

Home School Enrollment

Parents or guardians wishing to homeschool their children must give written notice to the local superintendent of such intent and must sign a waiver acknowledging that the State of Arkansas is not liable for the education of their child during the time the parent chooses to homeschool: at the beginning of each school year but no later than August 15; or, by December 15 for parents who decide to start homeschooling at the beginning of the spring semester. A.C.A. 6-15-503(a) No public school student can enroll in home school if the student is currently under disciplinary action for violation of a written school policy, including, but not limited to, excessive unexcused absences. The exceptions to this are that the superintendent or local school board chooses to allow the child to enroll in a home school or that the disciplinary action has been completed or will be completed by the end of the school semester, or the student has been expelled.
