Welcome back Thunderbirds,

For the last 63 years, Monronev Middle School has been home to thousands of Thunderbirds. This year's 8th grade class will be our last group of Thunderbirds to walk these halls as we begin the transition to Midwest City Middle School. Although this change is going to be exciting, the anticipation of what's to come can also bring uncertainty. It is our goal to ensure all of our students continue to feel the support that thousands before them have received. Our mission is to develop a community of learners who are respectful, responsible, and prepared citizens.

Middle school is a vital bridge between elementary school and high school—it is also a period when young people, often for the first time in their lives, begin actively seeking a sense of purpose and place. It is our job to provide them with these opportunities, while also keeping them engaged, challenged, and supported. Through the efforts of our entire school community, we can help them to develop their own unique skills and talents and prepare them for continued success far beyond their early adolescent years.

When addressing the needs of every learner, we must provide effective and appropriate support. Our administrators, counseling staff, instructional coach, and teachers are here to meet the needs and support every student in their efforts. We look forward to embarking on this new journey with you and your student as we transition from Monronev Middle School Thunderbirds to Midwest City Middle School Bombers!

Respectfully,

Michelle Reeves, Principal
