

LSA FAMILY VOLUNTEER HOURS

2019-2020

Thank you for volunteering your time to help LSA this school year. With your help, you are helping teachers provide more time for their students, making events for our kids and parents run more smoothly, and making fundraising for our school possible. These are just a few of the many ways you make this school run successfully each and every year.

As a reminder, all families are asked to give 10 hours of volunteer service to LSA for the school year. Because we know that things happen and people get busy, you will be asked to write a \$100.00 check today. This check will be returned to you at the completion of your hours. If you are unable to volunteer, your check will be used to help support the school and its programs offered to the students.

Thank you for your continued support in all aspects of this school. We know that because of you, we are better together. After all, many hands make light work.
