Students should be at the bus stop **5-10 minutes** prior to the stop time. The bus will not wait for students.

All stop times are approximate.

All route stops & times are subject to change.

Actual stop times will vary during the first few days of school as families adjust to new routines.

We urge parents to be patient because many times unexpected traffic, road construction, and road conditions could cause buses to be delayed.

Student safety is our number one priority.
