership, Service, and Character. All members must carry a combined grade point average of 3.50 or better. Scholarship is based on a student's cumulative grade point average. The average will be based on a student's total academic performance starting when a student enters high school as a freshman through the first semester of the current school year. (NHS is open to 10th & 11th grade students).

OKLAHOMA HONOR SOCIETY

Membership in the State Honor Society is limited to the top 10% of the student body based upon work done during the first term of the current year and the second term of the preceding high school year. Our ICAP team has focused on the two concepts of relationships and resilience as a cornerstone of our ICAP process. This is an intentional strategy to emphasize a student-centered approach that seeks to build and strengthen relationships between students and staff. Furthermore the creation of our student advisory program, to be fully implemented in the fall of 2021 will support this collaborative partnership between students and teachers. We believe strong relationships between students and a trusted adult to be paramount to student success. Furthermore our Student Advisory Program will seek to incorporate a systemic and whole school approach to student college and career readiness. This approach is holistic in nature and emphasizes social and emotional learning for all students.

CAMPUS LIFE AND GENERAL INFORMATION

VISITORS

School sites or offices have secure entries that require visitors to request access by microphone or push-button tone. All visitors will be required to sign in and checkout through the main office. Visitors must maintain their badge or name tag until they check out of the office. Visitors requesting contact or signing out students must remain in the office while the student is retrieved from class by staff. Items dropped off will be given to the student by office staff at the next appropriate opportunity. This policy is in place for the safety of your children and our staff. Visitation by "non-enrolled" children is not permitted. The principal or designee of the building shall have the authority and power to direct any person to leave the campus if they are interfering with the peaceful conduct of activities, commit an act that interferes with the peaceful conduct of activities, and/or enters the institution for the purpose of committing an act that interferes with the safety, routine, or security of staff or students. A person directed to leave campus for the above mentioned reasons will not be allowed back on campus within the next six (6) months without contacting and obtaining permission from the superintendent (21 O.S. § 1376).

MEDIA CENTERS/LIBRARY

Books, reference materials, career guidance, audiovisual material, computers and other resource materials helpful to students are available for student use. Students may check out books for three weeks and magazines or reference materials overnight. Students with overdue materials may not check out materials. The library may charge for damaged and /or lost books or materials.

CELL PHONES

Grades PreK-2

Students are prohibited from bringing cellphones to school. The phone will be confiscated and only released to the parent/guardian. Repeated violation of this policy will result in other consequences. School phones are available to students only in emergencies deemed justifiable by the principal/designee. After school arrangements and transportation should be made prior to the school day.

Grades 3-5

Students may possess wireless telecommunications devices (cell phones) while on school premises and while riding school transportation. Cell phones must be put away and in the off position. **Use of cell phones are prohibited during the school day.** Expectations are made for cell phone usage during the school day under a teacher's or office staff's direction.

Grades 6-8

Students may possess wireless telecommunications devices (cell phones) while on school premises, while riding school transportation or attending any function sponsored or authorized by the school. **Use of wireless devices is prohibited in restrooms and locker rooms.** Exceptions are made for cell phone usage during class time under a teacher's direction (no student is to be penalized for not having a device). Cell phone use is not permitted in the Junior High building (whether in class or not), cell phones are not allowed during hall changes and are teacher discretion during class time.

- 1st Offense- Students can pick up after school and 20 minutes detention.
- 2nd Offense- Parent notified and 60 minutes detention.
- 3rd Offense: Minimum of 2 days of ISD.
- 4th Offense: Phone must be checked in to the office each day or student must leave his/her phone at home.
- Students using cell phones/PDD's or other functions on electronic devices in any manner that disrupts the educational environment, from within or from outside the classroom, or violates the rights of others, including, but not limited to, using the device in violation of our academic honesty policy, violating school conduct rules, harassing or bullying staff or students, photographing or video recording or using their device for unlawful purposes will be subject to disciplinary action, up to and including suspension and may, if applicable be reported to the Purcell Police Department. Parents must pick up and sign for it plus 60 minutes detention.
- Local authorities will be notified if reasonable suspicion exists that sexually explicit photos, videos or content are on the phone.

Grades 9-12

Cell phones, computers, smart watches and other personal digital devices (PDD's) may serve as an outstanding instructional tool and learning resource if used appropriately. We encourage our staff members and our students to use electronics and other digital devices to supplement instruction and learning. However, it has been proven that students who are on cell phones or other electronic devices when it is not part of the instructional lesson are not fully engaged in learning. Furthermore, with the transition to one-to-one learning, cell phones are no longer necessary to access digital information in classrooms. In order to preserve the teaching and learning environment, this document is to clarify the cell phones (PDD's) policy for Purcell High School. The policy is:

Student use of cell phones or other PDD's during the school day is a privilege. Adherence to the guidelines below is essential to maintaining an appropriate academic environment and the integrity of the classroom. Abuse of this privilege will result in consequences beginning with confiscation of a device, parent conference, suspension or loss of other school privileges.

Cell phones and all functions within the cell phone (i.e. cameras and all other applications) are prohibited in the following areas unless expressly permitted by a staff member for educational purposes: Classrooms, Science Labs, Library, and any other designated learning environment.

Students must comply with staff directives, including but not limited to, ending phone conversations for student-staff interaction and using appropriate voice volume and device volume. When in use, cell phones must be on silent mode so that no audible ring tone is heard.

Students using cell phones/PDD's or other functions on electronic devices in any manner that disrupts the educational environment, from within or from outside the classroom, or violates the rights of others, including, but not limited to, using the device in violation of our academic honesty policy, violating school conduct rules, harassing or bullying staff or students, photographing or video recording or using their device for unlawful purposes will be subject to disciplinary action, up to and including suspension and may, if applicable be reported to the Purcell Police Department.

Cell Phone Rule: The respectful, non-disruptive use of cell phones is permitted in the school commons during lunch period and any other school area except those listed above. As soon as the threshold of the classroom or any prohibited area is crossed, during the school day, cell phones need to be put away and made undetectable (i.e., silenced without vibration). Violation of the cell phone rule as stated above will result in the confiscation of the device according to the following ladder of disciplinary action:

High School Cell Phone Step Plan

- **First Step:** The teacher will provide the student a verbal warning. Teachers will document this violation and students will receive a first step on a cell phone behavioral plan.
- **Second Step:** Teachers will notify an administrator who will meet with the student. Teachers will assign students 1 day of lunch detention. Administration will contact parents/guardians and inform them of the violation. Administration will inform students and parents that a 3rd step will result in loss of cell phone privileges.
- **Third Step:** Students will turn over their cell phone to administration. An administrator will lock the phone in the school safe and the phone will not be accessed for any reason. Parents will be notified and students will be provided a receipt. Any further violations will result in an indefinite loss of cell phone privileges. Students would be required to check their phone in with administration upon arrival at school. Students would also have the option to leave their phone at home.

Additional cell phone violations will be treated the same as the third violation or a more severe disciplinary action may be imposed. Cell phones are prohibited during all state testing sessions. **PPS assumes no responsibility for lost or stolen cell phones or devices including headphones/wireless accessories that are in the custody of the student. Wireless speakers are not allowed during the school day.**

OFFICE TELEPHONES

Office phones are for conducting business. Students will not be able to use these phones during class; however, students that are ill must use these phones to contact a parent or guardian. All other uses of the office phones must be approved by the Principal or designee. All phone calls should be kept to a minimum.

DRESS CODE/EXPECTATIONS

Educational consideration is given to grooming and dress which must not constitute a material or substantial distraction to the educational process. With ever-changing styles, additional guidelines are established to help maintain high standards.

These standards are provided so clothing does not distract from the education process.

- Shoes must be worn at all times - no house shoes/ slippers allowed
- No clothing with derogatory or suggestive pictures or phrases
- No advertising or suggestions of drugs, alcohol, or tobacco
- Clothing and grooming must not constitute a health or safety hazard
- Skirts, dresses, and shorts must be no more than 8 inches above the bottom of the knee in length.
- Pants with holes/frays above the knee, where skin is visible, are not permitted.
- All pants must be worn at the waistline and all belts are to be buckled. Pants and jeans must be high enough to cover undergarments when seated. "Sagging" is never permitted.
- Appropriate undergarments should be worn and all items must be in good taste (modesty is key). Undergarments must not be worn as outer garments. Any attire exposing undergarments is not permitted.
- Hats or ball caps are permitted inside the high school including the commons and hallways. Hats may not obscure or conceal the face. Hoodies or any other head coverings that obscure or conceal the face are prohibited throughout the entire building. Teachers have the authority to prohibit hats, ball caps, or other head coverings in their individual classrooms. Exceptions will be made for religious or medical reasons. The principal retains the right to determine the appropriateness of any hat, ball cap, or other head coverings.
- Tank tops, string or spaghetti strap tops, halter tops, tube tops, sheer tops with bra showing, racer backs and backless tops are not appropriate school attire. Dresses are held to the same standard.

