REETHS-PUFFER SCHOOLS PARENT STUDY TRIP PERMISSION FORM

Dear Parent or Guardian:

Your child is eligible to participate in school sponsored activities which take place throughout the school year. Such activities may require that your child be transported to a location away from the school premises by the district's Transportation Department.

All Study Trip activities involving your child take place under the guidance and supervision of staff, parents, and other volunteer support.

Whenever we have a study trip planned that would include your child, the classroom teacher will send a notice to you in advance stating the particulars of the upcoming trip.

If you would like your child to participate in school sponsored study trips throughout the school year, please sign and return the Parent Permission Slip to the classroom teacher.

I hereby consent to allow my child to participate in school sponsored study trips and am aware that such events will take place away from the school grounds. I understand that my child will be under the supervision of the designated school personnel. I further agree to the conditions stated above on participation, including the method of transportation.
