

Tyler SIS Student 360 Parent/Student Portal

The next generation of Tyler SIS starts with Student 360. This new portal for parents, students and staff consists of two pieces, a touch-enabled browser app and a mobile app, that provide a fresh updated experience.

The mobile app offers quick access to data areas that parents and students will likely want to see more frequently. The browser app provides data on a wide range of student information, in more detail than would be easily viewed on a phone. Since the browser app is touch-enabled, it works on tablets as well as PCs and Macs.

Student 360 - Parent Portal

To begin using the Parent Portal, follow these steps:

1. Fill out the [Parent Portal Agreement Form](#) and return it to the school office.
2. Your login information will be emailed to the address you provide on the agreement form.
3. Go to the Tyler SIS Student 360 web page at <https://sdm.sisk12.com/pa360>
4. Click on the 'Parent' tab to login (you must be on the Parent tab in order for your login to work).

NOTE: Once logged in, you can change your password to one of your choice by clicking on your name in the upper right of the screen and selecting 'Change Password'.

For more detailed information about Student 360, click on the following documentation:

[Student 360 Navigation for Parents](#)

Student 360 - Student Portal

Students can access the Student 360 Portal with their own login to access the same information that parents can view; gradebook grades, assignments, term grades, meal accounts, and more.

To begin using the Student Portal, follow these steps:

1. The default login for students is as follows:
 - o User Name = Lunch PIN
 - o Password = Student Birthdate (mmddy)
2. Go to the Tyler SIS Student 360 web page at <https://sdm.sisk12.com/pa360>
3. Click on the 'Student' tab to login (you must be on the Student tab for your login to work).

NOTE: If you previously logged into the Student Portal and changed your password, but cannot remember, click on the 'Forgot Your Student Password' link and it will

email you a link to reset your password. The email will be sent to your district assigned email address listed in the Student Information System.

Student 360 Mobile

Today's family is always on the go, meaning that it's not always possible for parents to access a laptop or desktop computer throughout their day. Parents, guardians and students need to access school information from their mobile device, and they need that information to be comprehensive, up-to-date, and easy to understand.

Tyler SIS Student 360 Mobile is a mobile phone app version of the Tyler SIS Student 360 Parent/Student Portal available on both iOS and Android. The app is free and can be downloaded from the Apple iTunes iOS App Store and the Google Play App Store. The app is compatible with iPhones and iPads running iOS 7 or later and Android devices running Android 4.4 and later.

NOTE: The mobile app must be installed to access the Student 360 Portal on smaller mobile devices.

For information on installing and accessing the Student 360 Mobile App, click on the following documentation:
