H-BC Parents,

As the school year approaches, H-BC Schools are continuing to prepare. Traditionally we have shared information through a back to school packet. This email is intended to replace the information from the packet and will contain all of the necessary instructions for registration and getting the school year started.

Again, this year we will be collecting registration information through a website called FamilyID. The site allows us to securely collect information and parent permissions. Because it is new, families will be required to set up accounts. Instructions for completing the online registration are attached to this email. All students must be registered through this process before September 3. Thank you for your cooperation in completing the on-line registration process.

- Instructions for completing online registration
- Online registration link

Also attached to this email are documents that had previously been included in the packet. This information includes:

- Superintendent Holthaus' Back to School Letter Including important dates and times
- Secondary and Elementary Supply Lists
- Secondary and Elementary Staff Directories
- Kindergarten Parents be on look out for email regarding Back to School Conferences
- 2019-2020 District Calendar
- Information on Free and Reduced Lunch Program
- 2019-2020 District Fee Schedule
- Minnesota Department of Revenue TAX Information—website link

Bussing information will be sent directly to parents by USPS mail, at a later time.

If you have any questions or concerns about registration, please contact either of the school offices.

Instructions for online student registration were sent out to parents by email this morning. Information on registration can be found at: <a href="https://5il.co/9f5x">https://5il.co/9f5x</a>. All information that was previously in back to school packets will be in the email and online!

Sincerely,

Todd Holthaus Superintendent

# For your convenience, the district has gone to a *primarily* paperless registration process. Thank you for promptly taking the time to complete & submit all required needed information.

Please follow the directions on the attached Back To School Registration Sheet carefully.

- Only one primary parent/guardian is required to complete the full student registration process.
  - Example: Some parents, who do not reside together, have requested separate passwords. Both parents may log in and review the student data. Only one parent will complete the student registration portion. The second parent will only need to verify his or her own personal address/phone data.
- It is important that all Parents & Students review and understand all the district policies. These policies are necessary for a safe and secure learning environment.
- All online registration and paper registration forms must be completed on or before day one of school.
- Please carefully read all the information about our lunch program. Parents are encouraged to prepay for lunch and milk break. The PaySchools is a convenient payment option.

Please call with any questions you may have. We look forward to a great year at H-BC!

Sincerely,

Todd Holthaus Superintendent

### ONLINE STUDENT REGISTRATION INSTRUCTIONS 2019-2020

H-BC Schools are again utilizing an online registration system called FamilyId—it is the same system that was used to register/enrollment for this last school year 18-19.

FamilyID is a secure registration platform that provides you with an easy, user-friendly way to register for school. When you register through FamilyID, the system keeps track of your information in your FamilyID profile. You enter your information only once for each family member for multiple uses and multiple programs. This program is separate from our JMC student information system and you will have to initially enter student and parent information.

### **REGISTRATION PROCESS:**

If you have a Familyld account already from the 18-19 school year click on the link (or copy and paste in a web browser )below to register/enroll your student:

**Elementary Student Registration K-5** 

Secondary Student Registration Grades 6-12

### **FIRST TIME USERS** Follow these steps:

- 1. To register, click on the link THIS LINK: https://www.familyid.com/hills-beaver-creek-isd-671
- 2. Select the registration form under the word *Programs*—either elementary K-5 or secondary 6-12.
- 3. Next click on the green **Register Now**. Because this will be the first time you are logging in, you will need to create a Family ID account. Click on **Create Account** to get started.
- 4. **Create** your secure FamilyID account by entering the account owner First and Last names (parent/guardian), E-mail address and password. Select **I Agree** to the FamilyID Terms of Service. Click **Create Account**.
- 5. You will receive an email with a link to activate your new account. (If you don't see the email, check your Email filters (spam, junk, etc.).
- 6. Click on the link in your activation E-mail, which will log you in to FamilyID.com
- 7. Proceed to the enrollment button to enroll.

### **REGISTERING YOUR STUDENT**

- 1. Once in the registration form, complete the information requested for student one. All fields with a red\* are required to have an answer.
- 2. Click the *Continue* button when your form is complete.
- 3. Review your registration summary.
- 4. In order to register a second student, you may have to return to the original registration page and select the appropriate program or school

When finished, you have two options. You can indicate any payments that will take place through PaySchools or indicate that you will pay in cash or check. No payment will be recorded in the Family ID system, but you will click on *Pay* to complete the registration. After you click *Pay*, you will receive a completion email.

At any time, you may log in at www.familyid.com to update your information and to check your registration(s). To view a completed registration, select the 'Registration' tab on the blue bar.

### SUPPORT:

- If you need assistance with registration, contact FamilyID at: support@familyid.com or 888-800-5583 x1.
- Support is available 7 days per week and messages will be returned promptly.

Sincerely,

Todd Holthaus Superintendent

### Dear Parent/Guardian:

Our school provides healthy meals each day. The current daily lunch costs \$2.65 for grades K-8 and \$2.80 for grades 9-12. Your children may qualify for free or reduced-price school meals. To apply, complete the enclosed Application for Educational Benefits following the instructions. A new application must be submitted each year. At public schools, your application also helps the school qualify for education funds and discounts.

State funds help to pay for reduced-price school meals, so all students who are approved for either free or reduced-price school meals will receive school meals at no charge. State funds also help to pay for breakfasts for kindergarten students, so all participating kindergarten students receive breakfast at no charge.

Return your completed Application for Educational Benefits to: H-BC Elementary (PO Box 49, Beaver Creek, MN 56116) or H-BC Secondary Office (PO Box 547, Hills, MN 56138) on or before September 3, 2019. Or complete the digital version of the application and email to <a href="mailto:s.scholten@isd671.net">s.scholten@isd671.net</a>.

