MOUND CITY R-2 INTERSCHOLASTIC PHILOSOPHY

Extracurricular participation has long played a major role in the educational development of public school students. The Mound City R-2 Schools are committed to providing a strong interscholastic program that emphasizes the student's moral, physical, mental, and emotional development.

As we strive to develop our young people in these four areas, it is important to establish a strong foundation for guidelines that will enhance these areas of student growth. It is also important to remember that students must first establish themselves both academically and as productive school and community citizens before they are allowed to represent Mound City R-2 in interscholastic activities.

As a member of the Missouri State High School Activities Association, we are obligated to both recognize and adhere to their guidelines and policies governing interscholastic activities.

As approved by the Mound City R-2 Board of Education, these guidelines will become our foundation for student success.

Mr. Ken Eaton
Superintendent
Mr. Korey Miles
Principal, Athletic Director

Ms. Dee Flint
Elementary/Middle School Principal

EXTRA-CURRICULAR PARTICIPANT RESPONSIBILITIES

It is the responsibility of the participant to display good sportsmanship at all times. Because players are admired and respected, they exert a great deal of influence over the actions and behavior of the spectators and their fellow students. Desirable behavior for the participants would be to:

1. Treat opponents with the respect that is due them as guests and fellow human beings.
2. Shake hands with opponents and wish them good luck before the contest.
3. Exercise self-control at all times, accepting decisions and abiding by them.
4. Respect the officials' judgments and interpretations of the rules. Never argue, or make comments or gestures indicating a dislike for a decision.
5. Do not communicate with the officials regarding clarification of the ruling. This is a function of the captain.
6. Accept both victory and defeat with pride and compassion, being neither boastful nor bitter.
7. Congratulate the opponents in a sincere manner following either victory or defeat.
8. Accept seriously the responsibility and privilege of representing the school and community.

EXTRA-CURRICULAR PARTICIPANT RESPONSIBILITIES AS A SPECTATOR

Students' habits and reactions as spectators determine the quality of sportsmanship, which reflects upon the reputation of their school. Therefore, it is recommended that they:

1. Know and demonstrate the fundamentals of sportsmanship.
2. Respect, cooperate, and respond enthusiastically to cheerleaders.
3. Censor fellow students whose behavior is unbecoming.
4. Respect the property of the school and the authority of the school officials.
5. Show respect for an injured player when the player is removed from the contest.
6. Do not applaud errors or penalties inflicted upon opponents.
7. Do not heckle, jeer, or distract members of the opposing team.
8. Never criticize the players, participants, sponsor/advisors or coaches for the loss of a game or competition.
9. Respect the judgment and strategy for the coach.
10. Avoid profane language and obnoxious behavior.

SPORTS AND ACTIVITIES POLICIES

Policies pertaining to termination of a student participating in a sport or activity:

1. Participant voluntarily terminating a sport – beginning practice in a sport of the same season. Any athlete who tries out for a particular sport and subsequently drops from the squad on his or her own accord after the first varsity contest in that sport, cannot compete in another sport during that sports season. A student then may go out for another sport in the new sports season that follows.
2. Participant voluntarily terminating a sport – beginning practice in a sport of the succeeding season. Any athlete who tries out for a particular sport and subsequently drops from the squad of his own accord after the first varsity contest, cannot begin practice in a sport of the succeeding sport season until the schedule of the sport in which he was competing has been completed.
3. Participant involuntarily terminating a sport – If any athlete is cut from the squad he/she may try out immediately for another sport during the same season. However, if an athlete is dismissed from a team due to disciplinary reasons, he/she may not participate in any other sport during the same season.

Policies pertaining to athletic/activities awards:

1. A participant will be awarded a school letter, a sport emblem, and a bar the first time he/she earns a Mound City R-2 High School letter. Each succeeding year that he/she earns a letter in a particular varsity sport, he/she will be awarded an additional bar.
2. Method of receiving awards. Each coach will submit a list of award recommendations to the Athletic Director. These letters will be awarded at the sports social by the head coach.

Policy on completion of season to earn award: A participant must complete the sport or activity to qualify for an award, unless his or her season ends due to an injury.

Policy on lettering: Each sport will set its own lettering requirements. These requirements will be listed on the handout given to students prior to the season.

TRANSPORTATION

To justify the transportation to and from athletic events, a person may get off a bus without coming back to the school if it is at their home or a parent is waiting for them at a place that would be closer to their home.

A student may ride home with his or her parents or guardian if a parent comes to the coach or sponsor and requests to take their student home with them. The parent must sign their son/daughter out on the sheet provided. A student may ride home with another parent, providing they have a note signed by their parent giving them permission. The note must list the person with whom the student has permission to ride and must be signed and dated for each request. The parent, who is taking the student, must sign them out on the sheet provided. Any circumstances other than those listed above must be approved by the Mound City R-II administration prior to departure from the event.

