Driving a personal vehicle to school and parking on the MTC campus is a privilege and not a right. The administration of MTC reserves the right to revoke parking privileges at any time. All vehicles are subject to search at any time. Students who drive on campus must register their vehicles and display a parking permit for the year. Only one permit is authorized per student and the permit can only be used by that student. Additional forms are required for each vehicle the student drives to school. The following parking rules, as well as any/all public laws shall apply.

1. The parking permit must be displayed at all times while on campus.
2. Students are not allowed to access their cars during the school day.
3. Students must park in student-designated parking spots only. Parking in staff or visitor parking may result in a ticket(s) and may result in forfeiture of parking privileges.
4. Vehicles driving recklessly in a parking lot are subject to fines or forfeiture of their parking privileges.
5. MTC is a closed campus and students are not allowed to leave for any reason during the day without first checking out through the Office.
6. If parking ticket fines are paid the day they're given, the fine is reduced to half the original amount.

The intent of this parking program is to minimize problems and to help protect your property on campus. Marysville School District will not be held responsible for lost or stolen items from vehicles parked in our lots, or for any vandalism or vehicle collisions occurring on campus.
