Dear Parents, Grandparents, and Friends of SCCS,

We had a dedicated group of teachers and staff work diligently to prepare for our 40th annual Positive Addiction Week. The speakers brought new education and the presenters demonstrated a variety of activities. We are all looking forward to hearing our keynote speaker, Julie Wilkes, after 9:00 Mass tomorrow when she speaks to the Lima Catholic Community.

We wish our runners good health and lots of endurance. The 5K race will begin at 11:30 for grades 6-8 and LCC students. The 1 Mile Fun Run for 5th graders will begin at 11:35. Thanks to all the parents and staff that volunteered to make this week a memorable experience. I would like to especially thank Carol Van Meter, Dylon Webb, Candace Keating, and Kathy Daley for all of their efforts in planning and executing the events that make Positive Addiction Week so special for our school community. I would also like to thank Scott Shutt and Kewpee for providing our students with lunch on tomorrow! Awards will be given out at 2:15 for our top finishers in 6-8 grades.

The teachers at St. Charles make a tremendous impact in the lives of our children. We would like to take this time to thank them for the amazing work and dedication they provide each and every day to help our children grow both academically and spiritually.
