Itasca Ask

What if you could ask God one question? What would you ask? That is exactly the scenario that has been posted to Itasca residents over social media by the Itasca church of Christ. Most people had questions that were very similar in nature. After sorting through the questions and ranking them by popularity, the six most asked questions were identified.

April 7-10 faculty and students from the Brown Trail School of Preaching will come to Itasca to answer these questions from the Bible. This event is free and open to the community.

Each session will thoroughly examine the answer to one question. Sunday at 9:45 and 10:45 AM, then in the evenings at 6:00 PM the doors and Gods Word will be opened. For more information contract Itasca church of Christ. 303 E. Monroe St. (254) 687-2774 or at www.Itasca.church.

Itascans Reminded About Swimming Pool Placement, Construction Ordinance

An Itasca city ordinance requires a 6 foot fence with a lockable gate for any pool over 24" in depth. In January of 2004, the Itasca City Council adopted the Itasca Zoning Ordinance, which outlined the need for specific permits, such as the placement of pools and the requirements of the construction.

Pools cannot be placed in front or side yards, only in back yards with the 6' fence. Both the beauty and safety of Itasca depends on the adherence to these ordinances and codes.

News Release

Returning unclaimed original marriage licenses to family members is a joint project of the Hill County Historical Commission and the Hill County Genealogical Society. Four hundred and eighty-nine unclaimed marriage licenses have been returned to families and relatives of brides and grooms who were married in Hill County from 1873 to 1950.

The index has over 8,000 original marriage licenses which were never claimed by the bride and groom. If you have ancestors who married in Hill County during that period you may locate their names in the *Unclaimed Marriage License Index of Hill County* and request the original marriage license. The earliest license is dated 1873 and there are even a few in the 1950s.

The index for unclaimed marriage licenses can be searched in the Genealogical Section of the Hillsboro Public Library or in the Office of the Hill County Clerk. The Genealogical Section of Hubbard Museum has copies of indexes for part of the licenses. If you find the license of your relatives listed, contact Mollie or Bill Stinson, P.O. Box 1134, Hillsboro, TX 76645, Phone: 254 582-3242 and E-mail: Billstinson@hillsboro.net Please provide the name of your ancestors, both bride and groom, the year the marriage took place, Box no. of the index where you found the marriage license, your name, address, and your telephone with area code. There is no charge to have an unclaimed marriage license returned to the family. This information may also be left at the circulation desk of the Hillsboro Public Library.

Volunteers will search the Unclaimed Marriage License Index for you if you live out of town. Send the name of the bride and groom and the approximate year they married if you know it to Mollie Stinson at the above address. Be sure to include your name, mailing address and phone number. Or you can call them at 254 582-3242.

Other Hill County Genealogical Society members contributing to this indexing project were Mildred Lee, Kathryn and Jim Atchison, the late Roy Bessire and the late Richard Greenhill.

Permits

Do You Need a Building Permit? Most people continue to be unaware of the City of Itasca Code of Ordinances and/or the Itasca Zoning Ordinance which requires that a person obtain a building permit for the following: any new building/structures, as well as, addition to existing structures, putting up a fence, putting in a car port, storage building, swimming pool, etc.

In January of 2004, the Itasca City Council adopted the Itasca Zoning Ordinance, which has changed how the City handles certain tasks. The need for specific permits, i.e. building permits, is one of those changes. If you have questions regarding any of the City Code of Ordinance or the Zoning Ordinance call City Hall at 254-687-2201 during normal business hours.

Do You Remember…?-"Items from Yesteryear, Continued"

Columnist Carl Sweeney; Reprinted from Issue #4, 2009

The last "personals" column covered the communities east of Itasca. In today's column, we will cover communities to the west such as BoisD'Arc, Eureka, Frog Liver, Mayfield, Osceola, Woodrow, and Covington. Covington is one of the oldest communities in Hill County. It was started by Col. Gathings. The following clippings are from the 1929 *Itasca Item.*

Covington - The Covington Methodist Sunday School starts at 10 a.m. The Women's Missionary Society meets at 3 p.m. on Monday. The Baptist Sunday School is at 10 a.m. and the Church of Christ Sunday School is every Sunday. Preaching is the Fourth Saturday by the pastor. John Gathing of Los Angeles, California is visiting his father W.C. Gathings this week. Miss Hattie Gathings is teaching in Grandview. Henry Smith J.B. Holloway, L.E. Webb of Itasca, W.M. Watson and J.H. Smith of Osceola attended the last regular meeting of Covington Lodge No. 652 AF & AM. They enjoyed the degree work. Horace Allen of Cleburne is visiting his cousin Vera Mae Gathings this week. Dr. J.P. Wier attended the funeral of Bob Baird in Cleburne. Miss Elizabeth Speer lost most of her clothing in the Baylor fire last week. Last Sunday the Central Baptist Church had an attendance of 256 people. Mr. and Mrs. J.M. Bratton of Itasca visited in the home of Mrs. Luster Smith in Covington.

