**Our Approach**

At St. Charles Catholic School we recognize that families have many financial demands and tuition is one piece of the puzzle. Tuition assistance may be a short term need or part of long-term enrollment at SCCS. Whatever the situation, we view the opportunity to help families who truly want a Catholic education for their child but can't fully cover the cost as a conversation worth having. Last year, approximately 64% of our students received some form of financial aid. Please indicate which Scholarships, financial aid and/or other options you would like to apply for by placing a checkmark in the appropriate boxes.
