

LEWIS COUNTY C-1 SCHOOL DISTRICT

STATEMENT OF MISSION

The mission of the Lewis County C-1 School District is to prepare students to reach their full potential by providing a foundation of knowledge that will assist them in reaching their goals. We will each work together with the same purpose: the creation of a learning community where high standards are the expectation. We “Educate to Illuminate”.

Lewis County C-1 SCHOOL DISTRICT

STATEMENT OF VISION

All students will leave the district with the confidence, skills, and training necessary to reach their potential, pursue their career choice, and become productive members of society. Challenging curriculum content will be infused with the problem solving, critical thinking, and ethical decision-making skills necessary in our ever-changing global community. Students will learn in a positive and safe environment that respects their differences, individuality, and dignity. All staff members will encourage the potential of every student and will demonstrate through everyday actions that learning is a lifelong process. Every effort will be made to ensure that all facilities are conducive to learning and provide access to the latest educational technologies which will be successfully integrated within each curriculum.

The school district will maintain open communication with all members of the Lewis County C-1 community who have a shared interest in the direction and growth of the district. These stakeholders will form a collaborative partnership in the effort to shape the education of each student and to prepare them for life as adults. The advancement of the students in the Lewis County C-1 School District is a shared priority that can only be successfully accomplished together.
