SCHOOL BUS SAFETY TIPS

MOST SERIOUS SCHOOL BUS INCIDENTS OCCUR WHEN CHILDREN ARE OUTSIDE THE BUS

Make sure your children know and follow these rules:

- Be on time for the bus
- Never run to or from the bus
- Be alert and stand back from the curb
- Don't push or shove
- Stay in your seat
- Don't yell or shout
- Always obey the driver
- Wait for the driver's signal before crossing
- Always cross at least 12 feet in front of the bus
- Never crawl under a school bus

Meet the bus. Coordinate with other parents to ensure an adult is present at the bus stop every day, especially when children under the age of nine are present.

Parents are to be aware that due to unscheduled late start and early dismissals due to inclement weather, etc., it will be their responsibility to monitor radio/television stations and be in close contact with the school. It is very important that parents have alternative or emergency telephone numbers and an emergency overnight in-town residency where their child(ren) could stay.
