MARYSVILLE GETCHELL HIGH SCHOOL NEWSLETTER

FIRST DAYS OF SCHOOL

Freshmen & Link Crew Only: September 4th

All Grades: September 5th

FROM THE PRINCIPAL

Welcome to the 2019-20 school year!

I hope your summer has been as restful, reinvigorating, adventurous, or peaceful as you had hoped. The new school year brings with it a sense of renewal, hope, new beginnings, and excitement. As you may already know, last school year, the Marysville Board of Directors voted to organize the MGHS campus, with its four Small Learning Communities, into one Marysville Getchell High School. The 2019-20 school year will see a major change to our campus as we have moved to organizing the buildings by departments. This move will provide teachers more opportunities to work and plan with colleagues who teach the same subject. For our returning students, there is a strong possibility that your teacher's location has changed!

I am very excited to announce that we are implementing the Freshmen Mentoring program, Link Crew, this fall. In fact, it will be starting on the very first day of school. For the first time, the traditional first day of school will now be devoted to our Freshmen students and their mentors. All other students will now have their first day of school on Thursday, September 5, 2019.

My goal is to provide your student with the best educational and social/emotional experience while we continue to work thoughtfully on the future plans for MGHS.

The 2019-20 school year promises to be filled with positive, exciting opportunities for all students. The Charger staff is busy getting the final touches on their rooms, lessons, and year-long plans. I look forward to welcoming back our returning students and meeting those new to Getchell High. No matter if your student is a senior or freshmen, all of us play a huge part in making everyday a great day the Charger way.

As always: Make it a great day the Charger Way!

Sincerely,

Richard Zimmerman

TOUCHBASE | Online payments

Available at payments.msd25.org

Welcome!

Thank you for using our online payments portal: TouchBase. Our online payments portal is a bit more than a place to make payments – we trust you'll find it a key tool when managing your account or your students account!

As a parent/guardian, you'll be able to:

- | | |
|---|---|
| 1. Purchase items online | 4. your students in one transaction |
| 2. Pay for fines and/or fees online | 5. View/print/save your student/customer ledger |
| 3. Pay fines, fees, or purchase items for all | 6. View/print/save receipts |
- And much more!*

What is TouchBase?

Marysville School District has implemented a new payment system, InTouch, which includes an online payment feature, making it easy on parents/guardians to pay student fines, fees, make a food service payment and Chromebook insurance all in one portal. As a parent, this new application allows you to access your students' account online using a computer, via your favorite mobile device, or in person, at any one of our school locations. The new system will be replacing e~Funds. If you have any questions or concerns, please contact Peggy King at (360) 965-0094.

How do I Sign in to the online payments portal?

The online payments application – TouchBase – has been configured to use the same login credentials as Skyward Family Access. You can find the login page at <http://payments.msd25.org/>

For parents with multiple students in the district, you'll be able to see all your students with **one** username and password. Once you've selected your student, the shopping experience will be specific to that student. If you find that not all of your students show up, please contact Peggy King at (360) 965-0094.

FAQ | Commonly asked questions

Q: Is my credit card data stored when I use the online payments application?

A: No – the online payments application does not store your card data under any circumstance. Marysville School District does not store your credit card data under any circumstance, either. The online payments portal uses PCI compliant processes and security protocols to ensure your data is protected while being processed. All payment information is confidential, secure, and protected.

Q: I have a fine on my student's account. Why would my student have a fine?

A: There are several reasons why your student may have a fine. The online payments application is integrated to each school's finance office, and many other district systems send the online payments application data. The most common reasons for why a fine is on a student's account are: A student lost or damaged a library/textbook, a class fee wasn't paid, a student damaged school property, a student didn't pay a field trip fee, a club due, etc. on time.

If there is a fine on your account, certain items may be restricted for purchase until the fine/fines are paid.

Q: I tried to log in to the store, but I haven't been able to, what should I do?

If you are having issues signing into the web store, it's most likely because you haven't created a password, or because you aren't signed up/enrolled in the parent portal. You can first try the recover password utility on the login page, but if that doesn't work, please contact Peggy King at (360) 965-0094 for further instructions.

MSD Insurance for Chromebooks Facts

Thanks to the generosity of voters in the Marysville community, the educational program in your child's school, grades 6-12, includes a Chromebook issued to your child for their educational use at school and home.

Just like textbooks, team uniforms and other school property issued to your child for school purposes, there is a responsibility to take care of the resource. We know accidents and/or loss may happen, even when students intend to take good care of the device. In these instances, district policies and state regulations require a fine be levied to cover the repair or replacement cost of district property. With Chromebooks, the cost of loss or damage is lower than most other technology tools. The district will offer a voluntary MSD Insurance Program for Chromebooks in the 19-20 school year.

COVERAGE AND BENEFIT: This insurance covers the Chromebook loaned to the student against ONE incident of accidental damage, theft, vandalism or loss for the current school year. This program **does NOT cover damage or loss of the power cord, carrying case or keyboard keys**. This program does NOT cover intentional misuse, abuse or neglect by any household members. If the student does not exercise proper care and precautions, the cost of the repair or replacement will be the responsibility of the student/parent. Keys do not just pop or fall off of the keyboard. Missing or rearranged keys are an indicator of intentional or negligent misuse of the machine.

Upon paying for Chromebook Insurance, if the Chromebook is accidentally damaged or vandalized, it will be repaired as shown in the table below. Insurance must be in place prior to a claim being filed. ***Purchasing insurance after deployment of the Chromebook is possible, but the Chromebook must be assessed for current damage prior to the insurance taking effect.***

Insurance Repair/Replacement Fees	First Claim (w/in School Year)	Subsequent Claims
REPAIRABLE DAMAGE	none	Cost of Repair (Parts Cost)
THEFT (with Police Report)	none	Cost of Replacement Chromebook
LOST or THEFT (w/out Police Report)	\$50.00 deductible	Cost of Replacement Chromebook

THEFT: If the Chromebook is reported stolen, the Marysville School District requires a police report be submitted to the school. Fraudulent reporting of theft will be turned over to the police for investigation. A student making a false report will also be subject to school disciplinary action.

LOSS: If the Chromebook is lost, the district will reduce the replacement cost to \$50 for the first loss. The student will be issued a replacement Chromebook, and the lost machine will be remotely disabled. In the event the lost Chromebook is recovered in working condition in the future, the deductible or replacement cost previously paid by student/parent will be refunded. Any subsequent loss will be charged to the parent/student at full replacement cost.

Any Chromebook lost or stolen will be remotely disabled until the Chromebook is returned.

Students who withdraw or leave the Marysville School District and do not return the student issued Chromebook will be subject to a fine and possibly reported to the local law enforcement as having possession of a stolen device. The Chromebook will be remotely disabled and all functionality removed until the Chromebook is returned.

If you choose not to purchase MSD Chromebook Insurance, you will be responsible for the full cost for repair due to damage or replacement of the Chromebook.

*All damage assessments will be at the sole discretion of the district technology department technician.
You must sign-up or decline participation in the insurance program.*
