

PLEASE COMPLETE
AND RETURN

NCOE CUSD #3

NCOE School District is currently using the TeacherEase online system. This allows parents access to their child's assignments and grades as well as being able to check your child's lunch/breakfast balances online. Please be assured that parents will only be able to access their own child's information. We very much encourage you to utilize this online access of your child's school information. If you would, please fill out the information below and turn back in to your child's teacher as soon as possible. (It would be especially helpful to have a different form turned in for each child in your home). *If you had access through NCO Elementary School last year and your email has not changed, you do not need to return this form.* Please note that you will receive a confirmation email with your TeacherEase password that will allow you to access your child's information. If you do not receive this email by October 1st, please let us know. In addition, if your email changes during the school year, please let us know in the office so we may update your TeacherEase access. Your help is greatly appreciated. **Your email will also be used to send out lunch/breakfast balances, school announcements, etc. You are encouraged to check it often for school information.** Thank you.

Thank you.
Norris City-Omaha-Enfield Community Unit School District #3
Norris City-Omaha Elementary School

If you have more than one email or parents in different households, you may list both here and they will be added to the TeacherEase access. Thank you.

Your Name: _____

Child's Name: _____ Grade Level _____