There may be changes, interpretation, or exceptions to the dress code as deemed necessary by administrators. These changes or interpretations will be dependent upon safety conditions or other types of situations that develop.

Any student deemed in violation of the dress code will be required to find clothing that meets the code or will be sent home to correct the situation. Failure to meet dress code regulations will be grounds for disciplinary action and could result in an unexcused absence.

The judgment of the principal concerning appropriateness is final.

BACKPACKS-JUNIOR HIGH

BOOK BAGS OR BACKPACKS WILL BE ALLOWED IN THE BUILDING BUT MUST FIT INSIDE THE STUDENT'S LOCKER. BOOKBAGS/BACKPACKS MAY BE ALLOWED INSIDE THE CLASSROOM AT THE TEACHER'S DISCRETION.

Student-athletes may use a bag only large enough to carry practice clothing to and from school as is necessary. Athletic bags should be stored in the student's locker or coaches' classroom.

Physically challenged students may be allowed to carry a bag approved by the building principal.

NO skateboards, roller blades or skates are to be brought to school.

GUIDANCE COUNSELORS

Guidance services are available on all campuses. These services include assistance with educational planning; interpretation of test scores, study tips, career information, help with home, school, and/or social concerns, or any question a student may feel he/she would like to discuss with the counselor.

SCHEDULE CHANGES

Elementary/Intermediate School

Changes will be made in a student's schedule only for legitimate reasons. These would include the necessity

of change based on law (student qualifies for a program, i.e. IDEA) or an oversight occurred (failed to place a qualified student in G/T), or improper grade level. Students schedules will not change based upon teacher assignment nor solely for the purpose of changing lunch times.

High School/Junior High

Students desiring to drop a course or to change their schedule must make an appointment with the counselor to get approved. A cut-off date within the first (5) days of the semester will be established where no schedule changes can be made except in the case of an unusual circumstance or a request by the teacher. (Principal approved)

CHECK OUT PROCEDURES

No student may leave school except at regular dismissal time without checking out through the office. Students that must leave early will be called to the office to meet the parent(s) upon their arrival. **A student who fails to check out when leaving school anytime during the school day will be disciplined for truancy.** No student will be allowed to leave school unless a parent has been contacted. High school registered drivers will be permitted to leave with parental permission. **Only names provided by parents and currently in the data system will be permitted to check out students the day of request. Photo identification will be required when checking out a student in person.** It is important that parents keep information up to date in Infinite Campus in case there is severe weather and you need another person to check out your child.

Students returning to campus the same day after being checked out must sign back into school in the office.

ASSEMBLIES

Assemblies will be held occasionally throughout the school year. Students are expected to demonstrate courtesy, cooperation, and respect at all assemblies held at the school. All assemblies will either be educational in nature or will be held to develop school pride and spirit. Therefore, all students and teachers are required to attend all assemblies. Students attending Career Tech during the day will be given instructions on assemblies. Students will need to sit in the designated area with their class.

CITATIONS/TICKETS/CONTRABAND

When school officials and/or law enforcement authorities deem necessary, a student may be issued a municipal citation. Citations could be issued for trespassing, truancy, tobacco, alcohol, drugs, profanity, assault, fighting, vandalism, destruction of school property or equipment, harassment or creating a disturbance (among other rule violations).

Any student driving a car onto school property is to ensure that vehicle does not contain alcohol, controlled substances, weapons, or any other item(s) banned from school. Students who drive the vehicle to school will be held responsible for the vehicle. All vehicles are subject to random searches. Violations will result in disciplinary action and possible police referral.

JH Cars and Motorcycles

Students who have been issued a valid driver's license by the State of Oklahoma may drive to school. A registration form must be picked up from the school office, signed by the student's parents and placed on file with the principal. Failure to abide by the signed agreement could result in the loss of driving privileges.

DETENTION

School staff use detention as a disciplinary action. This is a mandatory study time; therefore, all students must bring homework or study materials to detention.

Failure to attend detention at the appointed time or comply with detention expectations may result in further action by an administrator.

PUBLIC DISPLAY OF AFFECTION

Couples must conduct themselves in such a fashion that the attention of others is not attracted to their

behavior. No public display of affection should occur during school time. Offending students will have the necessary disciplinary action taken.

TRESPASSING

Students are not allowed on any district or other district campus, other than their home school, without permission from that site's principal. To do so is trespassing and the student is subject to disciplinary action. Once permission is received, the visiting student must immediately report to that site's main office.

Under Oklahoma law, a superintendent, principal, or other person in charge of a school has the right to order any person out of school buildings, off school property, and away from off campus activities when it appears that the presence of the person is a threat to the peaceful conduct of school business, school classes, and/or school activities. **Citations may be given for trespassing.** [O.S. § 24-131]

CLASS OFFICERS

Serving as a class officer is both a privilege and a responsibility. A class officer is expected to set a good example and to be a student in good standing.

ELECTIONS

Before an election is held, sponsors must submit election qualifications, election rules and election dates to the principal for approval. A copy of the written rules may be obtained from the sponsor. Ballots are tabulated electronically under the supervision of the sponsors. No student can be elected president of two or more school organizations. Candidates for any office including queen/king or attendants must meet these qualifications:

- 2.5 GPA with no failing grades through the last full semester
- Good attendance
- No serious/chronic disciplinary reports within the previous two semesters
- Not be a queen/king of any other organization or activity
- May be selected king or queen once per school year
- Forfeiture of office automatically if served with OSS

*NOTE: In the event Purcell is eligible to have an All-State Queen, a committee consisting of the principal, athletic director, and the coach of the sport involved will be responsible for determining the criteria for the selection of the representative.

LOCKERS (Grades 3-12)

Lockers are provided at some sites to students and are subject to the following:

- Lockers are school property and as such students have no expectation of privacy with regard to items kept in school lockers.
- Locks may be brought from, but the office will need access into the locker.
- Students are to use lockers exclusively to store school related materials and authorized personal items such as outer garments, footwear, grooming aids or lunches. Students shall not use lockers to store contraband - meaning illegal or unauthorized items in violation of Board Policy or any other items reasonably determined by the principal to be a potential threat to the safety, well-being, or security of others.
- Students are solely responsible for the contents of their lockers and should not share their lockers with other students nor divulge locker combinations to other students unless authorized by the school principal.
- Random or blanket searches of school lockers and their contents help deter violations of school rules and regulations, ensure proper maintenance, and provide security for students and personnel. Accordingly, the Board authorizes the school principal/ designee to search lockers and contents at any time on random basis without notice, without parental or guardianship approval, without student approval, and without reasonable suspicion of the presence of contraband.
- In addition to conducting random searches, the principal/designee may conduct a search of any locker at any time. As per Oklahoma law, students have no legitimate expectation of privacy in lockers or other school property. School owned property may be searched at any time.
- When conducting locker searches, the **principal may seize** any contraband. Any items seized by a school official may be removed from the locker and held by the school official for evidence in disciplinary

proceedings and/or turned over to law enforcement officials. The parent/guardian of the minor child, or the student if he/she is 18 years or older, shall be notified by the school official of items removed from the locker.

- Vandalism to the locker including writing or damage of any kind will result in disciplinary action.
- Under no circumstance should money be kept in a locker.
- Disappearance of materials, including textbooks from a locker, is the sole responsibility of the student.
- The locker is to be clean of any writing and/or posters before the student is cleared at the end of the school year or upon withdrawal. Do not place stickers on the inside or outside of the locker.

LOST AND FOUND

The Lost and Found is maintained in the school's offices. If a student finds an article in the classroom, it should be given to the teacher. Items found elsewhere in the buildings should be taken to the office. The school assumes no responsibility for items left unattended in classrooms, lockers, cafeteria, or other areas. Under no circumstance should students leave personal items unattended or unsecured on campus, nor should anything of value be brought to school. Articles not claimed by the last day of school or the announced final pick up date will be donated to charity.

