A WEEKLY SCHOOL NEWSLETTER

JANUARY 19, 2023 VOLUME 6; ISSUE 20

## PRINCIPAL NEWSLETTER

BY MEGAN SCHEID

Dear Parents, Grandparents, and Friends of SCCS,

Are you wondering why the school needs to have fundraising projects? We have these to support the program expenses for the current and upcoming school year. Fundraisers help us manage actual costs that would have to be charged to families in the form of tuition.

Our largest fundraising event is our Bid For Kids Auction. Our hope is that everyone participates in this event. We need lots of help for this, but more importantly, we need the entire St. Charles and LCC Community to join us in sponsoring, donating, and attending. Our annual auction works to raise large profits that are absolutely necessary for school operations as budgetary items.

We all need to work together to make this event successful. So with that in mind, how can you help? We don't want all funds to come out of a few pockets. We need many people. This includes extended family, friends, neighbors, and business associates. They need you to tell them about these opportunities and to ask them to participate. Please reach out to people that you have contact with and ask for their assistance and their consideration for our school.

All of us make our school possible. Let's keep the energy going as we sustain and build our school for this year and many more.
