

Power Zone Communication

We are revamping the lines of communication for Power Zone. It is our hope that this makes the flow of information between PZ, parents, buses and the school easier.

- **Call** the elementary office during school hours 8:00am - 3:10pm.
(785)325-2261 ext.2
- **Call** or **text** the Power Zone phone any time and leave a message or call after 3:15pm to speak directly to one of the staff members.
NEW NUMBER (785) 747-8164
- **Email** Power Zone
powerzone@usd108.org

*Please use the phone numbers for last minute changes and use email for other future changes.

To help things flow better we ask that you only use one of these ways to communicate Power Zone changes with us.

Thank you for working with us,
Jenna Stevenson and Kristin Sawin
