

Lebanon Elementary PTA

2023-2024 MEMBERSHIP

OUR MISSION

The Lebanon Elementary School PTA is a thoughtful partnership between parents and educators that aspires to positively impact and enrich the lives of our students and families.

We are dedicated to our students' educational success, well-being, and quality family time.

By supporting teachers and staff, providing opportunities to heighten school spirit, and hosting during and after school events, the PTA fosters connections with one another, brings families together, and strengthens our community.

WHY JOIN THE PTA?

Your membership supports the PTA and the PTA supports your child's school. From school assemblies, field trip allotments, and staff recognition, to family nights, book fairs, yearbook and more, the PTA provides many of the activities your student experiences weekly.

Although volunteers are always welcome you don't have to volunteer.

Simply show your support by becoming a member today.
