

Kindergarten students at Wynne Primary School are given two options for obtaining credit for an AMI day.

Option 1 is to complete the paper packet for the day and return to school within 3 school days of returning to school for attendance credit.

Option 2 is to complete a minimum of 20 minutes on Lexia , 20 minutes on Dreambox, and 20 minutes on Reflex. Teachers will verify students' online work for attendance credit for the canceled day. These sites may be accessed from this webpage:

wynneprimary.symbaloo.com (Don't type www. In the URL box). If you are downloading the dreambox app for the first time the school access code is zd6p/wynnep.s.

Kindergarten Day 1

Phonics - For each picture, draw a picture that begins with that letter's sound.

Reading - Phrase Reading page - Students will read each phrase and circle the matching picture.

Math - Story Problem Page - Solve the story problem. Draw a picture to show your work. Write a number sentence to match your problem. Kindergarten Sprint page - Circle the number needed to make 5.

Kindergarten Day 2

Handwriting - For each letter, use your best handwriting and write the letters below the examples.

Reading - Word Reading page - Students will read each word in the box. Review the names of each illustration with your child. Students will copy the word next to the correct picture.