Who can get free school meals? Children in households participating in the Supplemental Nutrition Assistance Program (SNAP), Minnesota Family Investment Program (MFIP) or Food Distribution Program on Indian Reservations (FDPIR), and foster, homeless, migrant and runaway children can get free school meals without reporting household income. Alternatively, children can get free school meals if their household income is within the maximum income shown for their household size on the instructions.

To apply for free school meals, please complete the Application for Educational Benefits form.

### **COMMON QUESTIONS:**

I get WIC or Medical Assistance. Can my children get free school meals? Children in households participating in WIC or Medical Assistance do not automatically qualify for free meals. Children may be eligible for free or reduced-price school meals depending on other household financial information. Please fill out an application.

Who should I include as household members? Include yourself and all other people living in the household, related or not (such as grandparents, other relatives, or friends).

**May I apply if someone in my household is not a U.S. citizen?** Yes. You or your children do not have to be U.S. citizens for your children to qualify for free or reduced-price school meals.

What if my income is not always the same? List the amount that you normally get. If you normally get overtime, include it, but not if you get overtime only sometimes. For seasonal work, write in the total annual income.

Will the income information or case number I give be checked? It may be. We may also ask you to send written proof.

**How will the information be kept?** Information you provide on the form, and your child's approval for meal benefits, will be protected as private data. For more information see the back page of the Application for Educational Benefits.

**If I don't qualify now, may I apply later?** Yes. Please complete an application at any time if your income goes down, your household size goes up, or you start getting SNAP, MFIP or FDPIR benefits.

Please provide the information requested about children's racial identity and ethnicity, which helps to make sure we are fully serving our community. This information is not required for approval of school meal benefits.

If you have other questions or need help, call Starla Scholten, (507)962-3240, ext 10.

Sincerely,

Todd Holthaus
Superintendent

Todd Holthaus

### **How to Complete the Application for Educational Benefits**

Complete the Application for Educational Benefits form for school year 2019-20 if any of the following applies to your household:

- Any household member currently participates in the Minnesota Family Investment Program (MFIP), or the Supplemental Nutrition Assistance Program (SNAP), or the Food Distribution Program on Indian Reservations (FDPIR) or
- The household includes one or more foster children (a welfare agency or court has legal responsibility for the child) or
- The total income of household members is within the guidelines shown below (gross earnings before deductions, not takehome pay). Do not include as income: foster care payments, federal education benefits, MFIP payments, or value of assistance received from SNAP, WIC, or FDPIR. Military: Do not include combat pay or assistance from the Military Privatized Housing Initiative. The income guidelines are effective from July 1, 2019 through June 30, 2020.

### Step 1: Children

List all infants and children in the household, their school and grade if applicable, and birthdate. Attach an additional page if needed to list all children. Check the box if a child is in foster care (a welfare agency or court has legal responsibility for the child).

### Step 2: Case Number

If any household member currently participates in SNAP, MFIP or FDPIR, write in the case number and then go to Step 4. If you do not participate in any of these programs, leave Step 2 blank and continue on to Step 3.

### Step 3: Adult and Child Incomes / Last 4 Digits of Social Security Number

- **Child Income**. If any children in the household have regular income, such as SSI or part-time jobs, list the total amount of regular incomes received by all children, and check the box for the frequency: weekly, bi-weekly, twice a month, or monthly. Do not include occasional earnings like babysitting or lawn mowing.
- Adult income. Report the names of adult household members and income earned in this section.
  - List all adults living in the household not listed in Step 1, whether related or not, such as grandparents, relatives, or friends.
  - **Gross Earnings from Work**. For each income, check the box to show how often the income is received: weekly, bi-week, twice per month, or monthly.
  - List gross incomes before deductions, not take-home pay. Do not list an hourly wage rate. For adults with no income to report, enter a '0' or leave the section blank. For seasonal work, write in the total annual income.
  - **Self-employment or Farm Income.** List the net income per month or year after business expenses. A loss from farm or self-employment must be listed as 0 income and does not reduce other income.
  - All Other Gross Income. List gross incomes before deductions from any other sources, such as SSI, unemployment, child support, public assistance, social security, rental income or annuities.
- Social Security Number/Total Household Members. An adult household member must provide the last four digits of their
   Social Security number or check the box if they do not have a Social Security number. The total household members is reported.

**Step 4: Signature and Contact Information** An adult household member must sign the form. If you do not want your information to be shared with Minnesota Health Care Programs, check the "Don't share" box in Step 4.

**Optional:** Please provide the information on ethnicity and race that is requested on the second page of the form. This information is not required and does not affect approval for school meal benefits. The information helps to ensure we are meeting civil rights requirements and fully serving our community.

The Richard B. Russell National School Lunch Act requires the information on this application. You do not have to give the information, but if you do not, we cannot approve your child for free or reduced price meals. You must include the last four digits of the social security number of the adult household member who signs the application. The last four digits of the social security number is not required when you apply on behalf of a foster child or you list a Supplemental Nutrition Assistance Program (SNAP). Temporary Assistance for Needy Families (TANF) Program or Food Distribution Program on Indian Reservations (FDPIR) case number or other FDPIR identifier for your child or when you indicate that the adult household member signing the application does not have a social security number. We will use your information to determine if your child is eligible for free or reduced price meals, and for administration and enforcement of the lunch and breakfast programs. We MAY share your eligibility information with education, health, and nutrition programs to help them evaluate, fund, or determine benefits for their programs, auditors for program reviews, and law enforcement officials to help them look into violations of program rules.

At public school districts, each student's school meal status also is recorded on a statewide computer system used to report student data to MDE as required by state law. MDE uses this information to: (1) Administer state and federal programs, (2) Calculate compensatory revenue for public schools, and (3) Judge the quality of the state's educational program.