PARTIES (Elementary & Intermediate ONLY)

There will be two (2) school parties - Winter (Christmas) and Valentine's. Costumes will be allowed in the Fall for Red Ribbon Week.

Refreshments for birthday parties require prior approval from the teacher/principal. **Invitations to private parties will not be distributed at school.**

SCHOOL DELIVERIES (Valentine's or Birthdays)

Please limit deliveries to the schools as much as possible. Balloons and large stuffed animals will not be permitted on school buses due to safety hazards and limited seating. All deliveries must be scheduled after 1 P.M.

ACTIVITY/FIELD TRIPS

Elementary/Intermediate

Policies concerning Field Trips:

- Must be outgrowth of curriculum
- **Limited to a distance of fifty (50) miles.** Special exceptions may be granted by the principal.
 - Sack lunches may be taken when it appears that the group cannot meet the school lunch schedule.
 - Students will have the opportunity to participate in field trips when they need academic and behavior expectations.
 - School age siblings cannot attend.

NOTE: An administrator can deny student participation in field trips when necessary.

Secondary

The principal must approve all field trips. A parent or teacher is required to be in each school vehicle utilized for the trip for the safety and welfare of students. With permission from the coach or advisor, a student may ride to or from a school-sponsored event with only his/her parent/guardian. Arrangements must be made in advance, and students will be dismissed by the sponsor/ coach directly to the parent/guardian. **It is PPS Board policy that no student is permitted to ride with another parent to or from a school sponsored event in which he/she is representing the school. Students are not permitted to drive a vehicle to or from a school- sponsored event in which they are representing the school.**

Students riding buses will return on the same bus, unless directed otherwise by the sponsor. Conduct on all trips will be in accordance with school rules and regulations. *Students are to follow the directions of the adults in charge and to follow the directions of the bus driver while on board.* No food or drink will be permitted on bus routes or trips. If two (2) sponsors are on the bus, one will sit in the rear and one in the middle of the bus. The sponsor/coach and driver will check the bus after returning from the activity or field trip.

STUDENT COUNCIL (Grades 5-12)

Student Council serves as a training experience for both leaders and followers, promotes the common good and gives students a share in the management of the school. It also develops high standards of personal conduct, acts as a clearinghouse for student activities, seeks to interest students in school affairs and helps solve problems that may arise. Members of the council are your representatives and have direct access to school administration. The Student Council shall be composed of representatives from each classification of student (grade level). The High School will follow the confines of the Student Council Constitution.

OFFICE/TEACHER AIDES

Generally, students must be in credited classes for six/seven class periods per school day (high school/Junior High school). However, under certain circumstances, students may elect to serve as office or teacher aides. Aides may work in the library, main office, and counseling office. A student may qualify for being an aide if he/she meets the following criteria:

- Students must have a minimum 2.0 GPA on a 4.0 scale and be approved by the receiving supervisor
- Students must have no serious discipline record (i.e. ISD, OSS), and if such occurs it is grounds for removal
- Students must agree to follow the directions of the supervising staff and abide by the tardy and attendance policy.
- Students may serve only one (1) period during the day

TEXTBOOKS (Grades 3-12)

Students are encouraged to take textbooks home to study when they are checked out to them. In the event a book is lost, stolen, or damaged; the student will be expected to replace it. The school is authorized to withhold transcripts or other records if a textbook is not returned. [70 O.S. § 16-121] It is a good idea for students to cover textbooks to minimize damage. We urge students to keep textbooks in their lockers, backpacks, or with them at all times.

VARSITY SPORTS

PHS participates in a wide variety of varsity sports for both men and women as a Class 3A/4A school. Students who are selected must comply with OSSAA rules. <http://www.ossaaonline.com> Senate Bill 840 Established a Student Name, Image, and Likeness (NIL) Rights Act. It defines "student athlete". For additional information, access the Oklahoma Secondary Schools Activity Association (OSSAA) Guidelines regarding NIL at http://www.ossaa.net/docs/2022-23/MiscForms/MF_2022-23_NILGuidelines.pdf

INTERNET

Since the Internet constitutes an unregulated collection of resources which change constantly, it is not possible to predict or control exactly what resources students may locate. The school district makes no guarantees of the accuracy of the information or the appropriateness of material a student may encounter. Students will be under teacher supervision; however, it is not possible to constantly monitor individual students and what they are accessing. Students and other users will refrain from accessing and/or downloading any text, picture or online conferring that includes material which is considered to be obscene, libelous, indecent, vulgar, profane, or lewd; advertises any product or service to minors prohibited by law; presents a clear and present danger/ or will cause the commission or unlawful acts or the violation of lawful school regulations. Users will be courteous and polite. Messengers will be concise and not abusive in content or language. Personal information should not be revealed. Users must be aware that any message or information posted on the Internet may be accessed by others for whom it is not intended. Users of the service will respect all copyright and license agreements. Copyrighted software, pictures or music will not be downloaded for use that violates copyrights. All users must agree to attend an Internet orientation which will address the issues of appropriate use of the Internet, copyright laws, and Internet etiquette.

Violation of the Internet Use Policy Agreement found on pages 48-53 may result in forfeiture of all Internet user privileges. Violators shall also be subject to appropriate disciplinary action.

DEVICES

PPS's 1:1 initiative leads the way in our efforts to prepare 21st century learners for a technology rich world. Students enrolled in Purcell Public Schools will have access to a District-Owned Device. Devices are the property of PPS; the District will purchase and retain full ownership of all devices. By accepting a device,

parents and students agree to be responsible for the proper care of the device as listed in PPS's Acceptable Use Policy.

To assist families with the potential costs associated with using district-owned devices, PPS will offer a Device Protection Plan. Families are encouraged but not required to participate in the voluntary protection plan. The Annual Premium is a fee that will cover the initial cost and/or repair associated with accidental damage or verified, Police reported theft of a PPS device. For more information on the [Purcell Public Schools' Device Protection Plan](http://www.purcellps.org/page/technology), visit our website at www.purcellps.org/page/technology.

VIDEOGRAPHY

PPS possesses the ability to videotape students on school property and to videotape students (including audiotape) while on its school buses. At the discretion of the superintendent or his/her designee, video may be used for disciplinary purposes. When video or audio recordings are used in an investigation, the information is protected by FERPA.

PARKING LOT/STUDENT VEHICLES (PHS)-Board Policy FFFD

Students are NOT permitted to sit in parked cars at any time during the school day. Students are allowed to drive cars off-campus for lunch. Only students in grades 10-12 are permitted off-campus. Students are to park in designated student parking and are to drive in a reasonable and proper fashion. Even though the parking lot is monitored, it is strongly suggested that your cars remain locked at all times. When enrolling, students shall give their license # and make and model the vehicle to be driven. *Students not following the

vehicle rules may have their driving privileges taken away. Students must have their license to drive to school. Students violating driving laws shall be reported to local law enforcement.

All vehicles brought onto PPS campuses are subject to random searches. Students are responsible for any contraband that may be found in their vehicles and will be disciplined accordingly. [Section 1031, School Laws of Oklahoma]

STUDENT SEARCHES (Board Policy FNF and FNF-R)

A student suspected of holding contraband may be subject to a search by administration.

CONDUCT FOR EXTRACURRICULAR ACTIVITIES

During the school year, students will have many opportunities for involvement in extra activities. Students are representing the Purcell School District during the school day and during school sponsored activities. Acceptable behavior is required during on and off campus events and is subject to the authority of school officials [21 O.S. § 643, 21 O.S. § 650 and 650.1, 21 O.S. § 844, 21 O.S. § 1363, 70 O.S. § 24-101]. School personnel are an important part of any decision concerning student involvement. Personnel will always consider grades, attitude, and behavior. This applies to all related activities. Studies have shown the most successful students are those who remain active. We encourage our entire student body to find their niche and to get involved.

TOBACCO

State law [63 O.S. § 1-1523] and the board policy prohibit the use and possession of tobacco and or e-cigarettes on the school campus or school grounds. Students and/or patrons are not permitted to use, sell or have in their possession tobacco in any form while on school grounds or at school activities.

This includes but is not limited to - cigarettes, vapor-atomizers, e-juice, “trippy stix”, dip, cigars, and nicotine oil. Students in violation of this policy will be dealt within the following manner:

- 1st Offense - Up to 3 days detention plus parental contact and completion of vaping online education program*
- 2nd Offense - In School Detention*
- 3rd Offense - Out of School Suspension*

*Law enforcement will be contacted if circumstances warrant and a citation may be issued. The District also reserves the right to install Vape detectors in restrooms as necessary to detect use of vapes in these areas.

