Spanish II / Spanish III / Spanish IV
Ag Science/ Agriculture Business Management/ Hort
Heartland Tech Academy / RCC Dual Credit Class / Online AP Course
PE / APT / Study Hall

Only students with a 3.0 GPA during their Freshman and Sophomore year will be eligible for Dual Credit Classes.

Students who graduate from LSA with a 3.65 GPA can apply for a 2-year honors scholarship opportunity through RCC.

I have reviewed my child's course selections for the 2019-2020 academic terms. They have my permission to register for the courses as listed. I also understand that students are required to have 28 credit hours to graduate plus a minimum of 20 service hours per each year.