BoisD'Arc - Mr. and Mrs. Earl Barron spent Sunday in Covington. Mrs. J.B. Copeland had a visitor, her mother Mrs. Dessie Kirby of Corpus Christi. Mrs. Ada Martin and daughters, Lucille and Odell of Hillsboro spent the day with Mrs. Douglass Barron yesterday. Mrs. J.B. Copeland and Clyde were shopping in Dallas Saturday. Little Miss Edna Earl Barron spent the week with her grandmother, Mrs. J.H. Barron in Covington. Also visiting were Mr. and Mrs. Alvis Copeland and children. Mr. and Mrs. Green Nuckols visited her parents, Mr. and Mrs. Charlie Miller Saturday. Miss Oleta Catherine Barron spent the day with Jimmie Holland Wednesday. Mr. and Mrs. Leon Acton and son Jimmy of Milford spent Sunday with Mr. and Mrs. C.L. Barron. Miss Lois Alverson spent the day with Mary Barnes. Mrs. Josie Holland and children spent the day with her sister Mr. and Mrs. King Norton of Covington. Mr. Tom Henseley has as his guest his mother and from Houston. Little Misses Juilia Helen Fuller and Vashti spent Sunday. W.P. Cottingame visited his mother and other relatives in Navarro County Sunday.

Osceola - Mr. and Mrs. Rufe Standly visited Mr. and Mrs. E.N. Maddox over the weekend. Osceola seems to be growing quite nicely now, having a bank, a library, a gin, doctors, a general merchandise store, and several other businesses. Also, the train they call the "Boll Weevil" coming though town has spurred out guests tremendously. There were many prominent people involved in the development of Osceola such as the Stinsons,Galigas, Gees, was also Dr. Young, Dr.Lawless, Dr. J. C. Mckee and Dr. Cansler. Also, Dr. George Mcknown and Will Smith who was a business man in both the old town and the new town of Osceola. The old town was estabilished on the sire of an Indian village, and then later moved. The town was named for the chief of that village.

A man named John Stevens was instrumental in the development of both Osceola and Covington. The John Stevens highway is named for him. Some of the settlers in the old town were the Weatherreds, Coles, Watsons, Burts, Bassets, Godbeys, and others.

It seems that we have gotten away from the personal ads and have gone into the history and development of the area. History is probably more interesting to more people. Only the older of us remember the names mentioned here.

The Covington Woman's Missionary Society meets each Tuesday. Our reporter for Frog Liver has been ill this week, so we will not have a report from there, except that we heard on the street that the Frog Liver school ran out of coal for the stove Friday. So school turned out early for the weekend. The Mayfield School cancelled the basketball game with Covington because of the bad weather. In those days, we had no gymnasiums and the game was played outside on plain dirt courts.

From the Woodrow Community; Herman Owens is making his home with his Aunt and Uncle H. B. Terrell. Several people from Woodrow attended the school play at Blanton. The Woodrow church services were well attended Sunday. The H. B. Terrell family was shopping in Itasca Saturday.

Miss Opal Hester of Mayfield has been visiting relatives in Athens. Her aunt Mrs. J. T. Harlan returned to Mayfield with her. Miss Mayme Owens was visiting friend and relatives in Malone last weekend. Mr. and Mrs. Fletcher Hamilton of the Eureka community were visiting friends and relatives in Grub Hill over the weekend. They reported that the food was excellent at the Grub Hill Grill. There have been only a few selected items from that time.

Grocery, deli, and bakery with an old town feel. Stroll in, look around, and savor a made to order sandwich on fresh bread in our quaint dining area.

The Tradition of the Corsage and the Boutonniere
Prom 2019 April 6, 2019

The tradition originates from a time period when it was not easy to have access to showers or expensive perfumes. The purpose of the corsages and the boutonnieres was to make the people wearing them smell good.

The woman wears her corsage pinned to the left side of her dress or on her left wrist while the man always wears his boutonniere pinned to the left side of his suit. Although they usually match the suit or the dress, corsages and boutonnieres don't have to. They are traditionally given by the person's partner and must be worn, whether they match the outfit or not, in order to spare their feelings.