All Campuses and District Facilities are tobacco, smoke and vape free.

ACCIDENT OR ILLNESS

If a student develops an illness or injury after reaching school, an attempt will be made to notify a parent/guardian. It is important that the school be given the current telephone number for parents, and a person to call in an emergency if a parent cannot be reached. Regular attendance is important; however, for his/her own interest and to prevent the spread of contagious diseases, your child should be kept home if he/she is running a fever of 100 degrees F or higher, or shows signs of illness, or a persistent cough. Keep the student home until he/she has been fever free for 24 hours without the use of anti-fever medications. If a student has diarrhea or any vomiting, please keep your child home until he/she is vomit and diarrhea-free for 24 hours without the use of medication. There are different rules for when a student may return to school for other health conditions such as contagious rashes, eye/skin infection, cough, sore throat and communicable illnesses. Please speak to your health care provider for guidance and talk to a school administrator. The school will administer only minimum first aid in case of injury. In case of apparent internal injury, broken bones, or the appearance of serious injury; parents and/or paramedics will be notified immediately.

HEAD LICE

A student will be sent home from school when inspection of the scalp or hair reveals live lice. The student should be picked up from school as soon as possible and be treated with lice killing shampoo per package directions. Before re-entry to school, the student must be inspected by the non-health professional

designated by the principal. A student may return to school when treatment has been completed and no live lice are present. In order to prevent re-infestation, it is important to remove all nits (eggs), wash combs, brushes, head gear, and linens in hot water. Carpet, sofas and mattresses must be vacuumed.

BED BUGS

Any student found with bed bugs on their person or property will receive parental notification with recommendations on eradicating the pest. No student will be sent home because of bed bugs. A school official will inspect the student and their belongings for signs of infestation.

PLAYGROUND

All elementary and intermediate students will be sent outside for play periods (recess) unless they have been sick and have permission to stay inside. Parents are requested to dress children for cold weather. (Children will not be sent outside when it is raining, extremely cold or extremely hot.)

- Students are expected to remain in the designated playground area at all times
- Students are encouraged to dress in layers for winter weather.
- Students should not throw objects that might injure others or participate in any activity that is dangerous
- In the event of inclement weather, recess will be held in a designated area inside the building.

SAFETY DRILLS

In accordance with state and district laws and policies; all schools will have tornado, fire, school choice drills, and security drills. Each teacher will have a copy of all procedures including warning signs and will instruct each class in safety procedures. (70 O.S. § 5-148-149)

SPECIAL NOTICES

Oklahoma law mandates the State Department of Health and State Department of Education to jointly develop materials that inform students participating in or desiring to participate in an athletic activity, and their parents and their coaches about the nature of warning signs of sudden cardiac arrest. (70 O.S. § 24-156)

Oklahoma law also requires removal from play of a student exhibiting signs of sudden cardiac arrest.

Oklahoma law amends current law to provide that no education employee or school volunteer is liable for the use of reasonable force to control or discipline a student while the student is in attendance at school, or during school transit to school or authorized events. (70 O.S. § 149.7)

Bus routes are established to give the best possible service to all individuals in accordance with state laws and regulations. Purcell Public Schools will not provide transportation for transfer students.

The school bus driver is the sole authority for the passengers on the bus. Any misbehavior that distracts the driver and jeopardizes the safety of everyone is a **very serious violation**. A bus with students “out of control” may return to school so the principal may take immediate, appropriate action. The Purcell School District disciplinary program is a reflection of its interest in the safety of all children who ride the bus; therefore, the following procedures will be implemented:

- Teachers/Principal will review bus rules and procedures with students.
- Drivers will remind students and sponsors of the “No eating and drinking (including candy)” while riding.
- Elementary and Intermediate School students will only be allowed to be a “guest rider” with a parental written request to the administration. Permission is subject to bus space availability and a principal’s pass to ride. No pass/no ride.

Safety of all students demands that no person including parents be allowed on a bus for any reason.

ANONYMITY (REFUSAL TO IDENTIFY SELF)

School personnel have the right to know the identity of all persons on the school premises. Students must identify themselves upon request of school personnel or duly assigned and identified monitors on school premises, to and from school during school hours which would include bus drivers, or during the time of school sponsored or authorized functions. **Upon entering any school, visitors must immediately report to the office and follow any safety protocols that are required.** The principal or any faculty member, after establishing that a person is (1) not a student or employee of the school or (2) has no proper business at the school, will direct the person to leave immediately.

Investigations

Principals and their designees shall have the authority and duty to conduct investigations and to question students pertaining to infractions of school rules, whether or not the alleged conduct is a violation of criminal law. Such investigations shall be conducted in a way which does not unduly interfere with school activities. Students are expected to cooperate. Failure to do so could result in disciplinary action. Principals and their designees shall determine when the necessity exists to contact law enforcement officers.

Examples of primary cause would be:

- When behavior interferes with the operation of the school or to conduct an investigation of alleged criminal behavior.

CARE OF SCHOOL PROPERTY/VANDALISM

All students should guard against marking on buildings, desks, books, and equipment. Students are not to vandalize cars or other student's property, i.e. shoe polishing, dumping of any liquid or papering of cars while on school grounds during or after school (not intended to be all inclusive). Students are responsible for books and electronic devices issued to them and shall pay for any book lost, damaged, or stolen. Each student shall pay for all damages he/she does to school property unless special arrangements are made for deferred payments with the principal.

MEDICATION

For medications that will be taken at school, a parent or legal guardian must transport the medication to the school in person, and sign a PPS Medication Consent Form prior to medication administration.

Students are not allowed to transport medication to or from school on the bus, or in person; and medication will not be sent home with students for safety reasons. The only exception to this rule is STRICTLY LIMITED to students who have rescue inhalers, epinephrine injectors, pancreatic enzymes or diabetes supplies, AND have SIGNED PERMISSION from the prescribing physician and parent or legal guardian on the PPS Medication Consent Form. If the urine sample is diluted another sample may be requested. EXTRACURRICULAR ACTIVITY RANDOM DRUG TESTING-Policy FNCFD

The Purcell Board of Education, in an effort to protect the health and safety of its students from illegal and/or performance-enhancing drug use and abuse, thereby setting an example for all other student of the Purcell Public School District, has adopted the following policy for drug testing of students participating in extracurricular activities. The sanctions of this policy relate solely to limiting the opportunity of any student found to be in violation of the policy to participate in any extracurricular activities. There will be no academic sanction for violation of this policy.

Student participants in extracurricular activities shall be provided with a copy of this policy and an extracurricular activities student drug testing program consent form that must be read, signed and dated by the the student, parent/guardian, and coach/sponsor before a student shall be eligible to practice in an extracurricular activity. The consent shall provide a urine sample (a) at the beginning of each school year or when the student enrolls in an extracurricular activity; (b) as chosen by the random selection basis; and (c) at any time requested based on reasonable suspicion to be tested for illegal or performance-enhancing

drugs. No student shall be allowed to practice or participate in any extracurricular activity unless the student has returned the properly signed consent form.

Drug use testing for extracurricular participants will also be chosen on a weekly selection basis from a list of all extracurricular participants in off-season or in-season activities. The school district will determine a weekly number of students' names to be drawn at random to provide a urine sample for drug use testing for illegal or performance-enhancing drugs.

Any drug use test required by the school district under the terms of this policy will be administered by or at the direction of a professional laboratory chosen by the district that uses scientifically validated toxicological methods. The professional laboratory shall be required to have detailed, written specification to assure chain of custody of the specimens, proper laboratory control and scientific testing.

The student may list any medication taken or is taking or other legitimate reasons for having been in contact with illegal drugs or performance-enhancing drugs in the preceding 30 days. The parent or legal guardian shall be able to confirm the medication list submitted by their child during the 234 hours following any drug test. The medication list shall be submitted to the label in a sealed and confidential envelope.

An activity student that is absent when he/she is randomly selected for a drug test will have to provide a urine sample at the next possible opportunity as deemed by the school principal or athletic director.

