

Community RelationsBulletin Boards, Display Case, and Posted Material

School bulletin boards, display cases, and posting areas are for the purposes of conveying information about school activities and programs to students, staff, and the visiting public as deemed appropriate by the respective principals; however, building principals may use their discretion on posting or displaying non-school related information which is not political or commercial in nature. Flyers promoting the Minden Opera House may be posted, as the opera house primarily serves a community cultural purpose and is a commercial enterprise only to the extent necessary to promote that purpose.
