# Fall 2019-2020

## Three & Four Year Old

### Country Elementary and Farley Hill Elementary

Pinckney Community Education Preschool program follows the State of Michigan Standards of Quality for Early Childhood Education. We provide a warm, nurturing setting that encourages children to learn through developmentally appropriate hands-on learning experiences. Our structured and literacy-rich environments allow children to explore the world around them, while they grow socially, emotionally, and academically. With learning concepts in math, science, language, literacy, music, and art, our students are exposed to many educational experiences. A Pinckney Schools preschool experience includes exploration with cooperative learning and playing with peers. Focused on kindergarten-readiness, our certified early childhood teachers consult with our kindergarten teachers in order to provide children with important kindergarten-readiness activities, especially those which are focused on pre-reading and early writing experiences. Set within our district's elementary buildings, our students are exposed to and become familiar with what our quality buildings have to offer. We believe in a strong correlation between parental involvement and student educational success and, therefore, welcome parental involvement in our State of Michigan licensed classrooms.

Fee: \$64.00 (8 weeks), \$48.00 (6 weeks)

Why is stretching so important? Stretching keeps the muscles flexible, strong, and healthy. We need flexibility to maintain a range of motion in the joints. Without regular stretching muscles shorten and become tight. This puts you at risk for joint pain, strains and muscle damage. Healthy muscles also help a person with balance problems to avoid falls. This 60 minute class can improve your life. Class involves a mixed blend of movements designed to create strength and flexibility in the body. Hatha Yoga positions are used to focus on alignment to balance the muscles which allows you to become stronger and increase your range of motion.