Consequences

1. **First positive test.** The student will be suspended from participation in all extracurricular activities for two weeks (14 calendar days). The parent/guardian will be contacted immediately, and a private conference will be scheduled to present the test results to the parent/guardian. In order to continue participation in extracurricular activities after the suspension period, the activity student and parent/guardian must, within the fourteen days of the joint meeting, show proof that the activity student has received at least (4) hours of drug counseling from a qualified drug treatment program or counseling entity. The activity student will not be allowed to practice or work-out with their organization during this fourteen day period except what is done in a regular enrolled class during normal class time. Additionally, the activity student must voluntarily submit to a second drug test to be administered within four (4) weeks in accordance with the testing provisions of this policy. If the student's fourteen (14) day suspension carries over into the next school year, a student cannot participate in any competitive activities involving other schools during the summer. If the student has a negative test after 4 weeks from the original test, the student will then be tested for 4 consecutive months during the normally conducted random tests.
2. **Second positive retest.** The student will be suspended from participation in any extracurricular activity for 88 school days and show proof of successfully completing eight (8) hours of substance abuse education/counseling from a qualified drug treatment program or counseling entity. The activity student may not participate in any practices, scrimmages, competitions, or off-season programs during this period. If a student is enrolled in a class that is the facilitating measure for that student being in an extracurricular activity, the activity student will be given an alternative assignment by the instructor if a practice for competition is the class assignment for that period. If the activity student is in an athletic period, that student will have an alternative placement, determined by the building principal for the (88) school days. If a student's 88 day suspension carries over into the next school year, a student cannot participate in an organized school extracurricular activity of any kind during the summer. Additionally, the activity student must voluntarily submit to a second drug test to be administered within four (4) weeks in accordance with the testing provisions of this policy. If the student has a negative test after 4 weeks from the second positive test, the student will then be tested for 4 consecutive months during the normally conducted random tests. To resume participation, the athlete must have a negative drug test on all tests since their second positive test and have a negative test at the conclusion of the 88 day suspension period. These restrictions and requirements shall begin immediately consecutive in nature, unless a review appeal is filed following receipt of a positive test.

3. **Third positive retest.** The student will be suspended from participation in any extracurricular activity while at Purcell Public Schools. Students in grades 9-12 (high school students) that have their third positive drug test will be suspended from all extra-curricular interscholastic activities while at Purcell Public Schools. Students in grade 7 & 8 (junior high students) that have a third positive drug test will be given consideration due to their maturity level and will be suspended under the guidelines of the second offense (listed above), but the suspension for the third offense will be for one calendar year. It will be considered their second offense for cumulative purposes.

Under this policy, the number of offenses will be cumulative beginning with the start of the activity student's 7th grade year, or the first year that the student participates in extra-curricular activities at Purcell Schools. The number of offenses will not start over at the beginning of each school year.

Suspension will begin immediately after the meeting is held between the activity student, their guardian and the principal or his/her designee to notify the parent of the positive test. The days of suspension will begin to be counted the day after the meeting as day one (1). The student is eligible for participation on day fifteen (15) or day eight-nine (89) for whichever offense the student is serving.

Activity students that end a school year still owing time on a positive drug suspension will finish that time at the start of the next school year. Those activity students will be required to take a drug test during the first normally conducted random drug test of the school year and again each month as is required by the suspension that they are currently on.

Refusal to submit to a drug test. If a participant student refuses to submit to a drug test under this policy, such student shall not be eligible to participate in any extracurricular activity, including all meetings, practices, performances, and competition for 180 school days, upon completion of which, the participating student shall again be subject to this policy.

Appeal

A student who has been determined by the athletic director or designee to be in violation of this policy shall have the right to appeal to the superintendent or the superintendent's designee(s). Such appeal must be lodged within five business days of notice of the initial report of the offense as stated in the policy, during which time the student will remain eligible to participate in any extracurricular activities. There is no further appeal right from the superintendent's decision and the decision shall be conclusive in all respects. Any necessary interpretation or application of this policy shall be in the sole and exclusive judgment and discretion of the superintendent, which shall be final and unappealable.

The superintendent, principal, teacher, or security personnel of any public school in the State of Oklahoma, upon reasonable suspicion, shall have the authority to detain and search or authorize the search of any pupil or property in the possession of a pupil when said pupil is on school premises or while in transit under the authority of the school, or while attending any function sponsored by the school, for dangerous weapons, controlled dangerous substances, as defined in the Uniform Controlled Dangerous Substances Act, intoxicating beverages, low-point beer, as defined in Section 163.2 of Title 37 of the Oklahoma Statutes, or for missing or stolen property if said property be reasonably suspected to have been taken from a pupil, a school employee, or the school during school activities. The search shall be conducted by a person of the same sex as the person being searched and shall be witnessed by at least one other person, said person to be of the same sex if practicable.

The extent of any search conducted pursuant to this section shall be reasonably related to the objective of the search and not excessively intrusive in light of the age and sex of the student and the nature of the infraction. In no event shall a strip search be allowed. No student's clothing, except cold weather outerwear, shall be removed prior to or during the conduct of any warrantless search. [70 O.S. § 24-102]

Students will be provided services in an alternative education setting which may include virtual school.

INTERNET AND OTHER COMPUTER NETWORKS ACCEPTABLE USE AND INTERNET SAFETY POLICY

The Purcell Public Schools district is pleased to make available to students and staff access to interconnected computer systems within the district and to the Internet, the worldwide network that provides access to significant educational materials and opportunities.

In order for the school district to ensure the continued accessibility of its computer network and the Internet, all students and staff must take responsibility for appropriate and lawful use of this access. Students and staff must understand that one person's misuse of the network and Internet access may jeopardize the ability of all students and staff to enjoy such access. While the school's teachers and other staff will make reasonable efforts to supervise student use of network and Internet access, they must have student cooperation in exercising and promoting responsible use of this access.

Below is the Acceptable Use and Internet Safety Policy ("policy") of the school district and the Data Acquisition Site that provides Internet access to the school district. Upon reviewing, signing, and returning this policy as directed, each student and staff member agrees to follow the policy and will be given the opportunity to enjoy Internet access at school. If a student is under 18 years of age, he or she must have his or her parent or guardian read and sign the policy. The school district shall not provide access to any student who, if 18 or older, fails to sign and submit the policy to the school as directed or, if under 18, does not return the policy as directed with the signatures of the student and his/her parent or guardian.

Listed below are the provisions of the agreement regarding computer network and Internet use. The district has designated a staff member to whom users may direct questions. If any user violates this policy, the user's access will be denied or withdrawn, and the user may be subject to additional disciplinary action.

Personal Responsibility

By signing this policy, the user agrees not only to follow the rules in this policy, but also to report any misuse of the network to the person designated by the school for such reporting. Misuse means any violations of this policy or any other use that is not authorized under this policy, and having the effect of harming another or his or her property.

Term of the Permitted Use

A student or staff member who submits to the school, as directed, a properly signed policy and follows the policy to which she or he has agreed will have computer network and Internet access during the course of the school year only. Students and staff will be asked to sign a new policy each year during which they are students or staff members in the school district before they are given an access account.

Acceptable Uses

1. Educational Purposes Only. The school district is providing access to its computer networks and the Internet for educational purposes *only*. If the user has any doubt about whether a contemplated activity is educational, the user may consult with the person(s) designated by the school to help decide if a use is appropriate.

2. Unacceptable Uses of Network. Among the uses that are considered unacceptable and which constitute a violation of this policy are the following:
 - A. Uses that violate the law or encourage others to violate the law. Do not transmit offensive or harassing messages; offer for sale or use any substance the possession or use of which is prohibited by the school district's student discipline policy; view, transmit or download pornographic materials or materials that encourage others to violate the law; intrude into the networks or computers of others; and download or transmit confidential, trade secret information, or copyrighted materials. Even if materials on the networks are not marked with the copyright symbol, the user should assume that all materials are protected unless there is explicit permission on the materials to use them.
 - B. Uses that cause harm to others or damage to their property. For example, do not engage in defamation (harming another's reputation by lies); employ another's password or some other user identifier that misleads message recipients into believing that someone other than the user is communicating or otherwise using his/her access to the network or the Internet; upload a worm, virus, "Trojan horse," "time bomb," or other harmful form of programming or vandalism; participate in "hacking" activities or any form of unauthorized access to other computers, networks, or information systems.
 - C. Uses that jeopardize the security of student and staff access and of the computer network or other networks on the Internet. For example, do not disclose or share your password with others; do not impersonate another user.
 - D. Uses that are commercial transactions. Students, staff, and other users may not sell or buy anything over the Internet. The user should not give others private information about the user or others, including credit card numbers and social security numbers.
3. Netiquette. All users must abide by rules of network etiquette, which include the following:
 - A. Be polite. Use appropriate language. No swearing, vulgarities, suggestive, obscene, belligerent, or threatening language.
 - B. Avoid language and uses that may be offensive to other users. Do not use access to make, distribute, or redistribute jokes, stories, or other material that is based upon slurs or stereotypes relating to race, gender, ethnicity, nationality, religion, or sexual orientation.
 - C. Do not assume that a sender of email is giving his or her permission for the user to forward or redistribute the message to third parties or to give his/her email address to third parties. This should be done only with permission or when the user knows that the individual would have no objection.
 - D. Be considerate when sending attachments with email (where this is permitted). Be sure that the file is not too large to be accommodated by the recipient's system and is in a format that the recipient can open.
4. *Cyber Bullying* - Cyber bullying is when one or more people intentionally harm, harass, intimidate, or reject another person using technology. This includes but is not limited to the following:
 - Sending mean or threatening messages via email, IM (instant messaging), or text messages.
 - Spreading rumors about others through email, IM, or text messages.
 - Creating a Web site or MySpace (or other social-networking) account that targets another student or other person(s).
 - Sharing fake or embarrassing photos or videos of someone with others via a cell

phone or the Web.

