

Nonresident Students - PROCEDURES

For the purpose of identifying available space in a grade level or class, in which a student desires to be enrolled, the following enrollment guides will apply:

Kindergarten 20 per class

First Grade 21 per class

Second Grade 21 per class

Third Grade 22 per class

Fourth Grade 22 per class

Fifth Grade 24 per class

Sixth through Twelfth Grades – 26 per class

Financial hardship grounds for rejecting nonresident applicants does not apply to nonresident students whose parents are certificated or classified employees of the Winlock School District. In addition, under federal law, financial hardship does not apply to the need for special education or 504 accommodations.
