The HCV Booster Club wants to thank all our 2018-2019 members and hope you will consider supporting us again or joining as a new member. We look forward to continuing our support into the 2019-2020 school year. Like previous years, each school will still retain their separate Booster Clubs that will support our nonathletic extra-curricular programs. As you will see below, all of our groups have been active this past year and we are excited to continue to expand our ability to support our students!
