

SENIOR Painted Parking Spots

Seniors must have a YPA Parking Pass with up-to-date information to participate. Verify documentation with Mrs. Lang and/or purchase your parking pass on YPA Fee Pay.

Painted Senior Spots are supported to promote school spirit! Each senior must pay \$20 to paint their spot on YPA Fee Pay by Friday, August 30, 2019.

The designated days to paint will be Friday, August 30th from 1:30-5:30pm, and Saturday, August 31st from 10am-2pm.

Paint can get expensive, so... ask family, neighbors, and grandparents if they have any household interior/exterior paint lying around. Also, check hardware store clearance sections, Habitat for Humanity, Restore, and public garbage dumps and recycling centers. You should also consider going in together with your friends to purchase paint.

PAINTING RULES
