

## Middle School Behavior Plan

Welcome back to the 2019-2020 school year! We are so excited to start a new year. To help our students become responsible learners, we have put together a new management system to help our students learn qualities that will help them in their future educational endeavors. Please take a moment to read over our new system and please let us know if you have any questions. We look forward to an exciting new year!

- Every student will receive a planner at the beginning of the year and is **required** to bring the planner to each class.
- Planners will be used for the students to write down their assignments, and for teachers to track behavior.
- Students who acquire three behavior notes in their planner during a school day will be issued a lunch detention. Behavior notes could include but are not limited to being tardy, not bringing materials to class, disrupting class, etc.
- Students who have three late or missing assignments in one week will receive a lunch detention.
- Students may also earn a lunch detention for major offenses such as foul language or being sent to administration.
- After three lunch detentions a student will be issued an after school detention.