Any student who violates these rules or any training rules establishes by their head coach or sponsor, may be suspended from the team or organization for the remainder of the season and may forfeit those awards earned prior to the suspension.

PARENT/COACH COMMUNICATIONS

Both parenting and coaching are extremely difficult vocations. By establishing an understanding of each position, we are better able to accept the actions of the other and provide greater benefits to students. As parents, when your student becomes involved in our program, you have a right to understand what expectations are placed on your student. This begins with clear communication from your student's coach.

COMMUNICATION COACHES EXPECT FROM PARENTS

1. Concerns expressed directly to the coach.
2. Notification of any schedule conflicts well in advance.
3. Specific concern in regard to a coach's expectations or treatment of their child.

As your student becomes involved in the programs in the Mound City R-2 Schools, they will experience some of the most rewarding moments in their lives. It is important to understand that there also may be times when things do not go the way you or your student wishes. At these times discussion with the coach is encouraged.

COMMUNICATIONS YOU SHOULD EXPECT FROM A COACH

1. Philosophy of the coach.
2. Expectations the coach has for your student as well as all the players on the squad.
3. Location and times of all practices and contests.
4. Team requirements, i.e. fees, special equipment, off-season conditioning.
5. Procedure should your student be injured during participation.
6. Discipline resulting in the denial of your student's participation.

APPROPRIATE CONCERNS TO DISCUSS WITH COACHES

1. The treatment of your student mentally and physically.
2. Ways to help your student improve.
3. Concerns about your student's behavior.

It is very difficult to accept your student not playing as much as you may hope. Coaches are professional. They make judgment decisions based on what they believe to be the best for all students involved. As you have seen from the list above, certain things can be and should be discussed with your student's coach. Other things, such as those listed next, must be left to the discretion of the coach.

ISSUES NOT APPROPRIATE TO DISCUSS WITH COACHES

1. Pressure to increase playing time.
2. Team strategy.
3. Play calling.
4. Other student-athletes/participants.

There are situations that may require a conference between the coach and the parent. These are to be encouraged. It is important that both parties involved have a clear understanding of the others position. When these conferences are necessary, the following procedures should be followed to help promote a resolution to the issue.

1. Call to set up an appointment with the coach.
2. Please do not attempt to confront a coach before or after a contest or practice. **A parent should not enter a team locker room before or after a contest or practice unless their student has been injured.** These can be emotional times for both the parent and the coach. Meetings of this nature usually do not promote resolution.

THE NEXT STEP

What a parent is to do if the meeting with the coach did not provide a satisfactory resolution:

1. Call and set up an appointment with the Activities Director to discuss the situation.
2. At this meeting the appropriate step can be determined.

Since research indicates a student involved in co-curricular activities has a greater chance of success during adulthood, these programs have been established. Many of the character traits required to be successful participants are exactly those that will promote a successful life after high school. We hope the information provided within this handbook makes both your student and your experience with the Mound City R-2 Athletic Program less stressful and more enjoyable.

**MOUND CITY R-2 JUNIOR HIGH & HIGH SCHOOL PARTICIPANTS
CONTRACT**

Any student who represents the Mound City R-2 District in interscholastic competition will be required to sign the following contract and deliver it to the Athletic Director before participating in any interscholastic event.

I, along with my parents have read and understand all of the Mound City R-2 School district policies in the activity handbook. I will abide by those guidelines established in this manual and by those set down by the Missouri State High School Activities Association.

I also recognize that by violating these guidelines, I will seriously endanger my eligibility as a representative of Mound City R-2. It is a privilege to represent my school and I will make decisions accordingly.

Any student and/or parent that feel he or she has been treated unreasonably in regard to these guidelines, should first talk to the coach, then the Athletic Director, and then the Superintendent. If the parents still are not satisfied then they may appeal to the Board of Education at a regularly scheduled board meeting. (It is not appropriate to contact board members before this procedure has been followed.) The Board of Education will then hear the complaint and decide whether an injustice has been done. Parents of the student are welcome to sit in during the session and to express their viewpoint. The Mound City R-2 Board of Education decision will be considered final.

Prior to participating in any practice or tryout sessions for any interscholastic sport, each athlete must:

1. Successfully pass a physical examination by a physician and a copy of the physical must be on file in the office of the Activities Director. A physical exam is valid if issued on or after June 1 of the previous school year.
2. Provide proof of personal health insurance.
3. Return activities contract signed by both the student and parent(s).

I agree that I will refrain from participating in any student hazing activities as a participant or as an observer. I further understand that violation of the District’s hazing policy may result in suspension or expulsion from school and suspension or expulsion from participation in all activities.
