

Bus Routes

Bus routes are designed each year to create the safest and most efficient ride to school for Garfield Students. Routes may be updated throughout the year and will always be posted on the district website.

You will receive updates on your cell phone when a bus is running late or when there is a substitute driver or bus running your child's route. To ensure you are receiving updates you should make sure your cell phone is current in [Final Forms](#).

View the current bus routes by clicking [here](#).

Questions regarding transportation should be directed to Garfield's Transportation Department

Transportation Supervisor
Mr. Roger Fisher
