August 22, 2019

Greetings WMHS Families,

I hope you had a wonderful summer and are ready for what will prove to be one of the best school years' ever ! The WMHS staff and I are looking forward to the first day of school on Tuesday, September 3, 2019.

As the Principal of Wiscasset Middle High School, it has been my sincere pleasure and honor to continue to be a member of this accomplished school community. Wiscasset Middle High School enjoys a rich history of academic and cultural excellence that is the result of a collegial partnership between the school staff, families, and community who provide a diversity of experiences for the students.

Reminder to all students and parents:

7:30 A.M. Student drop off time

7:30-7:45 A.M. Breakfast is served in Cafe

7:45 A.M. First bell rings

7:50 A.M. Classes begin

2:30 P.M. Dismissal ***** Please note the new dismissal time*****

- Please note there is no assigned supervision prior to 7:30 A.M.

I encourage all students and parents to attend our Open House and BBQ on Wednesday, September 4, 2019 from 4:30-6:30 P.M. This is a wonderful opportunity to meet your teachers and grab a bite to eat. For those of you with students in both WMHS and WES both locations will be having a BBQ.

In an effort to create the optimum learning environment for all our Wiscasset students a new procedure will be implemented for the 2019-2020 academic school year regarding cell phone use in school. Please review this new procedure with your child prior to starting school.

The Fall sports season is underway and there are many student athletes that are participating. I encourage all students to get involved at any time. There is still time left to sign up for fall sports.

"Dedicated to cultivating an environment that honors growth and change for all learners."

On Friday, September 20, 2019 all WMHS students and staff will be participating in our annual WMHS Community Service Day. This continues to be a wonderful opportunity for our students to “give back” and build pride in our school and community. More details regarding this important event will be posted on our school website.

It is my heartfelt wish that each WMHS student will have a year filled with joy and learning for 2019-2020. Thank you for your continued support for the upcoming school year.

Respectfully,

Charles F. Lomonte
Principal, WMHS

Re: New procedures regarding the use of cell phones / Electronic Devices

In an effort to create the optimum learning environment for all our Wiscasset students the following procedure will be implemented for the 2019-2020 academic school year.

Use of electronic devices (eg cell phones, CD players, ipods, mp3 players, headphones, earbuds, radios, and tablets) **will only be allowed in the building before and after school, and in the cafeteria/outdoors during lunchtime.**

Cell phones are not to be used in the classrooms including study halls, or hallways during the instructional day and should be kept in a backpack, out of sight and turned off, unless expressly approved by school personnel.

Use of digital or other technology to videotape or audio record within the school building is not allowed without prior permission from school authorities. Violations will result in administrative action.

Violators will be required to leave their device with school personnel or in the main office to be picked up after school. Failure to comply is cause for disciplinary action as outlined in our WMHS Discipline Code. Repeat offenders may face further administrative consequences.

All classrooms are now equipped with a landline telephone for emergency purposes. We are confident this new procedure will further enhance the overall academic experience and enhance safety for our students as we embark on what should be an amazing school year.

If you have any questions or concerns about this new procedure please contact school administration. Thank you.