- Stealing another person's login and password to send mean or embarrassing messages from his or her account.

It shall be the policy of Purcell Public Schools that cyber bullying will not be tolerated under any circumstances. A student caught violating this policy will lose computer privileges and these actions may result in further disciplinary action including suspension or expulsion from school of the student(s) involved. In addition, violators and their parents/guardians may be subject to civil and/or criminal penalties as specified by Oklahoma and/or federal law.

Internet Safety

1. General Warning; Individual Responsibility of Parents and Users. All student users and their parents/guardians are advised that access to the electronic network may include the potential for access to materials inappropriate for school-aged students. Every user must take responsibility for his or her use of the computer network and Internet and stay away from these sites. Parents of minors are the best guides to materials to share. If a student or staff member finds that other users are visiting offensive or harmful sites, he or she should report such use to the appropriate school designee.
2. Personal Safety. Be safe. In using the computer network and Internet, the user should not reveal personal information such as the user's home address or telephone number. The user should not use his/her real last name or any other information which might allow a person to locate the user without first obtaining the permission of a supervising teacher. Do not arrange a face-to-face meeting with someone "met" on the computer network or Internet without a parent's permission (if the user is under 18). Regardless of the user's age, the user should never agree to meet a person the user has only communicated with on the Internet in a secluded place or in a private setting.
3. "Hacking" and Other Illegal Activities. It is a violation of this policy to use the school's computer network or the Internet to gain unauthorized access to other computers or computer systems, or to attempt to gain such unauthorized access. Any use which violates state or federal law relating to copyright, trade secrets, the distribution of obscene or pornographic materials, or which violates any other applicable law or municipal ordinance, is strictly prohibited.
4. Confidentiality of Student Information. Personally identifiable information concerning students may not be disclosed or used in any way on the Internet without the permission of a parent or guardian or, if the student is 18 or over, the permission of the student. Users should never give out private or confidential information about themselves or others on the Internet, particularly credit card numbers and Social Security numbers. A supervising teacher or administrator may authorize the release of directory information, as defined by law, for internal administrative purposes or approved educational projects and activities.
5. Active Restriction Measures. The school, either by itself or in combination with the Data Acquisition Site providing Internet access, will utilize filtering software or other technologies to prevent users from accessing visual depictions that are (1) obscene, (2) pornographic, or (3) harmful to minors. We are using Relay for our technology protection measure (internet filtering software) to ensure that users are not accessing such depictions or any other material that is inappropriate for minors.

Internet filtering software or other technology-based protection systems may be disabled by a supervising teacher or school administrator, as necessary, for purposes of bona fide research or other educational projects being conducted by students age 17 and older.

The term "harmful to minors" is defined by the Communications Act of 1934 (47 USC Section 254 [h][7]), as meaning any picture, image, graphic image file, or other visual depiction that

- taken as a whole and with respect to minors, appeals to a prurient interest in nudity, sex, or excretion;

- depicts, describes, or represents, in a patently offensive way with respect to what is suitable for minors, an actual or simulated sexual act or sexual contact, actual or simulated normal or perverted sexual acts, or a lewd exhibition of the genitals;

- taken as a whole, lacks serious literary, artistic, political, or scientific value as to minors.

6. All students will be educated about appropriate online behavior, including interacting with other individuals on social networking websites and in chat rooms and cyber bullying awareness and response.

Privacy

Network and Internet access is provided as a tool for the user's education. The school district reserves the right to monitor, inspect, copy, review, and store at any time and without prior notice any and all usage of the computer network and Internet access and any and all information transmitted or received in connection with such usage. All such information files shall be and remain the property of the school district and no user shall have any expectation of privacy regarding such materials.

Failure to Follow Policy

The user's use of the computer network and Internet is a privilege, not a right. A user who violates this policy, shall at a minimum, have his or her access to the computer network and Internet terminated, which the school district may refuse to reinstate for the remainder of the student's enrollment or the staff member's employment in the school district. A user violates this policy by his or her own action or by failing to report any violations by other users that come to the attention of the user. Further, a user violates this policy if he or she permits another to use his or her account or password to access the computer network and Internet, including any user whose access has been denied or terminated. The school district may also take other disciplinary action in such circumstances.

Warranties/Indemnification

The school district makes no warranties of any kind, either express or implied, in connection with its provision of access to and use of its computer networks and the Internet provided under this policy. It shall not be responsible for any claims, losses, damages, or costs (including attorney's fees) of any kind suffered, directly or indirectly, by any user (or his or her parents or guardian) arising out of the user's use of its computer networks or the Internet under this policy. By signing this policy, users are taking full responsibility for their own use, and the user who is 18 or older or the parent(s) or guardian(s) of a minor student are agreeing to indemnify and hold the school, the school district, the Data Acquisition Site that provides the computer and Internet access opportunity to the school district and all of their administrators, teachers, and staff harmless from any and all loss, costs, claims, or damages resulting from the user's access to its computer network and the Internet, including but not limited to any fees or charges incurred through purchases of goods or services by the user. The user or the parent(s) or guardian(s) of a minor student agree to cooperate with the school in the event of the school's initiating an investigation of a user's use of his or her access to its computer network and the Internet, whether that use is on a school computer or on another computer outside the school district's network.

Updates

Users, and if appropriate, their parents/guardians, may be asked from time to time to provide new or additional registration and account information or to sign a new policy reflecting developments in the law or technology or changes in district policy. Such information must be provided by the user (or his/her parents or guardian) or such new policy must be signed if the user wishes to continue to receive service. If after account information is provided, some or all of the information changes, the user must notify the person designated by the school to receive such information.

THIS POLICY REQUIRED BY LAW.

SEXUAL HARASSMENT OF STUDENTS

The policy of this school district forbids discrimination against, or harassment of any student on the basis of sex. The Purcell Board of Education will not tolerate sexual harassment by any of its employees or students. This policy applies to all students and employees including non-employee volunteers whose work is subject to the control of school personnel. Policy DA applies to sexual harassment of employees.

1. Sexual Harassment

For the purpose of this policy, sexual harassment includes:

- A. Verbal or physical sexual advances, including subtle pressure for sexual activity; touching, pinching, patting, or brushing against; comments regarding physical or personality characteristics of a sexual nature; and sexually-oriented "kidding" "teasing," double meanings, and jokes.
- B. Demeaning comments about a girl's ability to excel in a class historically considered a "boy's" subject, privately talking to a student about sexual matters, hugging or touching a student inappropriately may constitute sexual harassment.
- C. Writing graffiti that names a student or otherwise identifies a student is potentially slanderous and constitutes sexual harassment. Graffiti of any kind will not be tolerated on school property. The superintendent is directed to cause any graffiti or unauthorized writings to be removed immediately.
- D. Any of the aforementioned conduct that effectively deprives a student of access to educational opportunities or benefits provided by the school.

2. Specific Prohibitions

A. Administrators and Supervisors

- 1. It is sexual harassment for an administrator, supervisor, support employee, or teacher to use his or her authority to solicit sexual favors or attention from students.
- 2. Administrators, supervisors, support personnel, or teachers who either engage in sexual harassment of students or tolerate such conduct by other employees shall be subject to sanctions, as described below.
- 3. The school district is not concerned with the "off-duty" conduct of school personnel unless the conduct has or will have a negative impact on the educational process of the school. Any romantic or sexual affiliation between school personnel and students, including students who have reached the age of majority (18), during school hours will have a negative impact on the educational process and shall constitute a violation of school policy. Such violations may result in suspension of the student and

suspension or termination for the employee. Any sexual affiliation between teachers and students under the age of 20 constitutes a crime under Oklahoma law.

