

PARENT AND COMMUNITY NOMINATION FORM FOR GRADES 1-11

Gifted and Talented Services/LEAP

LA GRANGE ISD

The La Grange ISD would like to offer you the opportunity to assist us in locating children who are potential candidates for Gifted and Talented Services or LEAP(Learning Experiences for Advanced Performance), a way to serve gifted and talented students in grades 1-11. These are children who are achieving beyond that which may be expected of their classmates in general intellectual ability and specific academic ability. Nominated students must be currently enrolled in La Grange ISD. In order to identify students for these services, students will be screened with standardized tests and a teacher/parent inventory. Qualifying students will begin receiving services during the upcoming school year.

Please return the form below to nominate a child for the screening process. Please return the form to the campus office of the nominated student **no later than the nomination date listed on the LGISD website.**
