

# Back 2 School with

**Attention all parents, students, and teachers from Highland Elementary**  
 It's back to school and that means it's time for the Box Top Program to start at Highland Primary & Elementary! **OVERWHELM** us with your Box Tops!

Let's beat last years total of \$2426.10!!  
 The program starts NOW and will continue through the end of April. Prizes are awarded as each goal is met. The class that has collected the most Box Tops by the end of the program will receive the "Top Dog" prize, a pizza party!  
 This year there is a new way to earn Box Tops! Box Tops is transitioning to digital, as a way to better fit today's families. While the Box Top clips are being phased out, you are still encouraged to continue clipping and submitting unexpired Box Tops to school. Be sure the acronym and expiration date are visible! As added bonus, products containing traditional Box Tops are also giving credit on receipt scans. This mean **DOUBLE CREDIT** during the transition. Clip those Tops and scan that receipt!

**BOX TOPS are going DIGITAL!!**

Don't forget to mark your bag/envelope with your students name and teacher for our special monthly drawing!

## HOW IT WORKS:

**Download the APP!**

Search for Highland Primary (this does include the Elementary!)  
 Within 14 days SCAN your receipt! Box Tops does the rest! How easy! You can also see our school's progress on the app!

Some products will still have the Box Top label that you can clip! Please cut along the dotted line and send in with your child!