3. Report, Investigation, and Sanctions

A. It is the express policy of the board of education to encourage student victims of sexual harassment to come forward with such claims. This may be done through the Sexual Discrimination Grievance policy. The Office of Civil Rights relies on school administrators' judgment and common sense in meeting the requirements of the federal law.

1. Students who feel that administrators, supervisors, support personnel, teachers, or other students are subjecting them to sexual harassment are encouraged to report these conditions, or have their parents report these conditions, to the appropriate administrator or teacher. If the student's immediate administrator or teacher is the alleged offending person, the report will be made to the next higher level of administration or supervision or to any responsible adult person.

2. Every attempt will be made to maintain confidentiality; however, absolute confidentiality cannot be guaranteed because of due process concerns that arise in sexual harassment investigations. No reprisals or retaliation will be allowed to occur as a result of the good faith reporting of charges of sexual harassment.

B. In determining whether alleged conduct constitutes sexual harassment, the totality of the circumstances, the nature of the conduct, and the context in which the alleged conduct occurred will be investigated. The superintendent has the responsibility of investigating and resolving complaints of sexual harassment.

C. Any employee found to have engaged in sexual harassment of students shall be subject to sanctions, including, but not limited to warning, suspension, or termination subject to applicable procedural and due process requirements.

D. Any student found to have engaged in sexual harassment of other students shall be subject to sanctions, including, but not limited to warning, suspension or other appropriate punishment subject to applicable procedural and due process requirements.

E. A copy of this Sexual Harassment policy will be provided to students and parents each year.

F. Special effort will be made to apprise district administrators, teachers, and counselors of their obligation to receive student complaints of sexual harassment, document such complaints, and forward them to the grievance committee.

HAZING

It is the policy of this school district that no student or employee of the district shall participate in or be members of any secret fraternity or secret organization that is in any degree related to the school or to a school activity. No student organization or any person associated with any organization sanctioned or authorized by the board of education shall engage or participate in hazing.

For the purposes of this policy, hazing is defined as an activity that recklessly or intentionally endangers the mental health or physical health or safety of a student for the purpose of initiation or admission into or affiliation with any organization sanctioned or authorized by the board of education.

“Endanger the physical health” shall include, but is not limited to, any brutality of a physical nature, such as whipping; beating; branding; forced calisthenics; exposure to the elements; forced consumption of any food, alcoholic beverage, drug, or controlled dangerous substance; or other forced physical activity which could adversely affect the physical health or safety of the individual.

“Endanger the mental health” shall include any activity, except those activities authorized by law, which would subject the individual to extreme mental stress, such as prolonged sleep deprivation, forced prolonged exclusion from social contact, forced conduct which could result in extreme embarrassment, or any other forced activity which could adversely affect the mental health or dignity of the individual.

Any hazing activity upon which the initiation or admission into or affiliation with an organization sanctioned or authorized by the board of education is conditioned, directly or indirectly, shall be presumed to be a forced activity, even if the student willingly participates in such activity.

This policy is not intended to deprive school district authorities from taking necessary and appropriate disciplinary action toward any student or employee. Students or employees who violate this policy will be subject to disciplinary action that may include suspension for students and employment termination for employees.

A copy of this policy will be furnished to each student and teacher in this school district.

REFERENCE: 21 O.S. §1190

THIS POLICY REQUIRED BY LAW.

BULLYING

It is the policy of this school district that bullying of students by other students, personnel, or the public will not be tolerated. Students are expected to be civil, polite, and fully engaged in the learning process. Students who act inappropriately are not fully engaged in the learning process. This policy is in effect while the students are on school grounds, in school vehicles, at designated bus stops, at school-sponsored activities, or at school-sanctioned events, and while away from school grounds if the misconduct directly affects the good order, efficient management, and welfare of the school district. Bullying of students by electronic communication is prohibited whether or not such communication originated at school or with school equipment, if the communication is specifically directed at students or school personnel and concerns harassment, intimidation, or bullying at school. The school district is not required to provide educational services in the regular school setting to any student who has been removed from a public school or private school in Oklahoma or another state by administrative or judicial process for an act of using electronic communication with the intent to terrify, intimidate or harass, or threaten to inflict injury or physical harm to faculty or students.

As used in the School Safety and Bullying Prevention Act, "bullying" means any pattern of harassment, intimidation, threatening behavior, physical acts, verbal or electronic communication directed toward a student or group of students that results in or is reasonably perceived as being done with the intent to cause negative educational or physical results for the targeted individual or group and is communicated in such a way as to disrupt or interfere with the school's educational mission or the education of any student. Such behavior is specifically prohibited.

In administering discipline, consideration will be given to alternative methods of punishment to ensure that the most effective discipline is administered in each case. In all disciplinary action, teachers and administrators will be mindful of the fact that they are dealing with individual personalities. The faculty may consider consultation with parents to determine the most effective disciplinary measure.

In considering alternatives of corrective actions, the faculty/administration of the school district will consider those listed below. However, the school is not limited to these alternative methods, nor does this list reflect an order or sequence of events to follow in disciplinary actions. The board of education will rely upon the judgment and discretion of the administrator to determine the appropriate remedial or corrective action in each instance.

1. Conference with student
2. Conference with parents
3. In-school suspension
4. Detention
5. Referral to counselor
6. Behavioral contract
7. Changing student's seat assignment or class assignment
8. Requiring a student to make financial restitution for damaged property
9. Requiring a student to clean or straighten items or facilities damaged by the student's behavior
10. Restriction of privileges
11. Involvement of local authorities
12. Referring student to appropriate social agency or to a delinquency prevention and diversion program administered by the office of Juvenile Affairs
13. Suspension
14. Performing Campus-site services for the school district

15. Other appropriate disciplinary action as required and as indicated by the circumstances which may include, but is not limited to, removal from eligibility to participate or attend extracurricular activities as well as removal from the privilege of attending or participating in the graduation ceremony, school dances, prom, prom activities, and/or class trips.

Harassment set forth above may include, but is not limited to, the following:

1. Verbal, physical, or written harassment or abuse;
2. Repeated remarks of a demeaning nature;
3. Implied or explicit threats concerning one's grades, achievements, etc.;
4. Demeaning jokes, stories, or activities directed at the student;
5. Unwelcome physical contact.

The superintendent shall develop procedures providing for:

1. Prompt investigation of allegations of harassment;
2. The expeditious correction of the conditions causing such harassment;
3. Establishment of adequate measures to provide confidentiality in the complaint process;
4. Initiation of appropriate corrective actions;
5. Identification and enactment of methods to prevent reoccurrence of the harassment; and
6. A process where the provisions of this policy are disseminated in writing annually to all staff and students.

A copy of this policy will be furnished to each student and teacher in this school district.

DRUG-FREE SCHOOLS

It is the policy of the Purcell Board of Education that in recognition of the clear danger resulting from illicit drug and alcohol abuse and in good faith effort to promote the health, safety, and well being of students, employees, and the community, the board has implemented a developmentally based drug and alcohol education and prevention program for grades Kindergarten through twelve (K-12).

Students are hereby notified that the use, possession, or distribution of illicit drugs and alcohol is wrong and harmful. Therefore, standards of conduct that are applicable to all schools in this district, prohibit the unlawful possession, use, or distribution of illicit drugs and alcohol by students on school premises or as part of any of its activities.

Disciplinary sanctions will be imposed on students who violate standards of conduct required by this policy. Such sanctions will be consistent with local, state, and federal laws, up to and including probation and suspension, as well as referral for prosecution. Completion of an appropriate rehabilitation program may also be recommended.

Information about drug and alcohol counseling and rehabilitation and reentry programs will be made available through the school office.

The standards of conduct and the disciplinary sanctions imposed by this policy will be part of the required notification to parents and students that will include the following:

"The Drug Free Schools and Communities Act Amendments, P.L. 101-226 requires that State, as well as local educational agencies, must certify that it has adopted and implemented a program to prevent the unlawful possession, use, or distribution of illicit drugs and alcohol by students and employees." (Federal Regulations can be examined through the school office.)

