

SMART SNACKS

Starting in school year 2014-15, all foods sold at school during the school day had to meet USDA nutrition standards. The Smart Snacks in School regulation applies to foods sold a la carte, in the school store, and vending machines.

Take the guess work out of your day! Answer the following series of questions to see if your product meets the USDA's Smart Snacks in School nutrition standards

*Results from this calculator have been determined by the U.S. Department of Agriculture to be accurate in assessing product compliance with the Federal requirements for Smart Snacks in Schools.
