Dear Parents, Grandparents, and Friends of SCCS,

During this Advent Season the school children have been working hard preparing for the birth of Jesus. The Christmas tree is glowing in the cafeteria, the classrooms are decorated, gifts have been made, the Christmas Program is now a beautiful memory and the parties are planned and ready to go. Students in grades 3–8 received the sacrament of Reconciliation within the last two weeks. You can say that we have prepared well for the miracle of Jesus.

The Christmas season teaches us to prepare for what is important in life and when you have prepared well, you deserve to be joyful for all your work. I'm sure the same thing happens in your homes. After all the Advent preparations are completed, you can celebrate Christmas in a beautiful family tradition.

The teachers, staff and administration, wish our St. Charles families the blessing of Christmas. Enjoy this time with your family and have a Merry Christmas and a peaceful New Year.

Arrival and Dismissal Safety

Our arrival and dismissal procedures are designed with the safety of our students in mind. We ask that all school families follow these procedures to ensure the safety for all. We understand that sometimes we are in a hurry but we also recognize that nothing is so important that we should risk anyone's safety.

During morning drop-off we ask that all families use the designated lanes. Please do not drop your child off on the street and have them cut through parked cars and cross the driving lane. Also be sure to watch for students in crosswalks.

In the afternoon please be sure that you pull close to the car in front of you so we can get everyone in the parking lot. We have also been having a problem with a few cars backing out on Cable Rd. rather than waiting to exit the proper way. This cannot continue to happen as it could cause problems on Cable Rd. and it is not teaching our children the value of the virtue of patience. Thank you for your cooperation.