Parent/Guardian signature certifies receipt of a Student Handbook of Guidelines and Policies for Students and Parents that includes district policy relating to adoption and implementation of a drug prevention program for students.

**STUDENT RECRUITMENT
ACCESS TO STUDENTS AND DIRECTORY INFORMATION**

The Purcell Public School District may disclose any of the items listed as directory information without prior written consent, unless notified in writing to the contrary. The parent, legal guardian of the student, or the student age 18 or over may also provide written notification to the school administration requesting directory information not be released to military service recruiters. (See policy FLD for listing of directory information items.)

Subject to the provisions of state and federal laws, this district shall provide the same directory information and on-campus recruiting opportunities to representatives of the armed forces of the United States of America and state armed services as are offered to nonmilitary recruiters, recruiters for commercial concerns, and recruiters representing institutions of higher education.

The school administrator may make the determination of when the recruitment meetings are to take place and reserves the right to deny such meeting where the holding of such meeting will materially and substantially interfere with the proper and orderly operation of the school. Organizations wishing to recruit at the high school must make arrangements with the principal or designee who will determine the schedule for the recruitment meeting. Scheduled visits by recruiters will be made known to the student body. On-campus follow-up meetings with individual students will be permitted only upon the request of the student(s) and with the approval of the building principal or designee.

Any person or organization denied the rights accorded under this policy shall have the right to request a review of the decision by the board of education by filing a written request with the superintendent of schools.

This district will notify parents of the types of student directory information released. The notice will include:

1. An explanation of the parent's right to request that information not be disclosed without prior written consent;
2. Notice that the school routinely discloses names, addresses, and telephone numbers to military recruiters upon request, subject to a parent's request not to disclose such information without written consent; and
3. Notification on how the parent may opt out of the public, nonconsensual disclosure of directory information and the method and timeline within which to do so.

The notice will be provided to parents on an annual basis.

- (5) An individual's moral character is necessarily determined by his or her race or sex,
- (6) An individual, by virtue of his or her race or sex, bears responsibility for actions committed in the past by other members of the same race or sex,
- (7) Any individual should feel discomfort, guilt, anguish or any other form of psychological distress on account of his or her race or sex, or
- (8) Meritocracy or traits such as a hard work ethic are racist or sexist or were created by members of a particular race to oppress members of another race.

A "course" shall include any forum where instruction or activities tied to the instruction are provided, including training, seminars, professional development, lectures, sessions, coaching, tutoring, or any other class.

Any individual may file a complaint alleging that a violation has occurred of enumerated items 1-8 above. In order for a complaint to be accepted for investigation, it must:

- (A) Be submitted in writing, signed and dated by the complainant, including complaints submitted through electronic mail that include electronic signatures;
- (B) Identify the dates the alleged discriminatory act occurred;

The district hereby designates Jerry Swayze as the employee responsible for receiving complaints. Complaints may be provided via telephone at 405-442-0099 and via email to swqzyej@purcellps.org. This contact information shall also be accessible on the school district's website.

Upon receipt of a complaint, the complainant shall receive notification from the designated employee that the complaint has been received and whether it will be investigated within ten (10) days of receipt.

The school district shall investigate all legally sufficient complaints and decide as to whether a violation occurred. The school district shall receive, process and investigate complaints in the same manner as all other complaints of discrimination. The investigation process shall be completed within ninety (90) days of receipt of a claim. Within thirty (30) days of resolution of the complaint, the designated employee shall report the resolution to the State Department of Education.

PROHIBITION OF RACE AND SEX DISCRIMINATION, Con't

No individual shall be retaliated against for (1) filing a complaint; or (2) the purpose of interfering with any right or privilege secured by federal civil rights laws and regulations. Any school employee who retaliates against a complainant may be subject to disciplinary action by the school district or by the State Board of Education.

Any teacher or other school employee who, willfully, knowingly, and without probable cause makes a false report may be subject to disciplinary action by the school district or by the State Board of Education.

Graduation Requirements for the Alternate Diploma

The state–defined alternate diploma is standards–based and aligned with the requirements for a standard diploma. A student may be awarded an alternate diploma upon completion of the following curriculum units or sets of competencies at the secondary level, typically at the end of the 12th grade with their cohort. The requirements to earn the Alternate Diploma are outlined in HB 1041 and mirror the requirements of the regular high school diploma, with the addition of two units of Life Skills and two units of Career Readiness. Students will be required to earn credits as follows to receive the alternate diploma.

1. Language Arts – Four units or sets of competencies based on alternate academic achievement standards to consist of reading literature, reading informational text, writing, speaking and listening, and language in the following courses: a. English 1 Alternate, b. English 2 Alternate, c. English 3 Alternate, and d. English 4 Alternate;
2. Mathematics – Three units or sets of competencies based on alternate academic achievement standards to consist of numbers, quantities, algebra, functions/statistics, probability, and geometry in the following courses: a. Math Alternate 1, b. Math Alternate 2, and c. Math Alternate 3;
3. Science – Three units or sets of competencies based on alternate academic achievement standards to consist of life science, physical science, and earth science in the following courses: a. Life Science Alternate, b. Physical Science Alternate, and c. Earth Science Alternate;

NOTE: Courses in the core curriculum may be used as a substitute for corresponding courses required by the alternate diploma and others as determined by the State Board of Education. As is the case for all students, elective coursework will be required to reach the state minimum requirement of 23 credits for graduation. Personal Financial Literacy is still required. Completion of U.S. Naturalization and CPR/AED requirements remain as an IEP team decision.

Regular Diploma vs. State-Defined Alternate Diploma

Students who receive special education services and whose Individual Education Program (IEP) indicates the Oklahoma Alternative Assessment Program (OAAP) will be eligible for an Alternate Diploma in the school year 2023-2024. Students who participate in OAAP will not be eligible for a regular/standard diploma beginning in the school year 2023-2024.

The Oklahoma Alternative Assessment Program (OAAP) is aligned to alternate academic achievement standards and the Oklahoma State Department of Education has determined that alternate academic standards require an Alternate Diploma. Students who participate in OAAP and are taught to alternate academic standards are eligible to receive special education services through the school year in which the student turns 22 years of age. Students who graduate with an Alternate Diploma shall be allowed to participate in graduation ceremonies with their same grade classmates, if academic requirements for an Alternate Diploma are met. Students earning an Alternate Diploma may participate in graduation ceremonies when the criteria for earning an Alternate Diploma are met, prior to the end of the provision of a Free Appropriate Public Education (FAPE).

§300.102 Limitation – Exception to a Free Appropriate Public Education for certain ages:

Under the Individuals with Disabilities Education Act (IDEA), the district's obligation for a Free Appropriate Public Education (FAPE) ends when

- 1.) the student meets the district's requirements that apply to all students for a receipt of a standard/regular high school diploma, or
- 2.) at the end of the school year in which the student turns 22 years of age.
 - the term regular high school diploma means the standard high school diploma awarded to the preponderance of students in the State that is fully aligned with State standards or a higher diploma,
 - except that a regular high school diploma shall not be aligned to the alternate academic achievement standards described in section 1111(b)(1)(E) of the ESEA. A regular high school diploma does not include a recognized equivalent of a diploma, such as a general equivalency diploma, certificate of completion, certificate of attendance, or similar lesser credentials.

For additional information regarding special education eligibility for the Alternate Diploma, please contact Purcell Public Schools Special Services at (405) 442-0099 X109.

**DISCIPLINARY ACTION FOR MISUSE OF
SCHOOL BATHROOMS AND CHANGING FACILITIES**

Individuals who fail to comply with Oklahoma law regarding the use of school bathrooms or changing facilities may be disciplined as follows:

1. Students. Students may be subject to the disciplinary methods listed in the student discipline code.
2. Staff. Staff members may be subject to disciplinary action. Due process procedures will be followed as required by law or negotiated agreement.
3. Patrons. Patrons may be removed from the premises for interfering with peaceful orderly conduct in accordance with 21 O.S. §§ 1375 and 1376.

McKinney-Vento Homeless Information

What is meant by the term “homeless children and youth?”

The McKinney-Vento Act defines homeless children and youth as individuals who lack a fixed, regular, and adequate nighttime residence. The term includes:

1. Children and youth who are:

Under the McKinney-Vento Act, eligible children and youth have the right to:

2. Enroll in the new local school immediately, even if lacking documentation normally required for enrollment, such as previous school records, immunization or medical records, birth certificate, proof of residency, or proof of guardianship, or other documents.
